FROM THE DEAN'S DESK

I wish to extend a hearty welcome to the new students who have entered Boone Junior College this second semester. We hope that each of you will find the academic and social atmosphere in keeping with your college goals.

To the members and sponsor of the Delta Psi Omega Speech Fraternity, we are deeply appreciative of their sponsoring in co-operation with our Adult Education Program a series of American foreign classical, documentary, and art films.

To all the students we wish continued success in their educational goals.

LOOKING AT THE LIBRARY

Congratulations are in order to the students and the sponsors of the JC library for the fine way in which it is being used. Many JC"ers have found this a very good study room and a good reference room.

Carolyn Elsberry, our Librarian is in the library for these hours: 8:00 to 8:30, 9:45 to 10:40, and 11:39 to 12:00. Mrs. Hartley will be there from 1:45 to 3:00. The students are on their honor to check the books out before taking them from the library.

STUDENT OF THE MONTH

One of our new features this month is our "Student of the Month" column. Our student this month is Eldon Blanshan, a 26 year old sophomore.

"Eldy" lives on a farm near Beaver and drives to Boone every day. He is often seen in a flashy new '57 Ford belonging to his brother. He is taking a pre-commerce course at JC and plans to go to Iowa U. to finish his schooling. Before coming to JC, he was in the Navy for 3 years. Eldy enjoys dancing and likes Perry Como's version of "Jealousy".

ASSEMBLY HELD

On Wednesday, January 23, JC held the first all school assembly. All but a few of the students attended. The purpose of this assembly was to acquaint the new JC students with the clubs, regulations, and activities of the school.

Reports were given on the speech club-Delta Psi Omega and the F.T.A. club-Delta Tau by John Ferry and Helen Foltz respectively. The officers of the clubs were introduced. Carolyn Elsberry reported on the new library. The new students and the faculty were also introduced. Mr. Hickanson, the basketball coach, gave a pep talk and introduced the team. He stressed that more support for the team is important.

After the assembly a coffee hour was held.

16 NEW STUDENTS FOR JC

There are 16 new students enrolled at JC this semester. They are: Koreen Ballard, Richard Byerly, Grace Crosby, Larry Davis, John DeLance, Dean Dittmer, Leo Pittmer, Richard Duncan, Sally Harwood, Wayne Hoskins, Jerry Millard,

JC SPORTS

January 23, 1957
Boone vs Creston

Boone lost to Creston by a small margin. The bears showed more promise in this 64-55 point game than in any before. The winners never led by more than 13 points. Richard Byerly, a new student at BJC led the Bears in scoring. The attendance was the best yet.

January 25, 1957
Boone vs Eagle Grove

Boone lost this game 74-51. Art Aspengren was high scorer with 21 points. This was the last home game for the Bears.

Friday, February 1, Boone will meet Creston there. On February 7 we will enter the regional tournaments. Let's attend as many games as possible.

Bill Barry won the Boone JC Ping Pong tournament and Larry Coghlan came in second.

There will be a girls tournament later if enough sign up.

RAMBLING THROUGH JC (BEM)

Now that the dull routine of vacation is finally over, isn't it good to be back at the books and midnight oil?

We're happy to see the new faces this semester. Make yourself known to all of them. Let people know that JC is not only a good school, but a friendly one.

It seems that Mr. Paulson's one-man war has come to an vndramatic end with the addition of Mr. DeLance to his class. (Mr. DeLance is an ex-Navy man with 20 years service behind him.)

Mr. Bissell has been scurrying around lately with a startled expression on his face. Wonder Why? Could be he's looking for a place to enjoy a ciggy-boo.

I see Charlie Lee with a knowing smile. Seems Charlie very generously pushed Mr. Bissell's car for him during final week. How's that grade, Charlie?

If anyone finds a small blue book belonging to Jerry Millard, please return it to him. His mother found and kept the last one.

John, Dave, Bill and Eldon changed a flat tire for me one bitter cold day last week. Bill got small peeved over an uncooperative wrench. Just as he was ready to heave it across the alley, his understanding gave way and down went Kennedy - ker splatt! It isn't always true that man can't fly.

The psychology class should enjoy these remarks overheard in a psychiatrist's office. The psychiatrist was explaining he had discovered his patient was in love with overcoat.

"Ridiculous!" shouted the patient, "We're terribly good friends but we're certainly not in love."

The basement has been dubbed "The Union" while McCaskey's is going under the name of "The Commons." One of the outstanding points of the Union is it's large seating capacity. Even the Iowa U. union doesn't have seats you can sleep on, but our's does!

Who likes to bowl!?! Let's have a JC bowling party sometime when everyone is fabulously rich and feeling reckless.

Time to go rambling some more. Namely, into History class. See you all next issue. Say, what is behind that green door?!
