DMACC WINS SPUTUM BOWL

DMACC Respiratory Therapy students Marla Burke, Melissa Garza and Grace Rienve (left to right) won the Sputum Bowl contest recently, held at the Iowa Lung Conference in Ames. Fifteen teams from five Iowa respiratory therapy programs competed for the honor in the Sputum Bowl. This marks the second consecutive year a team from DMACC has been crowned the champion. Contrary to the title of the contest, it has nothing to do with coughing or spitting. It’s a contest of knowledge similar to the old College Bowl T.V. program. The questions are focused on knowledge about the care of patients with cardiorespiratory disorders.

DMACC Boone Campus student Ruth Castro-Santana (left) of Ames receives a nursing pin from her mom, Carmen Santana, who traveled all the way to Boone from Puerto Rico to attend the nursing pinning ceremony held on the DMACC Boone Campus. Castro-Santana graduated from DMACC’s Associate Degree Nursing program.
