2009-2010 Student Handbook

Welcome to Des Moines Area Community College! You’ve made an excellent choice with DMACC. As one of America’s fastest-growing and most respected colleges, DMACC is committed to helping you pursue your personal and professional goals.

You can experience a personal transformation at DMACC that opens your future to endless possibilities and excitement. As one of our graduates, Bonnie Campbell, a former Iowa Attorney General and top U.S. Justice Department official, has said, education creates personal opportunities that last a lifetime.

From agribusiness and culinary arts to criminal justice and veterinary tech, DMACC offers degrees in more than 80 programs and 65 short-term certifications that lead to a world of exciting, well-paying careers. Today there are exciting, new green industry jobs, degrees in internet crime fighting and advanced manufacturing and many other careers that didn’t even exist five years ago. You can find a path into all of them through DMACC. (To find out what Iowa’s top 50 high-growth careers will be, go to www.dmacc.edu/lifescalling/hot50jobs.asp.)

In addition to DMACC’s variety of career choices, many DMACC students major in liberal arts while deciding their career path or next step to a four-year school. In doing so, many students attend DMACC to earn a two-year liberal arts degree, saving tens of thousands of dollars in tuition and other costs before transferring to the four-year institution of their choice to complete their bachelor’s degree.

You’ll find that DMACC professors provide engaging and practical learning experiences. Class sizes are small, so professors can give you more personal attention. While attending DMACC, be sure you get involved in one of our many student organizations, intramural sports teams or professional organizations. It’s a great way to meet new friends and enrich your college experience.

By becoming a DMACC student, you have taken an important step forward. On behalf of the faculty and staff at DMACC, we wish you all the best as you pursue your career aspirations.

Sincerely,

Robert J. Denson, President, Des Moines Area Community College

Registration Tips

• Review the course requirements for the specific degree program listed on the Program Information Brief.

• Contact an advisor, counselor or program instructor with any questions or problems. If the courses for the program are listed term by term, follow that sequence as closely as possible.

• Review test scores (ACT/SAT scores or COMPASS scores), high school grades and relevant college courses to help determine the level of classes in which to begin. Be honest about academic abilities and schedule college preparatory courses if necessary. Remember, college preparatory courses are designed to help increase skills in English, mathematics and reading, not fulfill required or elective course requirements.

• Plan on a minimum of 2 hours of study time for each hour spent in class.

• Write down the classes needed or desired for the term. Plan a schedule to achieve a balanced course load. It is best to fill class schedules with a variety of subjects in order to avoid overloading in one subject area or overloading with classes requiring a lot of reading. For example, a student may choose to register for a math class, an English class, a psychology class and an interesting elective class.

• Refer to the Course Descriptions in the catalog to make sure all prerequisites have been met.

• Check the Credit Course Schedule to determine which classes are available and how many sections are being offered for each relevant class.

• Start with the classes that have the fewest sections being offered, and work around those while planning class schedules. Then fit in the classes with the most sections being offered.

• Students can register for classes on the Web Info System, in person, by phone or fax.

Part of Term

Part of Term is defined as the portion of the semester in which a class meets. Each course is assigned a part of term based on the start and end date of the course.

Most courses meet for the entire 15-week semester or 10 weeks during the Summer term. Other courses are assigned to other parts of term with start and end dates usually falling within the larger semester. For example, a Fall or Spring course that meets for the first half of the semester would be assigned to part of term 2.

Deadlines for adding and dropping are adjusted accordingly. Specific dates may be found in the Credit Schedule or at www.dmacc.edu/academiccal.asp.

Course Load

When planning class schedules and deciding on the number of classes to take, it is important to consider individual abilities, work obligations, family obligations and commitments to other outside activities.

During the Fall or Spring terms, a course load of 12 credits or more is considered full-time; during the Summer term, 8 credits is considered full-time. Suggestions for determining a course load are outlined below. These suggestions refer to the Fall or Spring terms only and are not appropriate for determining Summer term course load.
Course/Program Changes

Adding a Course: Students may add a credit course through the first five days of a full-length semester. Students who add courses during this time period are advised that classes have already begun, and missed classes are the same as an absence. Students are not permitted to attend a class unless officially registered for the course.

Dropping a Course: Students may drop a full-semester credit course through the 50th class day of the Fall and Spring semesters, and the 30th class day of the Summer term. The last day to drop a course that does not run the full length of the Fall and Spring semesters or Summer term depends on the beginning and ending dates of the course. The applicable date is published in the DMACC Credit Schedule and is also available by contacting the Registration Office on any campus. Full–semester courses dropped during the first week of the semester will not be documented on the transcript. Drop dates for shorter-term courses are available on the DMACC website under the Academic Calendar.

Deadlines for Dropping Courses are different from refund deadlines: Information about tuition refund deadlines is published in the DMACC Credit Schedule, on the Web and by contacting the Registration Office on any campus. Students who have withdrawn from a course will not be permitted to continue attending the course.

Dropping or Adding Courses after the deadlines: No registration or reregistration will be accepted after the last day to drop classes. Students who feel extenuating circumstances prevent compliance with the established dates for “drop,” “add” or “tuition refund” may ask for special consideration by completing a PETITION FOR POLICY WAIVER form (ES 4650). The petition may be obtained from the DMACC webpage at www.dmacc.edu/student_services/policies_procedures.asp and submitted to the Registrar’s Office (Ankeny) or the Student Services Office (all other campuses). Students are required to work with the Campus Ombudsperson, who can explain the petition procedures. Petitions shall be submitted no later than the end of the semester immediately following the semester for which students are petitioning. A committee reviews the petitions and notifies students in writing of the outcome.

Auditing a Course: Up to the final drop date, with instructor’s approving signature, students may change a class to audit status by completing a drop/add form. Check with the Registration Office for the drop deadline for the course. Tuition and fees for an audit course are the same as for credit. If students audit a course it will not count for credit toward their program of study. Once this procedure is completed, the course may not be changed back to credit status. Students auditing a course are expected to attend the course, but are not required to complete regular assignments or exams.

Changes in Program: Students who want to change their program should first visit with a counselor or advisor for details about the program, including entry requirements and enrollment availability. Next, students must complete the Change of Program form. The Change of Program form must be returned to the Student Services Office at any campus. Program changes will become effective once students have been officially accepted into the new program. Changes in program need to be made prior to registering for courses in the new program.
Registration & Payment Tips

Enrollment Verification: Students needing official verification of enrollment status for insurance purposes, loan deferments or any other reason may submit a written request either in person, by fax or by mail to the Registrar’s Office (Ankeny) or the Student Services Office (all other campuses). Phone requests are not accepted. Student signatures are required for release of information. All enrollment verification requests will be processed through the Ankeny Campus.

Name Changes: A request for name change should be made in writing and may be delivered in person, by fax or by mail with the appropriate documentation to the Student Services Office on any DMACC campus. Name changes cannot be made online.

Address Changes: Address changes are accepted each time students register for classes. Students wishing to change an address at another time should submit written notification online using the Web Info System or to the Student Services Office on any campus either in person, by fax or by mail.

Tuition & Fees
Please refer to the current Credit Course Schedule or www.DMACC.edu/tuitionfees.asp for tuition and fee rates.

Billing Policy—E-bills: Students will receive their DMACC bills via email at their DMACC or other email address they have provided. Bills may also be seen on the DMACC Web Info System.

Financial Aid may hold enrollment if all of the proper documents have not been provided to that office. A payment plan is available online with Nelnet Business Solutions (also known as FACTS). Please refer to the current Credit Course Schedule for payment due dates and payment plan options.

Important: Credit class enrollment MAY be canceled if payment or payment arrangements are not made by the payment due date. STUDENTS are responsible for dropping classes if they DO NOT plan to attend. Please refer to the current Credit Course Schedule for payment due dates, payment plan options and the refund policy for each term.

Payment by Check
When students provide a check as payment, they authorize DMACC to use information from their check to process a one-time Electronic Funds Transfer (EFT) or draft drawn from their account, or to process the payment as a check transaction. When DMACC uses information from checks to make an EFT, funds may be withdrawn from their account as soon as the same day they make their payment and students will not receive their check back from their financial institution.

If payment is returned unpaid, students authorize the collection of their payment and a return fee of $30 by EFT(s) or drafts(s) drawn from their account.

registrationplus+
"registrationplus+" is a service that allows students to register early for courses, but pay later. By making payment arrangements before 5/10/09, students will be assigned a later payment due date. Take advantage of registrationplus+ and select one of the following payment options:

1. Pay your bill in-full online www.dmacc.edu/gonnapay.asp, in-person www.dmacc.edu/payment.asp#person, by mail www.dmacc.edu/payment.asp#mail, or by phone www.dmacc.edu/payment.asp.
2. Establish an active FACTS payment plan www.dmacc.edu/payment.asp#online.
3. Provide the DMACC Student Accounts office with documentation that tuition reimbursement has been approved to be paid by a third party www.dmacc.edu/reimbursement.asp.
4. Submit completed FAFSA (Free Application for Federal Student Aid), and turn in all required documents to DMACC. (For more information on FAFSA visit www.fafsa.gov or call 1-800-433-3243).
5. Pay a $200 nonrefundable deposit by July 10, 2009, that will be applied to your tuition balance.

Students are responsible for notifying DMACC which option they have chosen and making certain that their tuition bills are paid in full by their assigned due dates. www.dmacc.edu/registrationplus
**Indebtedness Policy**

Students who have a balance due to the College should contact Student Accounts to resolve their debt. Unpaid debts may be referred to a collection agency and/or a credit bureau. Students with unpaid financial obligations **MAY** have a “hold” put on their record. The hold may permit students to withdraw from credit courses provided the withdrawal deadline is met, but will prohibit students from enrolling in courses, obtaining or sending transcripts and graduating. DMACC participates in the Iowa Statewide Offset program, which means that debts due to DMACC may be collected from students’ State of Iowa tax refunds.

**Tuition Refund**

Students who withdraw from a class or classes and complete the formal withdrawal/drop procedure **MAY** receive a tuition refund. The amount of refund is dependent upon the number of credit hours dropped, the part of term (dates the course is offered) and the date notification is received by the Registration Office. Please refer to the current Credit Course Schedule for tuition refund deadlines or see [www.dmacc.edu/refund.asp](http://www.dmacc.edu/refund.asp).

Refunds will be processed by Higher One based on the student’s refund option selected at [www.DMACCOneCard.com](http://www.DMACCOneCard.com).

Computing GPA

The method of computing grade point average (GPA) is as follows:
1. Multiply hours of credit in each course by the appropriate numerical grade value to find the quality points.
2. Total the quality points earned.
3. Divide the total quality points earned by the total number of semester hours taken (excluding courses in which a “W,” “I,” “N,” “P,” “T” or “L” were received).

**Example:**

<table>
<thead>
<tr>
<th>Points</th>
<th>Semester Hours</th>

</tr>
</thead>
<tbody>
<tr>
<td>Composition I</td>

</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>17</strong></td>
<td></td>
<td><strong>40.98</strong></td>
</tr>
</tbody>
</table>

Divide 40.98 points by 17 semester hours = 2.411
Repeat Course Work
Students may repeat a course previously taken at DMACC if the course is currently being offered. When a course is repeated, only the hours and the grade point value of the last grade earned will be included in calculating the grade point average. Earlier grades recorded for the repeated course will remain on the transcript record, but will be excluded from the GPA calculation. Withdrawing from a course that is being repeated and receiving a grade of “W” does not constitute a course repeat.

REPEAT SYMBOLS ON THE TRANSCRIPT
I—Grade value included in the GPA calculation
E—Grade value excluded in the GPA calculation
The repeat symbol will be noted in the far right column on the transcript record next to the respective course.

Example:  FL 09–10  PSY111  D  3.00  E
           SP 09–10  PSY111  A  3.00  I

Incomplete Course Work
Students who, due to extenuating circumstances such as serious injury or illness, are unable to complete some portion of assigned course work during the regular term may sign a contract with an instructor approving an “I” (Incomplete) grade. In such cases, the student must complete the course by the midterm date of the following term. Incomplete grades are generally not approved by instructors unless there is an extenuating circumstance. An extension of time to complete the work for the course may be granted by the instructor until the end of the term. ‘Incomplete’ grades automatically change to “F” grades if the course work is not satisfactorily completed within the time period specified.

Grade Reports
Final grade reports are posted to student records one to two weeks after the end of a term. Progress grade reports are posted to student records prior to midterm and the deadline for dropping classes. This report notifies students who are not progressing satisfactorily (receiving F, D-, D, D+ or C- grades) of services available to help them improve their academic performance.

Official grade reports are mailed only to Career Advantage, Postsecondary Enrollment Option Students, some continuing education students and other high school students or by special request. All students may print a grade report by logging into DMACC’s Web Info System.

Grade Appeals
Students should first attempt to resolve the matter with their instructors. If students wish to proceed further, they should follow the steps outlined in The Appeal of Final Grade procedure. A copy of the procedure is available in any DMACC Student Services Office. Ombudspersons are available on each campus to assist students with the appeal process. Students are required to meet with an Ombudsperson. (ES 4620 and ES 4680)
**Academic Integrity**

Academic integrity, doing one's own work in course assignments and in tests, is one of the most important values in higher education. Receiving credit for plagiarizing or cheating violates the value of all degrees conferred. It is unacceptable for students to submit another person's work as their own. If students quote, summarize, paraphrase or use an author's idea, they must acknowledge the source; otherwise, they are plagiarizing. Allowing others to accept credit for work not their own is also cheating. Students who plagiarize or cheat will be held accountable by their instructor and are subject to the sanctions outlined in the Academic Misconduct Procedure. (ES 4670)

**Academic Standards**

Please see the Satisfactory Academic Progress in the Policies & Procedures section of this handbook. (ES 4560)

**Course Substitutions**

On a limited basis, students may request course substitutions in their programs of study. Course substitution is defined as “the replacement of one course with another.” Course substitutions will be allowed only:

- When the student clearly demonstrates knowledge/competency in the subject area for which the substitution is requested and when such knowledge/competency is accurately assessed through measures such as testing, documentation of prior course work or certification.
- When the substituted course reflects similar or complementary content/skills.
- As a reasonable accommodation for students with disabilities.
- In clearly warranted situations, such as a scheduling conflict beyond the student’s control.

Non-core courses may not be substituted for courses designated as core requirements for a particular academic award. Adjunct courses may not be used to meet degree requirements other than electives. In programs exceeding twenty-four (24) semester credit hours, no more than one-eighth (1/8) of the total number of credits may be substituted. In programs of fewer than twenty-four (24) semester credit hours, only one (1) course of no more than four (4) semester credit hours may be substituted.

Students who wish to request a course substitution should contact the chairperson in their program of study.

**Academic Semester Awards**

**Dean's List:** Students who have earned at least six credits in any term with a 3.50 to 3.99 grade point average are honored by being named to the Dean's List. Students are mailed a certificate from their respective Dean/Provost, and the names of students on the list are sent to their hometown newspaper for possible publication.

**President's List:** Students who have earned at least six credits in any term with a 4.00 grade point average are honored by being named to the President's List. Students are mailed a certificate from the President, and the names of students on the President’s List are sent to their hometown newspaper for possible publication.
Phi Theta Kappa

Phi Theta Kappa (PTK) recognizes and encourages scholarship among two-year college students. To achieve this purpose, PTK provides opportunities for leadership and service, exchange of ideas and ideals, lively fellowship and stimulation of interest in continuing academic excellence. A number of institutions offer scholarships for transferring PTK members. Students are encouraged to contact their campus Student Services Office for more information.

Terminology

Articulation: The formal agreement of movement of academic credits from one college to another.

Audit: To attend a class without receiving credit.

College Preparatory: Courses designed to aid students whose educational background requires additional strengthening to achieve success in regular college-level courses. These courses do not transfer or apply to a student's program of study.

Core: Courses that constitute the body of traditional liberal arts curriculum in the first two years of a baccalaureate degree. Generally, these courses have transfer status among receiving institutions.

Corequisite: A course that must be taken concurrently with another course.

Course Description: Statements identifying the contents of a course. Course descriptions are found in the college catalog and online.

CRN: Course Registration Number

Cross-Enrollment: Under a special agreement, DMACC students may enroll in a class at Drake, Grand View or Iowa State. Students must have earned 12 semester hours at DMACC and be a current, full-time student in good standing. The credits earned while on the cross-enrollment plan will be added to the DMACC transcript. Not available Summer term.

Degree: An award conferred by a college or university upon completion of a particular program of academic work. Some typical college degrees are Associate in Arts (AA), Associate in Science (AS), Associate in Applied Science (AAS), Bachelor of Arts (BA) and Bachelor of Science (BS).

Drop/Add: After completing registration, students may change their schedules by “adding and/or dropping” classes. Students may add a class during the first week of classes and drop a class up to the end of the tenth week of the term for a full-semester class. The drop period is prorated for classes with a duration less than the full term.

Copies of transcripts issued to students are considered to be unofficial. Students may view an unofficial copy of their academic record on the DMACC Web Info System. Transcripts will not be issued or available for viewing for students who have an unpaid financial obligation to DMACC.

### Transferring from DMACC to Another Institution

Students considering transfer to another college or university should contact an admissions or transfer counselor at that institution early in the planning process. The following outline provides tips for a successful transfer:

- Meet with a DMACC counselor or advisor each semester to schedule classes for the upcoming semester and discuss transfer plans.
- Keep a copy of the college catalogs from all colleges attended and course syllabi from courses taken. These may be needed when discussing transfer credit.
- Research and visit four-year colleges as soon as possible to decided on a transfer college. Students may research different colleges in the Career and Transfer Resource Center or on the College Source Online website at www.collegesource.org.
- Schedule a campus visit as soon as possible. When scheduling a visit, ask for an appointment with an advisor. It is important to take good notes. Also, write down the names of contact people at the transfer college.
- Request a college catalog, an application and scholarship information.
- Complete an application for admission to the selected college or colleges. Apply early! Many colleges set firm application deadlines.
• Request to have all college transcripts sent to the transfer school. In order for transcripts to be sent to the transfer school, students must contact each college attended and request that they release all academic transcripts to the selected transfer college.
• Complete financial aid, scholarship and housing applications. Watch for deadlines and complete all materials as early as possible.
• Attend a registration/orientation day at the transfer college. Some colleges allow students to preregister for classes. Be alert to any registration/orientation procedures and stay in touch with the transfer college.

Students need to gather information, evaluate the information, consider their personal values and goals and make meaningful decisions based on the information gathered.

Career assessment tests and inventories are available to help students learn more about their interests, abilities and skills, personalities and values. Some of the more frequently used instruments are the Strong Interest Inventory, the Self-Directed Search and the Myers-Briggs Type Indicator (MBTI).

A computerized career guidance system called CHOICES helps users identify careers based on a personal interest checklist and provides up-to-date information for approximately 656 occupations. The Kuder computerized system with information on more than 1,200 occupations is also available.

For assistance in choosing an educational program or career goal, contact the Counseling and Advising Offices in Building 1, Ankeny Campus, or the Student Services Office at Boone, Carroll, Newton, Urban or West Campuses. Financial Aid

Financial aid is any source of funds available to assist students in paying for the costs of a college education. Students who believe they will need assistance are encouraged to apply for financial aid. Financial aid is awarded based on full-time attendance. Any awards shown may be prorated if students are enrolled less than full-time. Most assistance is based on demonstrated financial need; however, some is based solely on merit. Often students do not have to show financial need to receive money through merit-based programs.

There are four main types of financial aid. Usually students are offered a combination of aid (known as a “package”) from these four programs: Grants, Loans, Scholarships, and Work-Study. Students are encouraged to visit the financial aid website at www.dmacc.edu/financial.asp for more information.

To View Financial Aid: Students may view their financial aid award package for the current year by accessing the DMACC Web Info System using their student ID and Personal Identification Number (PIN) at:

web4.dmacc.edu/PROD/twbkwbls_P_WWWLogin.

E-Award Notification: Students with DMACC email addresses will be able to view their award notifications (E-Awards) online. If they wish to accept or decline Federal Direct Loans or Federal College Work-Study offered in their award package, they can do so via the E-Award acceptance area of the DMACC Web Info System.

Through its work, students are provided an opportunity to participate in the democratic process. Meetings are held on a regular basis. Any student, administrator or faculty member may attend meetings of the Student Activities Council and take part in discussion, but only members may vote.

LEARNING COMMUNITIES
MAKING DMACC CONNECTIONS

GET CONNECTED WITH A DMACC LEARNING COMMUNITY

- Give multiple purposes to assignments
- Get to know faculty better
- Develop new friendships

In a learning community, the same students enroll in two or more courses. Faculty work closely together to link the course content and assignments. Expand your knowledge and apply your skills in multiple subjects.

Discuss this opportunity with an academic advisor or counselor when scheduling classes.

"It is fun and a great way to get to know new people. For me, history is not my best topic and the learning community helped me with that."

DMACC Website
DMACC’s website www.dmacc.edu offers a wide variety of information about the College’s educational offerings and services.

All official communication with students will be done through students’ DMACC email address. Contact the DMACC HelpDesk at www.dmacc.edu/helpdesk or call 515-965-7300 for assistance using webmail.

User Name, DMACC ID Number, PIN & Password
Upon acceptance to DMACC, students are mailed their DMACC user name, DMACC ID Number and a temporary PIN (Personal Identification Number). It is important for students to remember this information because it provides them access to college networked computers, the Web Info System, my.dmacc.edu and DMACC course work via WebCT. For assistance, visit www.dmacc.edu/helpdesk or call 515-965-7300.

User Name: The User Name, usually the student’s first initial, middle initial and last name (example: djsmith) is used in conjunction with a password to log on to DMACC computers and access webmail. If the student has a common name, then a number is usually assigned at the end of the User Name (example: djsmith23).

Students’ accounts are not created until they register for credit classes.

DMACC ID Number: DMACC issues students a randomly generated identification number called the DMACC ID Number. This number is confidential and should be protected in the same manner as a Social Security number. Social Security numbers, which must be provided to the College for reporting purposes, will be kept confidential.

PIN: The PIN, a randomly assigned number students receive in the mail upon admission to DMACC, is used in conjunction with their DMACC ID Number to access the Web Info System to conduct business at DMACC. When students initially log in, they will be required to change from the temporary PIN to a 6-character PIN of their choice. Students should not share this with anyone because doing so may give individuals access to the student’s confidential educational records.

Technology Access

Student Responsibilities & Rights
(Educational Services Procedure 4615 & 4630)

DMACC offers each student the freedom to learn and the freedom to enjoy community college life in an orderly and lawful manner. In return, DMACC expects every student to assume the obligations and responsibilities that accompany those freedoms. By voluntary enrollment at DMACC, students assume the obligation and responsibility of conducting themselves in accordance with the reasonable and lawful requirements of DMACC in its educational functions and processes. Violations of these responsibilities may result in sanctions that can include expulsion from the institution.

Students at Des Moines Area Community College are guaranteed those rights and freedoms contained in the constitutions and laws of the United States and the State of Iowa, consistent with quasi-judicial decisions pertaining to educational bodies. More particularly, students are guaranteed their constitutional right to due process. Due process is the procedure that grants persons the right to address college actions as outlined below.

All DMACC students have the right to be evaluated in the classroom on the basis of satisfactory progress, academic achievement, and fulfillment of educational requirements, with freedom of expression protected and respected. All DMACC students have the right to obtain clear statements of their academic obligations and responsibilities. A student will have the right to appeal through the established College procedures any action brought or taken by the College against the student that can reasonably be expected to affect the student's status within the College.

Satisfactory Academic Progress
(Educational Services Procedure 4560)

Students who have attempted 12 or more credits with any of the grades listed (except “I”) in Procedure ES 4552 at Des Moines Area Community College are subject to the following academic progress standards:

1. Satisfactory academic progress is indicated by a cumulative grade point average (GPA) of 2.00 or higher.

2. Guidelines for placing a student on “ACADEMIC PROBATION”:
   a. A student whose cumulative GPA falls below 2.00 at the end of any term will be placed on ACADEMIC PROBATION for the next term of enrollment.
   b. A student on ACADEMIC PROBATION who is assigned more than one grade of C- or less at progress report time will be restricted from registering for future credit course work until he/she has developed an Educational Achievement Plan with a counselor/advisor and obtained the appropriate signatures.
   c. A student on ACADEMIC PROBATION will return to a status of "good academic standing" when his/her cumulative GPA is raised to 2.00 or higher.
   d. A student on ACADEMIC PROBATION will continue on probationary status if his/her term GPA for the term following his/her placement on probation is 2.00 or higher but the cumulative GPA remains below 2.00. This rule will also apply for subsequent terms of enrollment.
3. Guidelines for placing a student on “CONDITIONAL ENROLLMENT”:
   a. A student on probation who earns a term GPA of less than 2.00 will be placed on CONDITIONAL ENROLLMENT for the following term of enrollment.
   b. If the student is registered for the following term and is placed on CONDITIONAL ENROLLMENT for that term, he/she will be required to meet with a counselor/advisor no later than the fifth day of the CONDITIONAL ENROLLMENT term to review his/her course selections. Failure to comply will result in canceled classes.
   c. If the student placed on CONDITIONAL ENROLLMENT is not yet registered for the next term, he or she must meet with a counselor/advisor prior to registering for any credit course work.
   d. A student on CONDITIONAL ENROLLMENT who is assigned more than one grade of a C- or less at progress report time will not be allowed to register for the following term until his/her current-term final grades are recorded.
   e. A student on CONDITIONAL ENROLLMENT who earns a term GPA of 2.00 or higher but whose cumulative GPA remains below a 2.00 will be placed on ACADEMIC PROBATION.
   f. A student on CONDITIONAL ENROLLMENT who earns a term GPA and a cumulative GPA of 2.00 or higher will be placed in good standing.

4. Guidelines for placing a student on “ACADEMIC SUSPENSION”: A student on CONDITIONAL ENROLLMENT who earns a term GPA of less than 2.00 will be placed on ACADEMIC SUSPENSION and will not be allowed to enroll in credit course work for a period of one semester (or one Summer term plus one semester in the case of a suspension at the end of the Spring semester).

5. Guidelines for re-enrollment of SUSPENDED students
   a. After non-enrollment for a minimum of one semester, as defined above in “Guidelines for placing a student on “Academic Suspension,”” a student on ACADEMIC SUSPENSION may apply for re-enrollment.
   b. In all instances, a re-enrolled student will be placed on CONDITIONAL ENROLLMENT.
   c. A student seeking re-enrollment must develop an Educational Achievement Plan with a counselor/advisor and obtain the appropriate approval signatures.
   d. A student on Academic Suspension for a second or subsequent time may re-enroll only after receiving the written approval of the Director of Student Development.
   e. Individual programs of study may impose additional re-enrollment requirements.

6. A student placed on ACADEMIC SUSPENSION may appeal that placement to the Director of Student Development before the start of classes. The appeal must be made in writing, and must at a minimum explain the reasons for the past unsatisfactory academic performance and how the student proposes to improve his/her performance. The Director may grant or deny the appeal based on the written statement or may choose to conduct a personal interview with the student or require the student to undergo counseling or academic assessment before making a decision. If the appeal is granted, the Director is authorized to impose reasonable restrictions on the student’s subsequent enrollment.
7. Establishing additional Academic Progress Standards: No program of study at Des Moines Area Community College may establish academic progress standards lower than those specified above. A program of study at Des Moines Area Community College may establish academic progress standards higher than those specified above, but such standards must first be recommended by the respective academic dean or campus executive dean, approved by the Academic Standards Commission, and approved by the Executive Vice President, Academic Affairs.

**Attendance & Enrollment**

The Academic Records Office will send preliminary rosters to all faculty at the beginning of each term. Faculty are asked to check these rosters to identify any students who never attended class and report to the Academic Records Office via the Web Info System. Students who are reported as never attending will be sent an email. Students will be administratively dropped from the classes in which they were reported as non-attending. If students wish to re-enroll they must first obtain an instructors’ signature on a registration form and pay DMACC tuition and fees. The Financial Aid Office may adjust the financial aid of students who were administratively dropped.

When one-third of the term has passed (i.e., 5th week of a regular term; 3rd week of a Summer term), faculty members will be asked to report students with grades less than 2.0 ("C-" or less) and report students who have stopped attending class.

The Financial Aid Office and Academic Records Office will notify students if low grades are reported or if they have reportedly stopped attending class(s). The Financial Aid Office will determine which students have quit attending all classes or have “unofficially withdrawn.” If students have stopped attending all classes and receive financial aid, they will be withdrawn as of the most recent date of attendance or as of midterm if the date is unknown. Financial aid programs will be refunded accordingly. Any cash payments awarded to students will be repaid according to the federal repayment formula. The Financial Aid Office will notify the students of the amount to be repaid.

If students wish to re-enroll after an administrative withdrawal has taken place, they will need the written permission of instructor(s) and will need to pay tuition and fees in full.

The students will have the option to an appeal in writing to the Financial Aid Appeals Committee or the Petition for Policy Waiver Committee.

**Discrimination/Harassment**

*(Educational Services Procedure 4645)*

I. A College student who believes that College policies or procedures on equal opportunity in employment or education have been violated, resulting in discriminatory treatment on the basis of race, color, national origin, creed, religion, gender, sexual orientation, age, disability, or to the extent covered by law, veteran status, may file a formal complaint through the College Discrimination Complaint Procedure for Students. 2. Submission to or rejection of such conduct by an individual is used as the basis for decisions affecting such individual’s work status, academic progress or employment opportunities; OR

3. Such conduct has the purpose or effect of unreasonably interfering with an individual’s work status, academic progress or employment opportunities or creating an intimidating, hostile or offensive working or academic environment.

III. Complaint Procedures (Discrimination)

A. Discrimination Complaint forms may be obtained from the Ombudsperson, Judicial Officer or from campus Deans/Provosts’ offices.

B. Discrimination Complaint Procedure

1. Step 1:
   a. The complainant shall submit a Discrimination Complaint Form for Students within 15 working days of the day the complainant became aware of, or should have become aware of, the discrimination issue through the reasonable exercise of diligence. In no instance may this be later than 180 days from the date of the alleged discriminatory treatment.

   b. Complaint forms shall be submitted to the appropriate Dean or Provost, unless the recipient is named in the allegations, in which case the recipient shall be the next higher level authority;

   c. The Dean or Provost may elect to meet with the complainant if additional information is needed. The Dean or Provost shall review the complaint with the next higher level of authority and issue a written response as soon as a reasonable investigation can be concluded but no longer than 45 calendar days from the receipt of the complaint.
2. Step 2:
   a. If the complainant is not satisfied with the response received at Step 1, s/he may submit the Discrimination Complaint Form to the Judicial Officer within 5 working days from receipt of the Step 1 response.
   b. The Judicial Officer shall meet with the complainant and any other parties deemed appropriate. The Officer shall review the complaint with the Executive Dean, Student Services, and issue a written response within 10 working days from receipt of the complaint at Step 2. Findings shall be reported to the Affirmative Action Officer.

3. Step 3:
   a. If the complainant is not satisfied with the response received at Step 2, s/he may submit the Discrimination Complaint form to the Executive Vice President, Academic Affairs within 5 working days from receipt of the Step 2 response. The Executive Vice President, Academic Affairs, or designee, may meet with the complainant or any other parties deemed appropriate. A written response shall be issued within 10 working days from receipt of the complaint at Step 3.

4. Step 4:
   a. If the complainant is not satisfied with the response received at Step 3, s/he may submit the Discrimination Complaint form to the President within 5 working days from receipt of the Step 3 response. The President, or designee, may meet with the complainant or any other parties deemed appropriate. A final written decision shall be issued within 10 working days from receipt of the complaint at Step 4.

C. Harassment Complaints
   1. If an individual believes s/he is being harassed on the basis of a protected status (e.g., sex, race, etc.), s/he should make his/her objections known to the alleged harasser. If this fails to stop the objectionable behavior, or if the individual is not comfortable confronting the alleged harasser, s/he should immediately bring the matter to the attention of the employee’s current supervisor, a College administrator, Ombudsperson, or the Judicial Officer.
   2. Harassment complaints may be filed formally (in writing on the Discrimination Complaint Form for Students) or informally (verbally). If an individual elects not to file a formal complaint, the College shall still be obligated to investigate the individual’s allegations.
   3. Arrangements shall be made if the complainant wishes to speak specifically to a male or female investigator.

D. All reported complaints shall be investigated.
   1. Investigators shall maintain the role of a neutral in the investigation process.
   2. Investigations shall be conducted in a thorough and objective manner to determine the facts. Investigations may involve the collection of data/evidence from third parties and witnesses.

E. Information related to a complaint shall be kept confidential to the maximum extent possible. Selected information, including the name of the reporting party, may be disclosed as deemed necessary by the person in charge of the investigation.
F. Time limits may be extended by written mutual agreement of the parties. If a complainant fails to proceed to the next step within the prescribed time limits, the complaint shall be considered closed based upon the last response. If the administration fails to respond within the prescribed time limits, the complainant may proceed to the next step.

G. The College expressly prohibits the intentional filing of a false discrimination claim. An intentional false claim is different from a claim where the conclusion is unfounded or of no eventual determination. Filing of a false discrimination claim may result in sanctions according to Student Conduct, Discipline and Appeals, ES 4630.

Confidentiality of Student Records/FERPA

(Educational Services Procedure 4600)

Des Moines Area Community College complies with the laws of the United States and the State of Iowa in the maintenance of, access to, and release of student records. All procedures conform to the Family Educational Rights and Privacy Act (FERPA).

A student has the right to inspect and review his/her educational records. The Student Records Office at DMACC has been designated by the institution to coordinate the inspection and review of such records. A student must make a written request to the Student Records Office. Only records covered by the Act will be made available within 45 days of the receipt of the written request. Educational records do not include: records of instructional, administrative and educational personnel, which are the sole possession of the maker and are not accessible or revealed to any individual except a temporary substitute; records of the Security Office; student health records; employment records; and alumni records. Health records, however, may be reviewed by physicians of the student’s choosing.

A student has the right to request and receive a response that explains or interprets his/her educational records.

A student may not inspect and review the following as outlined by the Act: financial information submitted by their parents; confidential letters and recommendations associated with admissions, employment or job placement, or honors to which they have waived their rights of inspection and review; or education records containing information about more than one student, in which case DMACC will permit access only to that part of the record that pertains to the inquiring student.

DMACC will not permit students to inspect and review confidential letters and recommendations placed in their files prior to January 1, 1975, provided those letters were collected under established policies of confidentiality and were used only for the purposes for which they were collected.
Students who believe that their educational records contain information that is inaccurate, misleading, or is otherwise in violation of their privacy or other rights may discuss their problems informally with the Registrar. The Registrar may agree to amend appropriate records. If not, the student will be notified within a reasonable period of time that the records will not be amended and will be informed by the Registrar of his/her right to a formal hearing.

Requests for a formal hearing must be made in writing to the Executive Dean of Student Services, who, within a reasonable period of time after receiving such written requests, will inform the student of the date, place and time of the hearing. Students may present evidence relevant to the issues raised and may be assisted or represented at the hearing by one or more persons of their choice, including attorneys at the student’s expense. The hearing panels, which will adjudicate such challenges, will contain five members from the staff of DMACC appointed by the Executive Dean of Student Services, who will ensure that the panel members have no vested interest in the outcome of the hearing.

Decisions of the hearing panels will be final, will be based solely on the evidence presented at the hearing, will consist of written statements summarizing the evidence and stating the reasons for the decisions, and will be delivered in writing to all parties concerned. If the decision is in favor of the student, the education records will be corrected or amended in accordance with the decision of the hearing panel. If the decision is unsatisfactory to the student, the student may place with the education records statements commenting on the information in the records or statements, setting forth any reasons for disagreeing with the decision of the hearing panel. The statements will be placed in the education records and released whenever the records in question are disclosed.

A student who believes that the adjudication of his/her challenge was unfair, or not in keeping with the provisions of the Act, may request in writing assistance from the Executive Vice President of Academic Affairs. Further, students who believe their rights have been abridged may file complaints with the Family Policy Compliance Office, U.S. Dept. of Education, 400 Maryland Avenue, SW, Washington, D.C. 20202-5901, concerning the alleged failure of DMACC to comply with the Act.

A student who wishes to have information about his/her educational record released or exchanged may 1) sign an Authorization for Release/Exchange of Information Form in the Student Record Office; 2) sign a comparable form, which may be provided in certain circumstances by the appropriate DMACC employee. At its discretion, DMACC may release Directory Information in accordance with provisions of the Act. DMACC considers the following items to be Directory Information: student name, address, telephone number, date and place of birth, major field of study, dates of attendance, degrees and awards received, previous educational agencies or institutions attended by the student, participation in officially recognized activities and sports, weight and height of members of athletic teams, email address, and photograph (DMACC Student ID Card).
Students may withhold Directory Information by notifying the Student Records Office in writing within the first two calendar weeks of any semester. (See Notification of Retention of Directory Information Form E5 4600.) Requests for nondisclosure will be honored by the institution for only one calendar year after the date of the written request; therefore, authorization to withhold Directory Information must be filed annually in the Student Records Office.

College officials who have access to student records in the course of performing their professional responsibilities shall not be permitted to release the record to persons outside the College, unless authorized in writing by the student or unless one of the following exceptions applies: 1) Records may be shared with school officials with “legitimate educational interests” defined as needing access to an educational record in order to fulfill his or her professional responsibilities. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including security personnel and the campus nurse); a person or company with whom the College has contracted (such as an attorney, auditor or collection agent); a person serving on the Board of Directors; members of an external accreditation committee; an employee at a high school where a DMACC student is also currently enrolled; an employee of a state/federal approving agency (including, but not limited to Department of Homeland Security and Student and Exchange Visitor Information System [SEVIS]); or a student serving on an official committee, such as the Petition for Policy Waiver Committee, College Review Board or College Judicial Hearing Board, or assisting another school official in performing his or her tasks; 2) Other schools to which a student is transferring; 3) Appropriate parties in connection with financial aid to a student; 4) Organizations conducting certain studies for or on behalf of the school; 5) To comply with a judicial order or lawfully issued subpoena; and 6) Appropriate officials and/or student’s emergency contact in cases of health and safety emergencies.

DMACC will maintain a record of access to a student’s education records. This record is accessible only to the student and the staff in the Student Records Office or as provided for in the Act. The record of access to educational records will not include references to personnel at DMACC or others who have a legitimate educational interest.

A student may request and receive copies of all or part of his/her educational records, with certain exceptions. For example, a student may not receive a copy of academic records for which a financial “hold” exists or a copy of a transcript from another institution. There will be a fee of $.10 per sheet for records that are copied.
Advisors for Students in Academic or Disciplinary Hearings
(Educational Services Procedure 4625)

Students who have been charged with violations of the academic or disciplinary policies may have up to two advisors (including legal counsel) present during a hearing. The advisor(s) may be a parent, legal counsel, friend or other individual of the student’s choosing, but may not be the student’s academic advisor or a Campus Ombudsperson. The student must sign an authorization for release of information giving the advisor(s) permission to hear the testimony and have access to written documentation discussed at the hearing that is normally a confidential part of the student’s educational record.

Des Moines Area Community College will make this procedure available to advisor(s) of students charged with violations of the academic or disciplinary procedures of the College, so that the roles and purposes of these proceedings will be clear to all participants.

The hearings conducted by the College Review Board and College Judicial Hearing Board are not quasi-judicial proceedings. Therefore, advisor(s) may be present (at the student’s expense) to advise the student, but may not actively participate by questioning witnesses, cross-examining witnesses or other participants, or formally addressing the hearing board. The role of the advisor(s) is to advise the student and assist the student in performing such questioning. The chairperson of the College Review Board or College Judicial Hearing Board will determine whether offered evidence is admissible.

Students who are involved in these hearings are provided with the complete policy and procedure statement of the College and should provide their advisor(s) with this information. An Ombudsperson is available on each campus for additional assistance. (See ES 4620 Ombudsperson Responsibilities Procedure.)

Ombudsperson Responsibilities
(Educational Services Procedure 4620)

The Campus Ombudsperson is an individual employed by the College to work with the students and instructors to provide information and support regarding institutional policies and procedures such as ES 4640 Student Complaints Concerning Faculty/Staff Actions, ES 4645 Discrimination Complaint Procedure for Students, ES 4650 Petition for Policy Waiver, and ES 4660 Appeal of Final Grade Procedure. The Ombudsperson seeks to maintain confidentiality, neutrality and independence. The Campus Ombudsperson is appointed by the administrator in charge of student services at each campus. A list of Ombudspersons and their contact information can be found on page 42.

Students and instructors seeking advice about the above policies and procedures are to be referred to the Campus Ombudsperson. It is the responsibility of the Campus Ombudsperson to explain relevant College policies, procedures and problem-solving alternatives. The Ombudsperson can also serve as an impartial and objective listener to help students and instructors evaluate problems and decide what action they want to take.
The Ombudsperson can gather information about a complaint in order to generate options for resolution. If a student decides to file an appeal, the Ombudsperson can provide suggestions on how to prepare and can review documentation for completeness. The Campus Ombudsperson cannot provide legal advice, render judgments, make decisions on complaints, or represent students or instructors in formal hearings. The Ombudsperson from the respective campus may attend the College Review Board meeting as an observer only to provide clarification of the proceedings to the student.

Appeal of Final Grades & College Review Board
(Educational Services Procedure 4660 & 4680)

The purpose of the Appeal Process for Final Grades is to provide the student with a safeguard against receiving an unfair final grade, while respecting the academic authority of the instructor. This procedure recognizes that every student has a right to receive a grade assigned upon a fair and unprejudiced evaluation based on a method that is neither arbitrary nor capricious. Furthermore, instructors have the right to assign a grade based on any method that is professionally acceptable, submitted in writing to all students and applied equally.

1. Assigning of final grades is the responsibility of the faculty member teaching the course. The faculty member is the person best qualified to judge the academic progress of the student enrolled in that course.

2. When a student believes he or she has received an incorrect final course grade, the student will first collect information about the course requirements to help in making an informed decision. Those sources of information will include 1) the course syllabus for the course objectives and instructor’s grading system and 2) an informal discussion with the instructor. Grade disputes can be resolved when the errors are computational, computer errors, misunderstandings in completion of assignments, or other easily resolved issues. This is an INFORMAL STEP in the process. Only if the instructor is no longer working at the College or is otherwise unavailable may the student proceed to appeal the final grade without discussing the matter with the instructor.

3. Students are to work with the Ombudsperson (See ES 4620) in working through the appeal process. The Ombudsperson assures that the student’s rights and procedures are understood by the student. The Ombudsperson’s signature is required on the form.

4. A student may submit a formal grade appeal when he/she believes that a final grade is unfair, arbitrary or capricious. However, the student bears the burden of providing verifiable evidence that there are sufficient grounds for changing a grade. The form must be submitted to the instructor within the first three (3) weeks of the next college term (an equivalent exception will be allowed for nonregularly reported grades).
5. To initiate an appeal, a student must complete the Appeal of Final Course Grade Form (Final Course Grade Appeal Form—ES 4660), which will include a detailed description of all relevant information and documentation in support of the appeal and the remedy sought. The form must be submitted to the instructor within the first three (3) weeks of the next college term (an equivalent exception will be allowed for nonregularly reported grades). The instructor will discuss the appeal with the student within five (5) full college class days following receipt of the appeal form; response to STEP ONE on the appeal form will be made to the student within five (5) full college class days of date of this meeting. The original copy of the appeal form will be returned to the student.

6. If resolution of the appeal cannot be made with the instructor, the student may submit the original copy of the appeal to the chairperson/group leader/director within five (5) full college class days of notification of the instructor's decision. The chairperson/group leader/director will discuss the appeal with the student and instructor within five (5) full college class days following receipt of the appeal form; response to STEP TWO on the appeal form will be made to the student within five (5) full college class days of the date of this meeting. The original copy of the appeal form will be returned to the student.

7. If resolution of the appeal cannot be made with the chairperson/group leader/director, the student may submit the original copy of the appeal to the academic dean/provost within five (5) full college class days of notification of the chairperson/group leader/director's decision. The academic dean/provost will discuss the appeal with the student, instructor and chairperson/group leader/director within five (5) full college class days following receipt of the appeal form, and response to STEP THREE on the appeal form will be made to the student within five (5) full college class days of the date of this meeting. The original copy of the appeal form will be returned to the student.

8. If resolution of the appeal cannot be made with the academic dean/provost, the student may submit the original copy of the appeal to the Chairperson of College Review Board within five (5) full college class days of notification of the academic dean's/provost's decision. The academic dean/provost will inform the student of this right. The academic dean/provost will also certify to the Chairperson of the College Review Board that the steps in the grade appeal have been fulfilled and will forward a copy of all actions taken up to this point in the appeals process. The hearing will be held within five (5) full college class days of receipt of the student's original appeal form, and response to STEP FOUR on the appeal form will be made to the student within five (5) full college class days of the date of this meeting.

9. The College Review Board will reach one of the following decisions:
   A. The College Review Board may reach a resolution that is mutually acceptable to the student and the instructor who issued the grade or sanction. Should the acceptable conciliation involve a grade change, the instructor will submit a change of grade form.
   B. The College Review Board may determine that it would be unjust to allow the original grade or sanction to stand. The new grade may be higher than, the same as, or lower than the original grade. The Chairperson of the College Review Board and three members from the College Review Board will sign and submit the change of grade form to the Registrar.
C. The College Review Board may determine that the original grade or sanction stands.

10. Decisions reached and implemented by the College Review Board are final and binding on all parties.

11. The instructor and student will be advised in writing of the College Review Board decision.

12. Under no circumstance may persons other than the original faculty member or the College Review Board change a grade.

13. The original copy of the appeal form will be returned to the student.

14. If any timelines are not met by college personnel, the appeal automatically goes to the next higher level. If timelines are not met by the student, the appeal process is cancelled.

15. College Review Board Procedures:
   A. The College Review Board shall hear and receive evidence regarding the appeal of final grades. The College Review Board shall hear all testimony relevant to the appeal. The College Review Board has the final authority to make determinations regarding the appeal of final grades.
   B. Throughout the process, the student must consult with the Campus Ombudsperson. The role of the Ombudsperson is defined in ES 4620 Ombudsperson Responsibilities.
   C. The College Review Board will be comprised of the following voting members: the Chairperson of the College Review Board, as appointed by the Executive Vice President of Academic Affairs or his/her designee; one student representative from each campus appointed by the Student Activities Council President and approved by the Student Activities Council (SAC); one faculty/staff member from each campus as appointed by the Provost or his/her designee for each respective campus from a preselected trained pool, and approved by the Executive Vice President of Academic Affairs or his/her designee for the Ankeny Campus; and the appropriate Campus Ombudsperson, who will serve as an ex-officio member.
   D. A quorum shall consist of seven (7) members of which two shall be students and two shall be faculty/staff. The Chairperson shall vote only in the event of a tie.
   E. In the event that the SAC president has not appointed student members, the Campus Coordinator of Student Activities may appoint the student representative.
   F. The Chairperson will appoint a substitute for any member when a conflict of interest disqualifies the board member from participating. A conflict of interest exists when a member of the College Review Board is a complaining or defending party to the incident involved or in any other way has a vested interest in the outcome of the hearing.
   G. The student has the following rights at a hearing: (1) to present his or her side of the story, (2) to present witnesses and evidence on his or her behalf, (3) to ask questions of witnesses presenting evidence against the student, and (4) to be accompanied by up to two advisors (at the student’s expense) as defined in ES 4625 Advisors for Students in Academic or Disciplinary Hearings.
H. During deliberation, only voting members, the Chairperson and the Campus Ombudsperson may attend.

I. The College Review Board will reach one of the following decisions:
   a. The College Review Board may reach a resolution that is mutually acceptable to the student and the instructor who issued the grade. Should the acceptable conciliation involve a grade change, the instructor will submit a change of grade form.
   b. Based on information presented in the hearing, the College Review Board may determine that a change of grade is warranted. The new grade may be higher than, the same as, or lower than the original grade. The College Review Board may request that the instructor submit a change of grade form. If the instructor is absent or unwilling to submit the change of grade form, then the Chairperson and three board members will sign and submit the change of grade form to the Registrar.
   c. The College Review Board may determine that the original grade stands.

J. Decisions reached and implemented by the College Review Board are final and binding on all parties.

K. The instructor and student will be advised in writing of the College Review Board decision.

L. As an outcome of the College Review Board hearing, under no circumstances may an individual other than the original faculty member or the College Review Board change a grade.

M. The original copy of the appeal form will be returned to the student.

N. If any timelines are not met by college personnel, the appeal automatically goes to the next higher level. If timelines are not met by the student, the appeal process is canceled.

Interim Suspension: The Executive Dean for Student Services, Provost/Dean or Judicial Officer may take immediate interim action when the student’s continued presence may constitute a significant danger to the student, others or College property by suspending the student from class(es), clinical site, attendance centers or any College facility; denying the student privileges and the ability to participate in activities and/or altering the status of a student for a violation of a provision of DMACC Student Code of Conduct and informing the student of such action and the procedures to be followed pursuant to Investigation and Charge Procedures for Alleged Violations of Student Conduct and Hearing Procedures for Alleged Violations of Student Conduct.

1. The alleged violation and removal must be immediately reported by the faculty/staff member in writing to the Provost/Dean or Executive Dean for Student Services, who will review the allegation, contact the Judicial Officer, and then initiate disciplinary actions as set forth in these procedures.

2. Appeal of Interim Suspension: The student will meet with the administrator who issued the interim suspension no longer than three business days after the interim suspension was issued, who will take one of the following actions:
   a. Dismiss the allegation; OR
   b. Proceed with formal hearing procedures as set forth in this policy.

3. Reinstatement: If the suspended student receives a favorable appeal or favorable hearing, the student shall be permitted to make up class work required for satisfactory completion of a course or courses begun prior to the beginning of the disciplinary process.

HEARING PROCEDURES FOR ALLEGED VIOLATIONS OF STUDENT CONDUCT

Alleged violations of a minor nature (do not warrant suspension) will be adjudicated in a disciplinary conference between the Provost/Dean or Judicial Officer and the student. No other witnesses will be present.

1. The Provost/Dean or Judicial Officer shall send to the student involved a Notice of Charge/Hearing.
   a. The Notice of Charge/Hearing details the alleged violations of the student conduct code, a summary of the alleged misconduct, the student’s rights, the time and date of a hearing, and a copy of the Student Conduct, Discipline and Appeals Procedure ES 4630.
   b. The Notice of Charge/Hearing shall be sent by registered mail to the student’s last known address or delivered in person with receipt acknowledged in writing by the student.
c. If the student charged cannot appear at the time specified, the student must contact the Dean/Provost or Judicial Officer at least two (2) business days before the hearing is scheduled to arrange a different time for the hearing.

2. If the student has not contacted the Provost/Dean or Judicial Officer and/or does not appear at the hearing, the Provost/Dean or Judicial Officer may make a decision of responsibility or nonresponsibility and the sanction.

3. At the disciplinary conference, the Provost/Dean or Judicial Officer will review the charges, evidence and student’s rights with the student. The student will have an opportunity to present any evidence or testimony on their behalf.

4. After reviewing the evidence and hearing from the student, the Provost/Dean or Judicial Officer will determine if the student is responsible or not responsible for the alleged violation.

5. Any student who is found to have violated a regulation governing student conduct will be subject to the following sanctions:
   a. Reprimand. Written censure by the College. This written warning serves to remind the student that further violation of the student conduct code may result in more serious sanctions. Early Warning Referral and Student Action Report conferences are examples of sanctions of reprimand. A record of the disciplinary action is kept in the student’s disciplinary file.
   b. Restitution. Reimbursement for damage to or appropriation of Des Moines Area Community College property. Written notice will be sent to the student, requiring restitution when the student has damaged or misappropriated Des Moines Area Community College property. Reimbursement may take the form of appropriate service to repair or compensate for damages.

The Provost/Dean or Judicial Officer’s decision as to whether a student responsible for a student conduct violation and the appropriate sanction, if any, will be sent to the student within five business days by registered mail at the last known address provided by the student to the institution. This letter will include the reasoning by which the decision was reached. The action is effective upon the date the notification was written. A copy of the letter will be placed in the student’s disciplinary file maintained by the Judicial Officer. Students have the right to appeal this decision as described in Appeal Procedures.

2. If the student has not contacted the Judicial Officer and/or does not appear at the hearing, the College Judicial Review Board may make a decision of responsibility or nonresponsibility and the sanction.

3. The College Judicial Hearing Board will be comprised of five members (two faculty members, a student and two staff representatives). The board will hear all evidence in the case including witness testimony and documentation and make a decision as to whether the student is responsible or not responsible for the alleged violation and determine an appropriate sanction.

4. Each campus will have at least six trained members to serve on the College Judicial Hearing Board. Members will be appointed by the campus Provost and will serve for a term of three years.

7. The hearing will be recorded and a copy of the recording will be maintained for a period of five years. The recording will remain the property of the College.

8. The Chair shall call witnesses and ask the Provost/Dean or Judicial Officer to provide an oral summary of the written testimony and witnesses in support of the student conduct violation. The student may then share information, which may include written testimony and witnesses in his or her behalf.

9. The student charged has the following rights at a hearing: Right to due process; Right to a hearing; Right to notice of allegations and summary of facts in the case; Right to have up to two advisor(s) present during the hearing; Right to attend the hearing and present on your behalf; Right to refuse to participate in the hearing; Right to present summary of case from their viewpoint; Right to present documentary, testimonial or physical evidence; Right to call witnesses who have a direct bearing on the case; Right to the College Judicial Hearing Board’s decision based on the evidence presented at the hearing and evaluated by the standard of preponderance of the evidence; Right to be notified of the final decision of the hearing; Right to appeal the final decision.

A copy of the letter will be placed in the student’s disciplinary file maintained by the Judicial Officer.

13. Any student who is found to have violated a regulation governing student conduct will be subject to the following sanctions:

   a. Reprimand. Written censure by the College. This written warning serves to remind the student that further violation of the student conduct code may result in more serious sanctions. A record of the disciplinary action is kept in the student’s disciplinary file.

   b. Restitution. Reimbursement for damage to or appropriation of Des Moines Area Community College property. Written notice will be sent to the student requiring restitution when the student has damaged or misappropriated Des Moines Area Community College property. Reimbursement may take the form of appropriate service to repair or compensate for damages.

Re-enrollment Requirements: A requirement to meet with the Executive Dean of Student Services and a designated group of College personnel and/or provide appropriate documentation relevant to the violation to demonstrate the student’s readiness to return to the College prior to re-enrolling in courses at the institution. The College administrator will have the discretion to determine if the student can be re-enrolled at the institution following the suspension period imposed by the College Judicial Hearing Board or if the suspension will be extended. A student may appeal this decision using the established procedures in Appeal Procedures.

g. Suspension from the College or Certain Courses for a Specified Period. Suspension can be from a class, specific number of classes, program or a campus. The privilege of readmission may depend on the fulfillment of certain conditions imposed by the College and/or the program. A suspended student may be prohibited from appearing on the campus, at attendance centers, at off-campus classes at cooperating agencies, or any activity sponsored by the College.

h. A recommendation for expulsion (see Expulsion below).

APPEAL PROCEDURES

A. The student may appeal the decision of a Provost/Dean, Judicial Officer or College Judicial Hearing Board. Appeals by the student must be made in writing and delivered to the Executive Vice President of Academic Affairs (or designee) (Appellate Officer) within ten (10) business days of receiving the decision. The notice of appeal shall contain the student’s name, the date of the decision or action and reasons for appeal. The following constitute reasons for an appeal:

1. The student’s due process rights were substantially violated in the hearing process.
2. There was not substantial evidence to support the decisions reached.
3. There is new material evidence that could not have been discovered at the time of the hearing.
4. The sanctions imposed were too severe or not appropriate for the violation.

B. Failure to appeal or comply with appeal procedures will render the original decision final. In the event of extenuating circumstances, an extension in time may be requested by submitting a written request to the Executive Vice President of Academic Affairs (or designee), stating good reasons for the request of additional time.

C. Any sanction imposed as the result of a Disciplinary Conference or College Judicial Board Hearing will remain in effect during the process of appeal. The Appellate Officer has the authority, under extenuating circumstances, to defer the imposed sanction while the appeal is in process.

D. The Appellate Officer shall review the case file and if available, the tape recording of the hearing. The Appellate Officer may then ask to meet with each party for a short oral summary of the arguments. The Appellate Officer may do one of the following: Affirm the original decision; Reverse the decision by finding no violation occurred; Remand the case for a new hearing; Remand the case for consideration of new evidence; Reduce the sanction.

E. The Appellate Officer’s decision and reasons for the decision will be delivered to the student and the Judicial Officer by registered mail to the student’s last known address within five business days of the receipt of the appeal.

F. The Appellate Officer’s decision is the final decision of the College.

EXPULSION

The Executive Dean of Student Services or College Judicial Hearing Board may recommend expulsion to the Board of Directors. In that event, the College shall serve the student with Notice of Charges and schedule the matter for hearing before the Board of Directors.
DISCIPLINARY RECORDS

If disciplinary action is taken against a student under the procedures outlined above, and a sanction imposed, a record of the action including a copy of the Student Conduct/Discipline Report Form, Notice of Hearing Letter, and Decision will be placed in the student’s disciplinary file maintained by the Judicial Officer.

If the student is suspended or expelled from DMACC, a notation will be placed on the student’s transcript for the entire term of the student’s suspension indicating that the student is suspended due to disciplinary action.

Academic Misconduct

(Educational Services Procedure 4670)

THE FOLLOWING ACTS BY STUDENTS ARE PROHIBITED:

1. Engaging in any form of plagiarism, which is defined as the appropriation of and use of another person’s writing, and passing it off as the product of one’s own efforts, or copying any work and submitting it as original work.

2. Falsifying with respect to any examination, paper, project, application, recommendation, transcript or test, or by any dishonest means whatsoever, or by aiding or abetting another student to do so.

3. Using materials or collaborating with another person (or persons) during a test or other assignments without authorization.

4. Substituting for another student, or permitting another person to substitute for oneself, to take an examination, course or test, or to provide the work for any assigned project.

5. The acquisition of grades, academic credits, degrees, honors, awards, certification or professional endorsements by means of cheating.

6. Failing to comply with the policies of the student’s program or department stated in College publications.

INVESTIGATION AND CHARGE PROCEDURE FOR ALLEGED VIOLATIONS OF ACADEMIC MISCONDUCT

An instructor who believes a student has violated the Academic Misconduct Policy should complete an Academic Misconduct Report Form, attach all documentation used to come to this conclusion (course syllabus, assignment, test, quiz, source of plagiarized material, etc.), and send a copy to the Dean/Provost Judicial Officer, and to the student.

The originator must make a good faith effort to communicate with the student to provide him/her an opportunity to respond to the charges. The instructor should communicate to the student the sanction to be imposed. If the student is unavailable, the instructor should indicate the reason in Part 4 and document the sanction on the Academic Misconduct Report Form.

If the student admits responsibility for the violation, the student should indicate that by checking option one (1) on Academic Misconduct Report Form in Part 4. If the student does not agree with the proposed sanction or denies responsibility for the alleged violation by checking option two (2) or three (3) on Academic Misconduct Report Form in Part 4, the instructor, Dean/Provost or Judicial Officer
should provide the student with Student Instructions for Completion of Appeal of Academic Misconduct Allegations Form and the Appeal of Academic Misconduct Allegation Form to be submitted by the student to the Judicial Officer within 10 (ten) business days of receipt of the Academic Misconduct Report Form. No sanctions can be imposed until responsibility is determined; however, if extenuating circumstances exist, a temporary grade can be issued by the instructor. See Appeal Procedures for additional information.

SANCTIONS
The instructor may reduce the student’s grade, including the assignment of a failing grade (F) for all or any portion of the course.

Sanctions may only be imposed after the student has accepted responsibility for the alleged violation of Academic Misconduct, the student has been found responsible by the College Judicial Hearing Board, or if the student is unavailable to respond to the alleged violations.

Based on information presented in the hearing, the College Judicial Hearing Board may determine that a change of grade is warranted or they may determine that the original grade stands. The new grade may be higher than, the same as or lower than the original grade. The College Judicial Hearing Board may request that the instructor submit a change of grade form. If the instructor is absent or unwilling to submit the change of grade form, then the Chairperson and three board members will sign and submit the change of grade form to the Registrar.

An accused student has the option to stay in the course or drop the course within the approved time period as described in policy ES 4554 Registration Status Procedure. A student who has been found responsible for Academic Misconduct and has received the sanction of a failing grade in the course will not be permitted to withdraw from the course. A student who chooses to withdraw before the outcome of a College Judicial Hearing Board will be permitted to withdraw, but will be placed back into the course by the Registrar if he or she is found responsible and the instructor imposes a failing grade for the course.

Violations of the Academic Misconduct Policy are also in violation of ES 4630 Student Conduct, Discipline and Appeals Procedure. The Judicial Officer will review Academic Misconduct Reports and may choose to file charges according to ES 4630. Such sanctions may include reprimand, restitution, conduct probation, educational sanctions, suspension or termination of the use of College property, resources or activities, suspension from the College or certain courses for a specified period, or a recommendation for expulsion from the College.

APPEAL PROCEDURES
Students have the right to appeal an alleged violation of Academic Misconduct and/or a sanction they believe is unjust for academic misconduct.

If the student believes he or she is not responsible for an alleged violation of academic misconduct, he or she may appeal to the College Judicial Hearing Board by completing an Appeal of Academic Misconduct Allegation Form and submitting it to the Judicial Officer within 10 (ten) business days of receipt of the Academic Misconduct Report Form. Failure to submit an appeal form within the scheduled time period will result in the sanction being imposed. The College Judicial Hearing Board comprised of five members (two faculty, a student and two staff
representatives) will hear all evidence in the case including witness testimony and documentation and will make a decision about whether the student is responsible or not responsible for a violation of academic misconduct.

If the student is found responsible, the instructor’s sanction will be imposed and the board has discretion to impose additional sanctions outlined in ES 4630 Student Conduct, Discipline and Appeals Procedure. Details about the College Judicial Hearing Board’s procedures are found in ES 4630. The student may appeal the College Judicial Hearing Board’s decision to the Executive Vice President of Academic Affairs using the procedures in ES 4630. A copy of the hearing board’s decision will be mailed to the student by registered mail at the last known address provided to the College by the student.

If the student is not satisfied with the College Judicial Hearing Board’s decision, the student may appeal to the Vice President of Academic Affairs (or designee) within 10 (ten) business days of receiving the decision. The student must complete the Appeal of Academic Misconduct Allegation Form and submit it to the Judicial Officer within 10 (ten) business days of the date the sanction was imposed. The appeal procedures are outlined in ES 4630 Student Conduct, Discipline and Appeals Procedure.

The Judicial Officer will meet with the student to discuss the hearing process and review the student’s rights at the hearing listed in ES 4630 Student Conduct, Discipline and Appeals Procedure.

**Petition for Policy Waiver**
*Educational Services Procedure 4650*

A student who feels extenuating circumstances prevent compliance with the established dates for drop, add or tuition refund may ask for special consideration by completing a PETITION FOR POLICY WAIVER form (Form ES 4650). The petition may be obtained from the DMACC web page at [www.dmacc.edu/student_services/policies_procedures.asp](http://www.dmacc.edu/student_services/policies_procedures.asp) and submitted to the Registrar’s Office (Ankeny) or the Student Services Office (all other campuses). Students are required to work with the Campus Ombudsperson, who can explain the petition procedures and ensure the students’ rights are understood by the student. Petitions shall be submitted no later than the end of the semester immediately following the semester for which the student is petitioning.

A. Issues addressed by Petition for Policy Waiver Committee:

1. A student who wishes to add a course after the last day to drop classes for the term must, in addition to obtaining approval of the course instructor per ES 4554 Registration Status Procedure, also obtain the approval of the Petition for Policy Waiver Committee through submission of a petition.

2. A student who wishes to drop a course after the published drop deadline must obtain approval of the Petition for Policy Waiver Committee through submission of a petition.

3. A student who drops a course and wishes to receive a tuition refund larger than the normally calculated refund must obtain the approval of the committee through submission of a petition.

B. It is the responsibility of the student to provide the Committee with appropriate documentation outlining the details of petition. Supporting documentation
specifying relevant details, (e.g., onset, treatment, and release dates for medical issues and obituary for family deaths) must accompany the PETITION FOR POLICY WAIVER form (Form ES 4650).

C. A committee comprised of the Registrar, Director of Financial Aid, Supervisor of Student Accounts, student member nominated by the Student Activities Council or the Executive Dean of Student Services and a faculty representative (or their designee) will review all evidence. Each member will exercise one vote in determining the validity of the claim. The committee's decision will be communicated in writing to the student and the Ombudsperson who assisted the student. Other college personnel may assist with the investigation and may be asked to participate in the committee as ad hoc, nonvoting participants. Campus Ombudspersons may also attend the Petition for Policy Waiver Committee meetings as nonvoting participants.

D. If the Committee determines that the petition would be more appropriately dealt with under the ES 4630 Student Conduct, Discipline and Appeals Procedure, a voting member of the Petition for Policy Waiver Committee will provide the student with a copy of the procedure and refer the student to the appropriate Campus Ombudsperson.

E. If the petition involves alleged discrimination, a voting member of the Petition for Policy Waiver Committee shall provide the student with a copy of ES 4645 Discrimination Complaint for Students and refer the student to the Campus Ombudsperson, the campus Dean/Provost’s Office, or the Judicial Officer.

F. If the petition alleges disputes between the student and instructor(s), a voting member of the Petition for Policy Waiver Committee will refer the student to the Campus Ombudsperson for assistance in filing an appropriate procedure.

G. If the student seeks an administrative withdrawal due to medical or mental health conditions or if the Committee believes that may be warranted, the petition will be referred to the Executive Dean of Students and procedures outlined in ES 4520 Administrative Withdrawal will be followed.

H. If the student’s petition has not been approved, the student may request further committee consideration if the student presents new or not previously submitted information or documentation. This information or documentation must be presented in writing within 10 (ten) working days of the initial petition denial. A student may request Committee reconsideration one time. After further consideration, the decision will be communicated to the student in writing. This is the final level of appeal.

Technology Usage Policy
(Information Technology Procedure 6100)

Technology resources and usage may be described as all College-owned print and electronic media and services including, but not limited to: computers, printers, modems, email communications, DMACC web content, wireless connections and fax transmissions. Personal equipment connected to the DMACC network is also subject to this procedure.

As a public learning institution financed and supported by public funds, it is incumbent upon the College to ensure that its technology resources are responsibly and effectively maintained and used by all persons affiliated with DMACC. Such persons
include credit and noncredit DMACC students, faculty, staff, student employees, alumni, DMACC Pioneers, and guests at the institution who will be referred throughout this procedure as DMACC technology users—or simply “Users.”

Students are provided 2 GB of network storage space on a designated P Drive. Students’ efforts to comply with this limit will benefit all network users. Accounts that exceed this limit will be contacted by the network administrator and will be asked to take steps to return to the 2 GB limit. Accounts that are not returned to 2 GB by the stated date are subject to possible removal of data at the discretion of the network administrator.

STATEMENT OF GENERAL EXPECTATIONS

All DMACC technology users must abide by applicable federal and state laws and regulations regarding technology usage, as well as existing College policies and procedures. Paramount to DMACC’s mission as an institution of higher learning, DMACC values academic freedom and academic achievement. Technology resource users are expected to:

A. Use technology in a manner consistent with federal, state and local laws.

B. Support an educational environment free from harassment and discrimination as described in institutional Harassment and Discrimination procedures (HR 3005 and 3010; ES 4645).

C. Use technology resources appropriately so as to not interfere with the educational mission of the institution or the daily business of the College.

D. Be aware of and employ security practices to prevent unauthorized access to their computers, accounts and/or personal identification numbers (PIN). This would include logging off from the computer following usage, avoiding sharing PIN and other passwords, and using insecure methods for sharing, storing or transferring information.

E. Use technology resources consistent with other institutional policies.

F. Assist in maintaining and enhancing the integrity of DMACC technology resources by taking measures to support the security and privacy of computer networks.

G. Report any systems interference, technological performance problem, or damage to equipment to the Help Desk or the computer lab supervisor on duty.

PROHIBITED CONDUCT

A. Disrupting access of students, faculty or staff members to technological resources.

B. Obtaining and/or gaining unauthorized access to College computer systems or an account belonging to another individual.

C. Using technological equipment to interfere with the lawful rights of others by such activities as falsifying or altering records or software, creating fraudulent documents, damaging programs belonging to the College or another individual.
D. Sending harassing, threatening material or information to another individual.
E. Violating license agreements, copyrights or intellectual property rights including copyright, patents, etc., by copying, distributing or publishing intellectual property.
F. Permitting other persons—whether DMACC users or unauthorized users—to use a DMACC user’s accounts, passwords or access codes.
G. Theft of DMACC hardware or software.
H. Inappropriate or malicious use of technology resources including attempts to alter, erase, damage or intercept technological data or programs that are the property of DMACC or DMACC users.

SECURITY AND PRIVACY
Security of technology resources is of the utmost importance—all users are expected to cooperate in maintaining and enhancing the integrity of these resources. The College reserves the right to inspect or monitor technology resources under its control, and to take appropriate action when there is reason to believe that a user has violated established policies. Every effort shall be made to protect the Constitutional rights of all DMACC technology users.

The College does not endorse the casual review of electronic communication and storage. However, users should be aware that their uses of DMACC information technology shall have no guarantee of privacy. Technology resources are considered property of the College and DMACC may initiate inspections or monitoring of information resources if it is deemed to be in the best interest of the College. DMACC may also be required to initiate inspections or monitoring if subject to subpoena or other legal requirements.

PERSONAL USE OF DMACC TECHNOLOGY
Personal use of DMACC technology by all DMACC technology users must be viewed in the context of the College’s academic mission. Usage preference shall be granted to users who are engaged in academic or work-related activity (as opposed to recreational usage) and should adhere to the following guidelines:
A. Users engage in no activity that harms the performance of technology, damages or defaces equipment, or knowingly exceeds the design parameters of the equipment, building or work facility.
B. Priority in student computer labs is given to users for the completion of academic activities.

ENFORCEMENT OF TECHNOLOGY USAGE POLICY
A. Interim Response: DMACC Information Technology personnel may temporarily disable an account or service to an individual when there is reason to believe an alleged violation of the Technology Usage Policy is believed to have occurred. This may happen when one of the alleged violations:
1. Violates federal, state or local law;
2. Could result in damage or interference with official College business; and/or
3. Could result in liability for the College.
B. Disciplinary Action: A student who is believed to have violated the Technology Usage Policy may be charged with a violation of the Student Conduct Code according to the Student Conduct, Discipline and Appeals Procedure, ES 4630.

**Clery Act Annual Security Report**

In 1991, the U.S. Congress passed the Student Right-to-Know and the Campus Security Act, which requires colleges to report the three previous years of statistics on murder, robbery, sex offenses, aggravated assault, burglary and motor vehicle theft, and statistics on arrests for drug and alcohol violations and weapons violations. In 1998, Congress passed an amendment renaming the act the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act and required that all crimes motivated by hate or bias be included in the statistics. DMACC recognizes the importance of maintaining a safe and secure learning environment. Dispute Resolution/General Complaints

(Educational Services Procedure 4640)

Students may file a General Complaint if they feel they have been mistreated by a staff member, if departmental policies and procedures are unclearly written or
inconsistently applied, or if a student has extenuating circumstances that may directly affect the educational process. A General Complaint cannot be filed regarding final grades, discrimination or sexual harassment (see Appeal of Final Grades Procedure, ES 4660 or Academic Misconduct, ES 4670).

If the complaint about the faculty or other staff member is one of discrimination, including harassment, based on sex, age, race, religion, national origin, sexual orientation, color, creed or disability, the student should contact the Campus Ombudsperson, the campus Dean/Provost’s Office or the Judicial Officer regarding the Discrimination Complaint Procedures for Students ES 4645.

**Procedure**

A. Student complaints concerning actions of faculty/staff members are pursued first through informal mechanisms.

1. The student should first attempt to resolve the issue with the faculty/staff member involved.

2. If this contact does not result in a satisfactory outcome, the student should follow the established chain of command (e.g., program chair, group leader, director, dean or provost) within the appropriate department of the College.

3. Students who have concerns with individual faculty/staff members are required to contact the Ombudsperson on their respective campus for suggestions, support and procedures for dealing with complaints against the faculty/staff person. The Ombudsperson’s signature is required on the General Complaint Form (ES 4640).

B. General Complaint Procedure

1. A General Complaint will be limited to concerns about classroom management, classroom procedures, departmental policies or College policies.

2. To initiate a complaint, the student must complete the General Complaint Form.

3. Students are to work with the Ombudsperson in working through the complaint process. The Ombudsperson has the responsibility of assuring that the student’s rights and complaint procedures are understood by the student. This form must be submitted to the faculty/staff member within 21 (twenty-one) calendar days of the event.

4. The faculty/staff member to whom the general complaint has been directed has seven (7) calendar days to respond to the complaint. The faculty/staff member must respond in writing at Step One of the General Complaint Form. The original copy of the complaint form will be returned to the student.

5. If the complaint cannot be resolved at Step One, the student must submit the original General Complaint Form that includes the Step One signature within seven (7) calendar days to the next appropriate Supervisor/Chairperson/Group Leader/Director. The Supervisor/Chairperson/Group Leader/Director will discuss the complaint with the student and faculty/staff member within seven (7) calendar days following receipt of the written complaint. A written response will be made to the student and faculty/staff member by completing the information on Step Two of the General Complaint Form within seven (7) calendar days of the date of the decision. The original copy of the complaint form will be returned to the student.
6. If the complaint cannot be resolved at Step Two, the student may submit the complaint in writing on the General Complaint Form that includes the Step Two signature within seven (7) calendar days of the receipt of the Step Two decision to the appropriate dean or provost. The dean or provost will discuss the complaint with the student and faculty/staff member within seven (7) calendar days following receipt of the written complaint, and a written response will be made to the student and faculty/staff member by completing the information on Step Three of the General Complaint Form within seven (7) calendar days of the date of the decision. The original copy of the complaint form will be returned to the student.

7. If the complaint cannot be resolved at Step Three, the student may proceed to Step Four, which is the final step, by submitting the complaint in writing on the General Complaint Form, which includes the Step Three signature, within seven (7) calendar days of the receipt of the Step Three decision to the appropriate Vice President. The Vice President will discuss the complaint with the student and faculty/staff member within seven (7) calendar days following receipt of a written complaint, and a written response will be made to the student and faculty/staff member by completing the information on Step Four of the General Complaint Form within seven (7) calendar days of the date of the decision. The original copy of the complaint form will be returned to the student, and the final form will be sent back to the Step Two decision-maker. This is the final level of the appeal process.

8. Time Limits. If any time limits are not met by the College personnel, the complaint automatically goes to the next higher level. If time limits are not met by the student, the complaint is cancelled.

9. Records of Complaints. All records connected with a student General Complaint will be maintained by College personnel in a separate file at the “step” where resolution of the complaint was accomplished and a complete copy forwarded to the office of the Executive Dean of Student Services. This will not become part of the student’s academic record.

Parking & Traffic Regulations
Parking regulations apply at all DMACC campuses. The registered holder of a parking permit, regardless of who drives the vehicle, is responsible for that motor vehicle complying with all regulations. Violating parking regulations will result in fines. Vehicle operators who have four or more outstanding unpaid violations will have a warning of future denial letter attached to the vehicle. Operators will have three days to make payment before a letter of denial is attached to the vehicle and the car removed from campus at the operator’s expense until all fines have been paid. Parking tickets may be appealed in writing, within 10 student contact days from date of issuance, on the appropriate form provided in the Physical Plant Office, Building 12, on the Ankeny Campus or in the Business Offices at all other campuses.

Ankeny, Boone, Newton Campuses: Parking permits are required for all vehicles driven by daytime students. Stickers and Parking Regulations are available at no charge from the Security Office in Building 12 and at the Information Desk in Building 1 on the Ankeny Campus, and at the Business Office on the Boone and Newton Campuses. Evening and Saturday students are not required to register their vehicles unless parked on the campuses during daytime hours, Monday through Friday.

DMACC STUDENT HANDBOOK

Effective July 1, 2008, violators of the Iowa Smoke-Free Air Act (H.F. 2212) may be fined $50.00 for noncompliance as outlined in Iowa Code 142D.9 and ES 4635.

Students are prohibited from having weapons and firearms on campus except for current or retired licensed law enforcement professionals with a current permit who may carry concealed weapons while on campus; this does not apply to current or retired military personnel.

Cellular Phone Use
Cellular phone users should be respectful of others by following the guidelines outlined below.

• Turn cellular phone ringer off or set to ‘silent’ upon entering any classroom, computer lab, library, office or auditorium.
• Short, quiet cellular phone conversations may take place in corridors, away from doorways. Please move extended conversations outside of the building.
• Move immediately to a hallway when placing or receiving calls.
• Be courteous to others by keeping a low volume voice.
• Cell phones with picture-taking capabilities are not allowed in changing rooms or locker rooms. Individuals wishing to take photos in any recreation facility must have DMACC permission first.
• Faculty members have the right to limit the use of cell phones in their classrooms.

Animals
No animals, with the exception of service animals, are allowed on campuses or attendance centers or at College-sponsored events. A person with a service animal is advised to contact the Disability Services Coordinator and complete an Application for Accommodation.
