REGISTRATION TIPS

- Review the course requirements for the specific degree program listed on the Program Information Brief.
- Contact an advisor or program instructor with any questions or problems. If the courses for the program are listed semester by semester, follow that sequence as closely as possible.
- Review test scores (ACT/SAT scores or COMPASS scores), high school grades and relevant College courses to help determine the level of classes in which to begin. Be honest about academic abilities and schedule College preparatory courses if necessary. Remember, College preparatory courses are designed to help increase skills in English, mathematics, and reading, not fulfill required or elective course requirements.
- Plan on a minimum of two hours of study time for each hour spent in class.
- Write down the classes needed or desired for the semester. Plan a schedule to achieve a balanced course load. It is best to fill class schedules with a variety of subjects in order to avoid overloading in one subject area or overloading with classes requiring a lot of reading. For example, a student may choose to register for a math class, an English class, a psychology class and an interesting elective class.
- Refer to the Course Descriptions in the catalog to make sure all prerequisites have been met.
- Check the online Credit Schedule to determine which classes are available and how many sections are being offered for each relevant class.
- Start with the classes that have the fewest sections being offered, and work around those while planning class schedules. Then fit in the classes with the most sections being offered.
- Students can register for classes on the Web Info System, in person, by phone or fax.

PART-OF-TERM

Part-of-Term is defined as the portion of the semester in which a class meets. Each course is assigned a Part-of-Term, based on the start and end date of the course.

The first Part-of-Term meets for 15 weeks during the Fall and Spring semesters and 10 weeks during the Summer term. Other courses are assigned to other parts-of-term with start and end dates usually falling within the larger semester. Most courses are in Part-of-Term one. Deadlines for adding, dropping and tuition refunds are adjusted according to the Part-of-Term. Specific dates may be found in the Credit Schedule or at www.dmacc.edu/students/academiccalendar.asp.

COURSE LOAD

When planning class schedules and deciding on the number of classes to take, it is important to consider individual abilities, work obligations, family obligations and commitments to other outside activities. During the Fall or Spring semesters, a course load of 12 credits or more is considered full-time; during the Summer term, eight credits is considered full-time.

COURSE/PROGRAM CHANGES

ADDING A COURSE: Students may add a credit course through the first five days of a full-length semester. Students who add courses during this time period are advised that classes have already begun, and missed classes are the same as an absence. Students are not permitted to attend a class unless officially registered for the course.

DROPPING A COURSE: Students may drop a full-term credit course through the 50th student contact day of the Fall and Spring semesters, and the 30th student contact day of the Summer term. Full-semester courses dropped during the first week of the semester will not be documented on the transcript. Drop dates for shorter-semester courses are available at www.dmacc.edu/students/academiccalendar.asp. The last day to drop a course that does not run the full length of the Fall and Spring semesters or Summer term will vary. Applicable dates are published in the Credit Schedule and are also available by contacting the Registration Office on any campus.

DEADLINES FOR DROPPING COURSES ARE DIFFERENT FROM REFUND DEADLINES: Information about tuition refund deadlines is published in the Credit Schedule, on the DMACC website and is available by contacting the Registration staff on any campus. Students who have withdrawn from a course will not be permitted to continue attending the course.

dropping or adding courses after the deadliNeS: No registration or re-registration will be accepted after the last day to drop classes. Students who feel extenuating circumstances prevent compliance with the established dates for “drop,” “add” or “tuition refund” may ask for special consideration by completing a PETITION FOR POLICY WAIVER form (ES 4650). The petition may be obtained from the DMACC website at www.dmacc.edu/student_services/policies_procedures.asp and submitted to the Registrar’s Office (Ankeny) or the Student Services staff (all other campuses). Students are required to work with the campus advisors and counselors, who can explain the petition procedures. Petitions shall be submitted no later than the last day of the semester immediately following the semester for which students are petitioning. A committee reviews the petitions and notifies students in writing of the outcome.
AUDITING A COURSE: Up to the final drop date, with an instructor’s approving signature, students may change a class to audit status by completing a drop/add form. Tuition and fees for an audit course are the same as for credit. If students audit a course, it will not count for credit toward their program of study. Once this procedure is completed, the course may not be changed back to credit status. Students auditing a course are expected to attend the course, but are not required to complete regular assignments or exams.

CHANGES IN PROGRAM: Students who want to change their program should first visit with a counselor or advisor for details about the program, including entry requirements and enrollment availability. Next, students must complete the Change of Program form. The Change of Program form must be returned to the Student Services staff at any campus. Program changes will become effective once students have been officially accepted into the new program. Changes in program need to be made prior to registering for courses in the new program.

ENROLLMENT VERIFICATION: Students needing official verification of enrollment status for insurance purposes, loan deferments or any other reason may submit a written request either in person, by fax or by mail to the Registrar’s Office (Ankeny) or the Student Services staff (all other campuses). Phone requests are not accepted. Student signatures are required for release of information. All enrollment verification requests will be processed through the Ankeny Campus after the start of each semester.

NAME CHANGES: A request for name change should be made in writing and may be delivered in person, by fax or by mail with the appropriate documentation to the Student Services staff on any DMACC campus. Name changes cannot be made online. For DMACC email name changes, please contact tech support at www.dmacc.edu/helpdesk.

ADDRESS CHANGES: Students wishing to change an address must submit notification online using the Web Info System, or submit written notification in person, by fax or by mail to the attention of the Student Services Office on any campus. For DMACC email name change, please contact the IT department on your campus.

TUITION & FEES
Please refer to the current Credit Schedule or www.dmacc.edu/registration/tuitionfees.asp for tuition and fee rates.

BILLING POLICY—E-BILLS: Students will receive notification at their DMACC email address (or other email address provided) that their DMACC bills are ready to be viewed. Bills may also be viewed on the DMACC Web Info System.

6. PAYMENT PLAN through Nelnet Business Solutions by logging into the DMACC Web Info System or by going to www.dmacc.edu/registration/gonnpay.asp.

PAYMENT POLICY
Payment for credit class enrollment must be made by the published due date. If fees will be paid by a third party or employer, it is the responsibility of the student to make sure the documentation is provided to Student Accounts prior to the payment due date. A payment plan is available online with Nelnet Business Solutions www.dmacc.edu/registration/gonnpay.asp. Sign into the Web Info System and select “Setup Payment Plan to Pay Student Account Balance.” Please refer to the current Credit Schedule for payment due dates and payment plan options.

IMPORTANT: Credit class enrollment may be canceled if payment or payment arrangements are not made by the payment due date. Students are responsible for dropping classes if they do not plan to attend. Please refer to the current Credit Schedule for payment due dates, payment plan options and the refund policy for each semester.
PAYMENT BY CHECK
When students provide a check as payment, they authorize DMACC to use information from their check to process a one-time Electronic Funds Transfer (EFT) or draft drawn from their account, or to process the payment as a check transaction. When DMACC uses information from checks to make an EFT, funds may be withdrawn from their account the same day they make their payment. Students will not receive their check back from their financial institution. If payment is returned unpaid, students authorize the collection of their payment and a return fee of $30 drawn from their account by EFT or draft.

INDEBTEDNESS POLICY
Students who have a balance due to the College should contact Student Accounts to resolve their debt. Unpaid debts may be referred to a collection agency and/or a credit bureau. Students with unpaid financial obligations may have a hold put on their record. The hold may permit students to withdraw from credit courses provided the withdrawal deadline is met, but will prohibit students from enrolling in courses, obtaining or sending transcripts and graduating. DMACC participates in the Iowa Statewide Offset program, which means that debts due to DMACC may be collected from students’ State of Iowa tax refunds.

TUITION REFUND
Students who withdraw from a class or classes and complete the formal withdrawal/drop procedure may receive a tuition refund. The amount of refund is dependent upon the number of credit hours dropped, the Part-of-Term (dates the course is offered) and the date notification is received by the Registration staff. Please refer to the current Credit Schedule for tuition refund deadlines or visit www.dmacc.edu/registration/refund.asp.

Refunds will be processed by Higher One based on the student’s refund option selected at www.DMACCOneCard.com.

ATTENDANCE & ENROLLMENT
The Registrar’s Office will notify faculty that preliminary rosters are available at the beginning of each semester. Faculty are asked to check these rosters to identify any students who never attended class and report to the Registrar’s Office via the Web Info System. Students who are reported as never attending will be sent an email. Students will be administratively dropped from the classes in which they were reported as nonattending. If the instructor has reported a student in error and the student wishes to re-enroll, they must first obtain an instructor’s signature on a registration form and pay DMACC tuition and fees. The Financial Aid Office may adjust the financial aid of students who were administratively dropped.

When one-third of the semester has passed (i.e., fifth week of a regular semester; third week of a Summer term), faculty members are asked to report progress grades for all students with grades less than 2.0 (“C-” or less) and report students who have stopped attending class.

The Registrar’s Office notifies students if low grades are reported or if they have reportedly stopped attending class(es). The Financial Aid Office will determine which students have quit attending all classes or have “unofficially withdrawn.” If students have stopped attending all classes and receive financial aid, they will be withdrawn as of the most recent date of attendance or as of midterm if the date is unknown. Financial aid programs will be refunded accordingly. Any cash payments awarded to students may be repaid according to the federal repayment formula. The Financial Aid Office will notify the students of the amount to be repaid.

If students wish to re-enroll after an administrative withdrawal has taken place, they will need the written permission of instructor(s) and will need to pay tuition and fees in full.

The students may appeal to the Financial Aid Appeals Committee or the Petition for Policy Waiver Committee. Students should consult with a counselor or advisor for assistance with this process.

# Computing GPA

The method of computing grade point average (GPA) is as follows:

1. Multiply hours of credit in each course by the appropriate numerical grade value to find the quality points.
2. Total the quality points earned.
3. Divide the total quality points earned by the total number of semester hours taken (excluding courses in which a "W," "I," "N," "P," "T" or "L" were received).

**Example (Divide 40.98 points by 17 semester hours = 2.411):**

<table>
<thead>
<tr>

# Repeat Coursework

Students may repeat a course previously taken at DMACC if the course is currently being offered. When a course is repeated, only the hours and the grade point value of the last grade earned will be included in calculating the grade point average. Earlier grades recorded for the repeated course will remain on the transcript record, but will be excluded from the GPA calculation. Withdrawing from a course that is being repeated and receiving a grade of "W" does not constitute a course repeat.

# Repeat Symbols on the Transcript

- I—Grade value included in the GPA calculation
- E—Grade value excluded in the GPA calculation

The repeat symbol will be noted in the far right column on the transcript record next to the respective course.

NEW START
Students who have been absent from the College for at least five consecutive years (60 months) may request that up to two consecutive semesters of grades be removed from their grade-point average calculation. Students must first be readmitted to the College. Students who have earned a postsecondary award from DMACC are ineligible for New Start. They may initiate the New Start process by meeting with an advisor and completing a Petition for New Start form. In the first 12 credits earned after readmission, the student must have a GPA of 2.5 and all grades must be a C or better with no withdrawals or incomplete grades. College Preparatory classes do not count as the 12 institutional credits needed for a New Start to be applied. Unsatisfactory grades earned as a result of academic misconduct will not be forgiven. Grades that are not counted in the GPA as a result of an approved New Start will be notated on the student’s transcripts with the # symbol. Notation of academic progress will not be changed or removed from the transcript as a result of an approved New Start. Once approved, New Start is irrevocable. New Start applies only to DMACC. There is no guarantee, expressed or implied, that New Start will be recognized by any other college or university. (ES 4566). (To view the complete policy, see the Policies and Procedure section of handbook.)

INCOMPLETE COURSEWORK
Students who experience extenuating circumstances such as serious injury or illness and as a result are unable to complete some portion of assigned coursework during the regular semester may sign a contract with an instructor approving an “I” (Incomplete) grade. In such cases, the student must complete the course by the midterm date of the following semester. Incomplete grades are generally not approved by instructors unless there is an extenuating circumstance. An extension of time to complete the work for the course may be granted by the instructor until the end of the semester. Incomplete grades automatically change to F grades if the coursework is not satisfactorily completed within the time period specified. (ES 4562 and ES 4563)

GRADE REPORTS
Final grade reports are posted to student records one to two weeks after the end of a semester.

PROGRESS GRADE REPORTS are posted to student records prior to the midterm date. This allows students time to access the academic achievement center, tutoring and other academic success resources designed to improve or enhance their academic performance should it be necessary.

OFFICIAL FINAL GRADE REPORTS are mailed only to Career Advantage, Postsecondary Enrollment Option Students, some continuing education students and other high school students, or by special request. All students may print a grade report by logging into DMACC’s Web Info System.

GRADE APPEALS
Students should first attempt to resolve matters with their instructors. If students wish to proceed further, they should follow the steps outlined in the Appeal of Final Grade Procedure. A copy of the procedure is available in any DMACC Student Services Office. Students are required to meet with a counselor or advisor. Counselors and advisors are available on each campus to assist students with the appeal process. (ES 4620 and ES 4660) See also: www.dmacc.edu/student_services/policies_procedures.asp.

ACADEMIC INTEGRITY
Academic integrity, doing one’s own work in course assignments and on tests, is one of the most important values in higher education. Receiving credit for plagiarizing or cheating violates the value of all degrees conferred. It is unacceptable for students to submit another person’s work as their own. If students quote, summarize, paraphrase or use an author’s idea, they must acknowledge the source; otherwise, they are plagiarizing. Allowing others to accept credit for work not their own is also cheating. Students who plagiarize or cheat will be held accountable by their instructor and are subject to the sanctions outlined in the Academic Misconduct Procedure. (ES 4670) See also: www.dmacc.edu/learntocite.
COURSE SUBSTITUTIONS

On a limited basis, students may request course substitutions in their programs of study. Course substitution is defined as “the replacement of one course with another.” Course substitutions will be allowed only:

- When the student clearly demonstrates knowledge/competency in the subject area for which the substitution is requested and when such knowledge/competency is accurately assessed through measures such as testing, documentation of prior coursework or certification.
- When the substituted course reflects similar or complementary content/skills.
- As a reasonable accommodation for students with disabilities.
- In clearly warranted situations, such as a scheduling conflict beyond the student’s control.

Students who wish to request a course substitution should contact the chairperson in their program of study. Non-core courses may not be substituted for courses designated as core requirements for a particular academic award. Adjunct courses may not be substituted for required courses and may not be used to meet degree requirements other than electives. In programs exceeding 24 credit hours, no more than one-eighth of the total number of credits may be substituted. In programs of fewer than 24 credit hours, only one course of no more than four semester credit hours may be substituted.

Des Moines Area Community College will send or issue a transcript when students, or former students, make a request. Transcripts may be requested online using the DMACC Web Info System. Transcripts may also be requested by downloading the Transcript Request form on the DMACC website and mailing or faxing it to DMACC Academic Records—Transcript Request. **TRANSFERRING FROM DMACC TO ANOTHER INSTITUTION**

Students considering transfer to another college or university should contact an admissions or transfer counselor at that institution early in the planning process. The following outline provides tips for a successful transfer:

- Meet with a DMACC advisor each semester to schedule classes for the upcoming semester and discuss transfer plans.
- DMACC offers many partnership programs with four-year colleges and universities. For more information, visit [www.dmacc.edu/transfer/partnershipprograms.asp](http://www.dmacc.edu/transfer/partnershipprograms.asp).
- Schedule a campus visit as soon as possible with any institutions you may be considering. When scheduling a visit, ask for an appointment with an advisor. Also, write down the names of contact people at the transfer college. Periodically, representatives from other institutions visit DMACC. Check your campus for more information.
- Complete an application for admission to the selected college or colleges. Complete financial aid, scholarship and housing applications. Watch for deadlines and complete all materials as early as possible. Many colleges set firm application deadlines.
- Request to have all college transcripts sent to the transfer college. In order for transcripts to be sent to the transfer college, students must contact each college attended and request that they release all academic transcripts to the selected transfer college.
- Attend a registration/orientation day at the transfer college. Some colleges allow students to preregister for classes. Be alert to any registration/orientation procedures and stay in touch with the transfer college.

STUDENT ACTIVITIES
Much of students’ growth is the result of participation in activities and student organizations. It is the philosophy of the College that extracurricular activities complement the academic program. The activities are financed by a portion of the service fee that is charged each semester in addition to regular tuition. Student representatives elected to the Student Activities Council (SAC) are responsible for the assessment and disbursement of these funds with approval from the SAC Advisor.

STUDENT ACTIVITIES COUNCIL
As the primary student governing body, the Student Activities Council (SAC) promotes college spirit, provides a focal point for discussions between students and college staff, and gives students a voice in college affairs. This body is responsible for the assessment and disbursement of student activity fees. With these funds, the Council plans a variety of activities and offers a wide range of services designed to enhance campus life. Through its work, students are provided an opportunity to participate in the democratic process. Meetings are held on a regular basis. Any student, administrator or faculty member may attend meetings of the Student Activities Council and take part in discussion, but only members may vote.

STUDENT ORGANIZATIONS & CLUBS
Students are encouraged to participate in student clubs and organizations. The Student Activities Council Advisor on each campus has a listing of all student organizations available and provides a Student Organization Handbook that contains instructions and information regarding official recognition, funding, membership requirements and College rules and regulations. Students interested in forming an organization may contact the Student Activities Council Advisor for guidelines on the process. Most recognized organizations fall into one of the following classifications:

- Preprofessional and departmental clubs for students wishing to pursue interests that contribute to the development of career fields.
- Service organizations that will contribute positively to the College and the community.
- Scholastic honorary organizations that offer membership on the basis of academic excellence and performance.
- Special-interest organizations planned by students who wish to develop or broaden their interest in some particular aspect of their lives.

VOTER REGISTRATION
Students wishing to become registered voters can visit the Iowa Voter Registration website www.sos.state.ia.us/PDFS/elections/voteapp.pdf for a registration form. Those wishing to vote may also visit the following locations: County Clerk’s office, city and community offices, military recruitment offices and the Iowa Drivers’ License facilities.

TICKET SALES
Discount tickets to various activities and attractions are available at the Student Activities office at Ankeny, the Advising Office at Carroll or the Student Services Office at Boone, Newton, Urban and West campuses. Discount tickets may include amusement parks, Civic Center events, movie theaters, sporting events and discounted bus passes for DART. Cash, credit cards and personal checks are accepted at all campuses.

INTRAMURALS
Intramural activities provide an opportunity for students to participate in a wide variety of recreational sports, on an individual or team basis. Online registration is available for intramural activities on the Ankeny Campus. For more information, visit www.dmacc.edu/campusrecreation.

INTERCOLLEGIATE ATHLETICS
The DMACC Athletic Department, located at the Boone Campus, provides opportunities for student-athletes to compete on a national level. DMACC is a member of the Iowa Community College Athletic Conference (ICCAC) and the National Junior College Athletic Association (NJCAA). The College offers women’s intercollegiate athletics in basketball, cross country, volleyball, softball and golf. The men compete in basketball, golf and baseball. DMACC intercollegiate athletics have received national recognition. For more information, visit www.dmacc.edu/athletics.
DMACC MUSIC, DRAMA & DANCE
DMACC offers Concert Choir (MUS 143), a two-credit, elective course on the Ankeny, Boone and Urban campuses. See the current Credit Schedule for times. Also, Ankeny Campus offers, for one credit, Chamber Ensemble (Choir) (MUS 150). This choir is open to any DMACC student who passes the audition. There is no limit to the number of times students may enroll in the choirs, but only four semesters of credit for each may be used toward a DMACC degree. Volunteer/noncredit choral ensembles, open to all DMACC students, are organized on the Ankeny Campus. For more information, call 515-964-6633 or visit www.dmacc.edu/music.
DMACC also offers the opportunity for musicians to participate at the Boone Campus in the DMACC Bears Pep Band. For more information, call 515-432-7203.
The DMACC drama program offers opportunities for students to gain practical experience in theatre production. Students can earn college credit in a variety of areas, including acting, lighting, costume designing, promoting, directing and scenery work. In addition, annual student playwriting contests at the Ankeny Campus allow students to see their work produced. Course offerings include Introduction to Theatre (DRA101), Acting I (DRA130), Playwriting (ENG235) and practicums. A DMACC Dance Team is offered as a one–credit course on the Boone Campus. DMACC WEBSITE

DMACC’s website, www.dmacc.edu, offers a wide variety of information about the College’s educational offerings and services. All official communication with students will be done through students’ DMACC email address. Contact DMACC Tech Support at www.dmacc.edu/helpdesk or call 515-965-7300 for assistance using webmail.

USER NAME, DMACC ID NUMBER, PIN & PASSWORD

Upon acceptance to DMACC, students are emailed or mailed their DMACC user name, DMACC ID Number and a temporary PIN (Personal Identification Number). It is important for students to remember this information as it provides them access to DMACC-networked computers, the Web Info System, my.dmacc.edu and DMACC coursework via Blackboard. For assistance, visit www.dmacc.edu/helpdesk or call 515-965-7300.

USER NAME: The User Name, usually the student’s first initial, middle initial and last name (example: djsmith) is used in conjunction with a password to log on to DMACC computers and access webmail. If the student has a common name, then a number is usually assigned at the end of the User Name (example: djsmith23). Students’ accounts are not created until they register for credit classes.

DMACC ID NUMBER: DMACC issues students a randomly generated identification number called the DMACC ID Number. This number is confidential and should be protected in the same manner as a Social Security number.

PIN: The PIN, a randomly assigned number students receive in the mail upon admission to DMACC, is used in conjunction with their DMACC ID Number to access the Web Info System to conduct business at DMACC. When students initially log in, they will be required to change from the temporary PIN to a 6-character PIN of their choice. Students should not share this with anyone because doing so may give individuals access to the student’s confidential educational records.

Weather conditions are monitored continuously in advance of winter storms and decisions are targeted to be made by 6:00am for day classes and 4:00pm for evening classes. Students are encouraged to use their best judgment when determining to attend classes in inclement weather. If students decide not to attend classes due to inclement weather, it is their responsibility to contact their instructors.

LEARNING COMMUNITIES
MAKING DMACC CONNECTIONS

❖ Give multiple purposes to assignments
❖ Get to know faculty better
❖ Develop new friendships

In a learning community, the same students enroll in two or more courses. Faculty work closely together to link the course content and assignments. Students expand their knowledge and apply skills in multiple subjects.

Discuss this opportunity with an academic advisor or counselor when scheduling classes. Turn a commuter experience into a community experience—enroll in a learning community.

See page 89 for the Student Safety & Security Section of this handbook.

We don’t need to spell it out for you. Sign up now for DMACC Alert and receive emergency alerts sent right to your mobile phone. Joining DMACC Alert is free and you won’t receive any spam.

GENERAL ADMISSION REQUIREMENTS
EDUCATIONAL SERVICES PROCEDURE, ES 4100

I. INSTITUTIONAL REGULATION
This procedure outlines the general admission requirements for acceptance into Des Moines Area Community College (DMACC). Admission to the College is open to all that apply and can benefit from the courses and programs offered by the College. The College does reserve the right to guide the course placement of the students based on counseling, examination, pre-enrollment interviews, and past academic achievement. Admission into the College does not guarantee acceptance into all courses or programs offered, and enrollment in some courses depends on basic skill levels and/or available space.

II. PROCEDURES
A. All first time applicants (full-time or part-time) are required to submit an application for admission to DMACC and be accepted to the College before being allowed to register for any college level course or program.

B. The process for applying for admission is as follows:
   1. The applicant shall fill out an application for admission, either in paper or online at www.dmacc.edu, and submit the completed application to any DMACC Campus. There is no fee to apply to DMACC.
   2. Individuals applying as full—time students (12 credit hours or more in the fall and spring terms and 8 credit hours or more in the summer term) are required to complete a required skills assessment. This provides the College information about the individual's academic skills in reading, writing, and mathematics. (See ES4200 General Assessment Requirements for specific assessment requirements).
   3. Applicants are required to complete the program entry requirements for the specific program for which application has been made. (Please refer to the Program Entry requirements in the current College catalog or Program Information Brief for each specific program.) It is possible to be accepted to DMACC to take general college courses but remain incomplete for a specific program until those specific entry requirements are fulfilled.
   4. Applicants may be required to submit an official high school transcript or GED scores if either is needed for entry to a specific program.
      A. If the College receives conflicting information from a student and/or has reason to believe that a high school or GED transcript are not valid, was obtained from an entity not providing secondary school education, or appears to have been tampered, the Registrar (or designee) will request an official document from the respective institution to validate the document.
   5. Submit official copies of any previous college transcripts to be evaluated for DMACC credit by the Credentials/Graduation Department.
   6. DMACC will communicate with applicants the status of their application in a timely manner. DMACC accepts applicants on a first-come, first-served basis. If a program is filled to capacity at the time all admission requirements are met, the applicants will be placed on a stand—by list and notified of this fact. Once an opening becomes available, the applicant on the stand—by list will be notified and offered a seat in the program. If an ES 4100 applicant fails to reply by the specific deadline that is established, the spot in the program will be made available to the next applicant on the list.
   7. All first time applicants (full-time and part-time) who indicate that English is not their first (native) language on the application for admission will be required to meet the ESL Admission requirements (see ES 4205 for specific requirements).
   8. When Iowa residency for an applicant is in question, based on the information provided on the application for admission, the applicant will be classified as a non-resident for tuition purposes. Applicants will be notified and given the option to prove State of Iowa residency prior to the start of the semester (see ES 4110 for specific information). If you are not a resident of Iowa, provide proof of secondary education completion by submitting official high school or GED transcripts. If you have attended another college or university, submit official transcripts to meet any additional admission or program requirements.
III. ADMISSION OF HIGH SCHOOL STUDENTS*
DMACC offers the opportunity for high school students to enroll in credit courses. Juniors and seniors must complete steps A and B below if enrolling as part-time students; steps A, B and C if enrolling full-time. Freshman and sophomores must complete all four steps and are limited to no more than two credit courses each semester and must remain part-time students.
A. Submit a completed application for admission.
B. Submit written approval from a parent/guardian and from high school counselor or principal on then DMACC High School Permission Form found at the end of this procedure.
C. Complete COMPASS assessment or submit ACT scores. Course placement is mandatory based on COMPASS or ACT results or evidence of successful completion of college coursework.
D. Meet with a DMACC advisor or counselor prior to registration.
*This procedure does not apply to high school age students enrolling under the PSEO Act, concurrent enrollment, or other special contractual agreements.

IV. ADMISSION OF PRE-HIGH SCHOOL STUDENTS
In limited circumstances, DMACC may allow pre-high school students to enroll in credit courses. Completion of all the steps listed below is necessary before the College will make a decision about admitting any person who is not at least a freshman in high school:
A. Submit a completed application for admission.
B. Submit written approval from a parent/guardian and from high school counselor or principal on the DMACC High School Permission Form found at the end of this procedure.
C. Complete COMPASS assessment or submit ACT scores. Students not meeting minimum scores for placement in college level courses will not be allowed to enroll. Course placement based on test scores will be mandatory.
D. Students must provide documentation that they have been identified as talented and gifted.
E. Any specific course or program prerequisite must be met.
F. Students are limited to no more than two credit courses per semester and must maintain part-time status.
G. Students must meet, without the parent being present, with the appropriate instructor, program chair, or dean for an evaluation of readiness for each desired course. A determination that a student is not ready either academically or emotionally will prohibit enrollment in that course.

V. ADMISSION OF HOME-SCHOoled STUDENTS
Home-schooled students who apply for admission to DMACC must:
A. Submit a completed application for admission.
B. Submit written approval from a parent/guardian on the DMACC High School Permission Form found at the end of this procedure.
C. Complete COMPASS assessment or submit ACT scores. Course placement is mandatory based on COMPASS or ACT results or evidence of successful completion of college coursework.
D. Meet with a DMACC advisor or counselor prior to registration into the course(s).

VI. ADMISSION OF GUEST STUDENTS (SUMMER ONLY)
Students who have been accepted for admission at another college or university or whose primary enrollment is at another college or university may enroll as a “guest student” at DMACC during the Summer term. Guest student status allows an individual to enroll as a student for the summer term only without meeting the assessment requirements.
A. Guest students complete an application for admission and supply proof of enrollment at their primary college or university (an acceptance letter or valid student ID).
B. Guest students at DMACC must remain part-time during the fall and spring semesters but can be full-time during the summer term.
C. Guest students who decide to officially transfer to DMACC must meet DMACC admission and assessment requirements.
D. Returning guest students do not need to reapply each semester but do need to supply valid school ID of the college or university they are attending.
E. International students may be considered “guest students, but the I-20 documentation remains at the primary institution.”
F. Guest students are not eligible for Financial Aid.
VII. ADMISSION OF INTERNATIONAL STUDENTS
A. International students are persons in the United States who have a non-immigrant visa, including an F-1 visa. Specific requirements must be met before being admitted to DMACC.
B. All International students must apply for admission to DMACC by filling out an International Application for Admission.
C. No admission decision will be made until the International Student Office at DMACC receives all required documents (see ES 4120 Application of International Students).

HONORS PROGRAM ADMISSION REQUIREMENTS
EDUCATIONAL SERVICES PROCEDURE, ES 4106

I. INSTITUTIONAL REGULATION
Some students have special assets as high-achieving students, including higher grades, higher standardized test scores and excellent recommendations from former teachers. The DMACC Honors Program is created to challenge these students while at DMACC and then help them transfer with honors to a four-year college or university honors program or enter the workforce after graduation from DMACC.

II. ELIGIBILITY
The program is open to new, returning and transfer students.
A. Students entering from high school must meet all the criteria:
   1. Minimum cumulative high school GPA of 3.5 or higher
   2. ACT Composite 26 or higher (SAT, COMPASS, or equivalent test scores)
   3. High school teacher recommendation
B. Students entering from a college or university must meet all the criteria:
   1. Minimum cumulative college GPA of 3.5 or higher
   2. Successfully completed nine (9) college credits
   3. Successfully completed college-level math course; college-level English course
   4. College or university faculty recommendation

III. SELECTION PROCEDURE
A. Students applying for admission into the Honors Program must first be accepted to DMACC.
B. Prior to acceptance, the applicant must:
   1. Submit a complete electronic application, located on the Honors Program Homepage, to the Honors Program.
   2. Submit an official transcript from high school if a new student or from a college or university if a transfer student. Current DMACC students do not need to resubmit transcripts.
   3. Submit ACT (SAT, COMPASS or equivalent test scores) if entering from high school.
   4. Submit evidence of a 3.5 GPA from high school, college or university work.
   5. If a transfer student, submit evidence of successful completion of a college-level math and a college-level English course.
   6. Submit an essay explaining why he or she wants to be in the program.
   7. Request a letter of recommendation from a former teacher or college faculty to be sent to honorsdirector@dmacc.edu.
C. A selection committee will review all applications, rating them on five criteria.
   1. Students entering from high school will be rated on the following:
      a. High school GPA
      b. ACT Composite Score
      c. Teacher recommendation
      d. Student essay (content)
      e. Student essay (writing skill)
   2. Students entering from a college or university (including DMACC) will be rated on the following:
      a. College or university GPA
      b. Successful completion of nine (9) college credits which include successful completion of one (1) college-level math course and one (1) college-level English course. Students currently enrolled in these courses may be accepted conditionally.
c. Faculty recommendation
d. Student essay (content)
e. Student essay (writing skill)

D. Applicants who receive a high enough rating will be informed in writing that they have been selected for the Honors Program.

E. Applicants who are not selected will be informed in writing and may be encouraged to re-apply at a later date.

IV. STUDENTS SELECTED

A. Students selected must meet with an Honors Advisor for orientation and course selection.

B. Students have the opportunity to register before all other students.

C. All students selected into the program will be asked to sign an Honors Contract by the end of the 4th week of classes.
   1. For students enrolling in a stand-alone Honors section, the contracts will include signatures of the students and their honors professors for each course they take for honors. The contract indicates that they must pass the course with a “B” or better to get the “honors designation” on their transcripts, which will be in addition to the grade for the course. Students earning a grade below a “B” will get the course grade but no “honors designation” on their transcript.
   2. For an honors-option section, students will be enrolled in the course with non-honors students. These honors students will work with their honors professors to write contracts for a special honors project(s) that the students will complete during the “regular” course. The contracts will include signatures of the students and their honors professors for each course they take for honors. The contract indicates that they must pass the course with a “B” or better to get the “honors designation” on their transcripts, which will be in addition to the grade for the course. Students earning a grade below a “B” will get the course grade but no “honors designation” on their transcript.
   3. Students entering the program with under 30 college credits will be required to take 20 credits of honors-designated courses (this includes the four, one-credit HON courses) and complete all honors-designated courses with a B or better to graduate with honors.
   4. Students entering the program with 30 or more college credits will be required to take 10 credits of honors-designated courses (this includes two, one-credit HON courses—HON 101 and HON 250) and complete all honors-designated courses with a B or better to graduate with honors.
   5. Students enrolled in the Honors Program must maintain a cumulative 3.5 GPA. If the student falls below a 3.5, he or she will be on “honors designation” for up to one semester. If at the end of this probation semester, the student’s GPA has not returned to a 3.5 or above, the student will be suspended from the program. Students who have been suspended may reapply for admission into the honors program.

V. APPEAL PROCEDURES

A. Students not selected for the program may appeal this decision by providing further evidence of readiness for honors within 30 days of the date of the notification by writing a letter of appeal to the Director of Honors (honorsdirector@dmacc.edu).
   1. The Director of Honors and three (3) members of the Honors Council will consider the appeal.
   2. The Director will contact the student of the decision in writing.

B. Students wishing to appeal their course grades or “honors designation” decisions by the honors professors will follow ES 4660 Appeal of Final Grades Procedure.

INTERNATIONAL STUDENT ADMISSION REQUIREMENTS

EDUCATIONAL SERVICES PROCEDURE, ES 4120

I. INSTITUTIONAL REGULATION

The College shall establish procedures for enrollment of international students. International students shall be required to meet the same academic standards as resident students, and they must demonstrate a minimum proficiency of the English language.

II. PROCEDURE

A. Des Moines Area Community College (DMACC) recognizes the importance of having a diverse student population, which includes students from many cultures throughout the world. The presence of international students enhances international learning and goodwill and promotes opportunities for global understanding. Des Moines Area Community College will continue to accept students admitted to the United States on nonimmigrant visas.
1. Students on F-1 ("student") visas are required to be enrolled full-time during the Fall and Spring semesters. Students with other visas may be enrolled either full-time or part-time according to the regulations set forth by the United States Citizenship and Immigration Services.

2. All documentation concerning international students will be processed through the International Student Office at the Ankeny Campus. Any documents received at other campuses will be processed only in consultation with the International Student Office.

B. A refundable deposit of $4,000 (U.S.) is required for new or transfer F-1 students at DMACC. This deposit must be paid before course registration takes place and may not be used to pay educational expenses until the last semester the student is enrolled at DMACC. After the student’s last semester at DMACC, any amount left over will be returned to the student less any outstanding tuition or fees. Payment of a $100 (U.S.) nonrefundable student-processing fee must be made before an I-20 will be issued by Des Moines Area Community College. Further direct and indirect costs are set forth in the Des Moines Area Community College International Students Admissions Packet and on the DMACC website. F-1 students pay tuition costs at the nonresident rate. The applicant assumes all responsibility for financial planning.

C. Students applying for admission from outside the United States must file all required documents 120 days prior to the first date of the semester. Transfer applicants, students with a valid I-20 who have or will have completed one or more semesters at another accredited college or university before attending DMACC must file all required documents 45 days prior to the first day of the semester. Prior to acceptance, the applicant will:

1. Submit a completed and signed International Application for Admission to the College.
2. Submit a completed International Student Information Sheet.
3. Submit a completed Statement of Financial Support to provide evidence of ability to meet educational and living expenses while attending the College. The statement must be notarized or accompanied by a recent statement or letter from a bank.
4. Submit official transcripts from high school and any prior college attendance, translated into English by a professional translation service in accordance with ES 4528 Postsecondary Transfer Credit Evaluations. Those students wishing to use credits from a college or university outside the United States must have the transcript reviewed at the subject analysis or catalog level by a commercial service for an additional fee.
5. Meet the College assessment requirement for mathematics (full-time students only) by:
   a. Taking the COMPASS assessment in math.
   b. Submitting an ACT score in math.
   c. Provide evidence of successful college experience in math by providing a college transcript for evaluation.
      A grade of C or higher in a college-level math course.
6. An applicant whose native language is NOT English is required to provide evidence of English proficiency as stated in ES 4205.
7. A student who cannot provide evidence of English proficiency as stated in ES 4205 is still eligible to apply for a DMACC I-20 for F-1 visa application or transfer to DMACC from a U.S. college or university. The student must complete the required ESL Test in COMPASS assessment, unless the student will be enrolling in the ESL program.

D. Prior to acceptance, non-F-1 visa holders who intend to enroll full-time will:

1. Submit a completed and signed International Application for Admission.
2. Submit official high school or prior college transcripts translated into English by a professional translation service in accordance with ES 4528 Postsecondary Transfer Credit Evaluations.
3. Complete the required assessment, unless enrolling in the noncredit ESL courses.
4. Submit photocopies of documents showing their immigration status.
5. Submit evidence of English proficiency, as above.

E. F-1 International Students who are currently enrolled as students in a credit program at another college or university and want to take classes at Des Moines Area Community College will:

1. Submit photocopies of current passport, visa, I-94 Form and I-20. Applicants who want to transfer to DMACC will also need to provide the documents required in II, B and C.
2. Enrollment in an Intensive English program will not enable a student to enroll in credit classes at DMACC.
F. All international students with a Des Moines Area Community College issued I-20 are required to have valid proof of medical insurance. Students who purchase their own medical insurance must provide proof of insurance within the first 15 days of each semester to qualify for a waiver of the insurance fee. For students who have no proof of insurance, insurance will be provided from a DMACC selected insurance provider. The insurance fees will be collected from the student by Des Moines Area Community College.

G. Students whose native language is NOT English, but who are permanent residents or citizens of the United States, are subject to the same regulations as other citizens or permanent residents. However, they will be required to submit evidence of English proficiency as stated in ES Policy 4205.

**GENERAL ASSESSMENT REQUIREMENTS**

**EDUCATIONAL SERVICES PROCEDURE, ES 4200**

I. **INSTITUTIONAL REGULATION**

   This procedure outlines the general assessment requirements for admission.

II. **PROCEDURES**

   A. Des Moines Area Community College (DMACC) requires a skills assessment of all new, full-time students (full-time is defined as 12 credit hours or more during Fall and Spring semesters and eight credit hours or more during the Summer term.) All pre-high school, high school, home school and guest students must meet the College assessment requirements as stated in ES 4100.

   B. Assessment provides information about students’ academic skills in reading, writing and mathematics. Assessment information is used to assist with course selection and schedule planning. Assessment scores used for admission purposes must be (5) five years old or less from the test date. The assessment requirement may be met by completing any one of the following options:

       1. Complete COMPASS (Computerized Adaptive Placement Assessment and Support System) assessment at any DMACC campus. The COMPASS assessment in math, reading and writing is given to students who do not qualify under item II, B: 2 or 3. The College does not charge for COMPASS assessment but does require a two-week waiting period between testing times with a strong recommendation to seek remediation in the area in need of retesting.

       2. Submit ACT scores. ACT scores can be used to meet DMACC’s assessment requirement. ACT scores must be mailed to the Admissions Office.

       3. Provide evidence of all previous college coursework. An official college transcript from each prior college attended must be mailed to the Admissions Office. If college experience is older than five (5) years, students are strongly encouraged to take the COMPASS assessment. The following criteria are used to grant assessment waivers:

           a. Writing—grade of C or higher in a college-level writing course;

           b. Reading—grade of C or higher in six hours of college-level academic coursework such as psychology, sociology, economics, etc., and/or vocational technical coursework requiring comparable reading skills;

           c. Math—grade of C or higher in a college-level mathematics course.

   C. For purposes of admission, international students must meet the College assessment requirements for math and provide official evidence of English proficiency as stated in ES 4205.

   D. All first-time applicants (full-time and part-time) whose first (native) language is not English are required to take the ESL Test in COMPASS and the COMPASS mathematics test (full-time only) prior to enrollment in college-level courses. See ES 4205 Assessment of Students Whose First Language Is Not English.

   E. Except as defined above, assessment is not required for students who enroll part-time; however, it is strongly encouraged in the following instances:

       1. A mathematics assessment before enrolling in a math class or a course with a math prerequisite.

       2. A writing assessment before enrolling in any course that has writing expectations or requirements.

       3. A reading assessment before enrolling in a third course.

   F. Students needing an accommodation to complete the assessment requirement because of a disability must provide documentation of the disability prior to testing. Students are to contact the Disabilities Services Coordinator at Ankeny or the counseling or advising office on any campus for an Application for Accommodation. The necessary accommodations will be arranged with the testing center in advance of the testing time.

   G. The Assessment Center Coordinator reviews all standardized tests for freedom from bias. For a current list of placement tests, interest inventories and other assessment instruments, contact the Assessment Center Coordinator on the Ankeny Campus.
Assessment of Students Whose First Language Is Not English

Educational Services Procedure, ES 4205

I. Institutional Regulation

This procedure outlines the general assessment requirements for admission of students whose first (native) language is not English. The procedure is intended to maximize the success of those students. For the general assessment requirements, refer to ES 4200 General Assessment Requirements.

II. Procedure

A. All first-time applicants (full-time and part-time) whose first (native) language is not English are required to take and pass the entire battery of the English as a Second Language (ESL) Tests in COMPASS (Reading, Grammar and Listening) and take the COMPASS mathematics test (full-time only) prior to unrestricted enrollment in Des Moines Area Community College (DMACC) courses. Assessment scores used for admission purposes must be (5) years old or less from the test date.

1. The ESL Tests in COMPASS will not replace the Test of English as a Foreign Language (TOEFL) requirement for admission of international students. If students do not meet the minimum TOEFL score to be admitted to DMACC, they may enroll in ESL courses at DMACC. After they complete the ESL courses, they must pass the entire battery of the ESL Tests in COMPASS to qualify to enroll in courses without restriction.

2. The ESL Tests in COMPASS will be waived for students who have a total TOEFL score of 173 or higher (computer version) or a 500 or higher (paper version). On the Internet-based version of TOEFL, this score must be a 61 or higher. A 45 will be allowed on the Internet version if the optional speaking portion is not completed.

3. The ESL Tests in COMPASS will be waived for students who score a 5.0 or higher on the IELTS (International English Language Testing System).

4. The ESL Tests in COMPASS will be waived for transfer students who provide evidence of successful college experience in reading and writing coursework from an accredited college or university in the United States. If college experience is older than five (5) years, students are strongly encouraged to take the COMPASS assessment.

   Writing: Grade of C or higher in a college-level writing course
   Reading: Grade of C or higher in six hours of college-level academic coursework

5. The ESL Tests in COMPASS will be waived for students who submit an ACT score of 19 or higher in Reading and Writing. (All ACT scores must be sent.)

6. Students will be appropriately placed into noncredit ESL courses, college preparatory courses or select credit courses based on cutoff scores established by the College. Students who pass the entire battery of the ESL Tests in COMPASS will be allowed to enroll in courses without restriction within regular College guidelines. DMACC reserves the right to change the ESL Tests in COMPASS cutoff scores based on program requirements, research on student success and/or regulatory requirements. The cutoff scores will be available in the Admissions Office and the International Student Office.

7. Students who do not pass the entire battery of the ESL Tests in COMPASS may be eligible for select credit courses available at DMACC based on their scores. Students will be required to meet with a designated advisor and/or faculty member to determine which courses they may be eligible to take and obtain the designated advisor’s and/or faculty member’s signature in order to register for the select credit courses.

8. The College policy of a mandatory two-week waiting period between COMPASS testing will be enforced. Remediation between testing is strongly recommended.

B. Students who seek exemption from the ESL COMPASS requirement or placement as a result of ESL COMPASS scores must receive a written waiver from the Director of Enrollment Management or his/her designee.

1. The Director may (but is not required to) consult with the International Student Advisor, designated DMACC faculty members, or advisor.

2. The Director may require any additional documentation that may be relevant to students’ requests for exemption.

C. Students who wish to appeal the decision of the Director of Enrollment Management must submit a letter of appeal to the Executive Dean of Student Services or his/her designee.

1. After a reasonable period for fact finding, usually no more than two weeks, the Executive Dean will inform the student in writing of the decision on the appeal.

2. The decision of the Executive Dean shall be final.
I. INSTITUTIONAL REGULATION

This procedure outlines the general test proctoring procedures for DMACC Testing and Assessment Centers.

II. DEFINITIONS

A. Proctored Exams. A proctored exam is a test taken under the supervision of approved and certified DMACC staff. The proctor's function is to ensure procedural integrity and the security of the exam in a supervised environment.

B. Non-DMACC Student. Anyone who requests a proctored exam that is not currently enrolled in Des Moines Area Community College.

C. High-Stakes Test. A high-stakes test is any test that has major consequences or is the basis of a major decision.

III. PROCTORING LOCATIONS

Security requirements for proctored exams vary depending on the type of exam being requested to be proctored. Therefore DMACC will utilize the same facility requirements as required for high-stakes exams; this means that not all DMACC locations are equipped to proctor exams.

Approved DMACC Locations:
A. Ankeny
B. Boone
C. Carroll
D. Newton
E. Urban/Des Moines
F. West Des Moines
G. Success Center/South Des Moines

IV. LOCATION AVAILABILITY

A. Hours. Hours for each center can be found at www.dmacc.edu/testingcenter.

B. Periods of Closure. Periods of closure for each center can be found at www.dmacc.edu/testingcenter.

V. PROCEDURES

A. Fees.

1. DMACC Students. All registered DMACC students, regardless of hours or locations, will have free access to the use of proctoring services, for DMACC exams only. DMACC students will be charged fees for non-DMACC exams.

2. Non-DMACC Students. All other individuals who are not registered for any DMACC classes will be charged a $20 proctoring fee for each exam that is proctored by a DMACC Assessment or Testing Center, plus any additional fees associated with a specific exam.

3. Fee Waivers. DMACC does not have reciprocity agreements with other educational institutions. All non-DMACC students will be charged an administrative fee of $20 per exam, plus any additional fees associated with a specific exam.

B. Scheduling of Exams.

1. While DMACC Testing Centers are generally able to accommodate walk-in appointments on most days, it is recommended that individuals schedule appointments.

2. Individuals will be required to make an appointment for proctoring services that require special exams or online exams with access codes.

3. Individuals are responsible for taking the appropriate steps to ensure that all testing materials (e.g., proctor instructions, password(s) that allow administration of the exam) arrive on time to the designated DMACC Testing Center.

C. Check-In Procedures.

Individuals must arrive at the Testing Center with enough time remaining in order to complete the exam in the allotted time.

1. Individuals must show a valid national, state or school-issued photo identification at check-in.

2. All personal items other than those needed for the exam must be left outside of the testing room.

3. Only individuals who are testing, and proctors, are permitted in the Testing Center.
D. Payment of Fees.
    Testing Center payment policies differ by site. Fees may be paid at the Testing Center or at the Campus Business Office depending on the type of payment and the Testing Center’s ability to accept payment.

E. Exam Procedures.
   1. Individuals will remain in the testing station assigned by the proctor. The proctor may reassign individuals to a different station at his/her discretion.
   2. Individuals will complete the exam in one sitting, unless the exam instructions allow time for breaks.
   3. Individuals taking exams may only use equipment approved for the specific exam.
   4. Individuals will be monitored by the proctor while testing.
   5. Individuals taking exams must adhere to DMACC’s Academic Misconduct Student Procedure (ES4670) that prohibits cheating. Cheating includes, but is not limited to, the use of unauthorized assistance in taking exams. If an individual is suspected of academic misconduct during an exam, the exam may be voided. The matter will be referred to the DMACC Judicial Officer for follow-up. When applicable, the individual’s home institution will be notified and the agency for which the test is being taken will be notified for further review and action.

F. Once Exam is Completed.
   1. Once the exam is completed, individuals will notify the proctor and sign out. The proctor will collect all testing materials, including all scratch paper.
   2. For schools/individuals requesting returned exams, the requester will need to provide a self-addressed, stamped envelope with appropriate postage.

VI. REVISIONS TO PROCEDURE
DMACC reserves the right to make revisions to this procedure.

FINANCIAL AID SATISFACTORY ACADEMIC PROGRESS
EDUCATIONAL SERVICES PROCEDURE, ES 4300

I. INSTITUTIONAL REGULATIONS
The College shall outline requirements that comply with Federal Regulations requiring the monitoring of satisfactory academic progress of Title IV financial aid recipients as outlined in the Standards of Satisfactory Academic Progress for financial aid eligibility federal regulations (34 CFR 668.34).

II. PROCEDURE
A. DMACC will comply with the Federal Regulations requiring that institutions monitor satisfactory academic progress of Title IV aid recipients as outlined in the Standards of Satisfactory Academic Progress (SAP) for financial aid eligibility federal regulations (34 CFR 668.34).

Standards of Satisfactory Academic Progress (SAP) for Financial Aid Eligibility Federal regulations (34 CFR 668.34) require a student to move toward the completion of a degree, diploma or eligible certificate within an eligible program when receiving financial aid. Specific requirements for academic progress for financial aid recipients specify that standards are tracked for financial aid Warning, financial aid Suspension and financial aid Probation. Federal regulations state that Satisfactory Academic Progress Standards must include a review of all periods of enrollment, regardless of whether or not aid was received.

B. Satisfactory academic progress for financial aid recipients will be monitored for each term of attendance.

C. Financial aid recipients will be identified who:
   1. Did not complete 67% of credits attempted by term and/or accumulative credits.
   2. Did not maintain a cumulative GPA of 2.00.
   3. Did not complete a degree within 150% timeframe (i.e., Associate degree of 64 credits must be completed with 96 credit hours).

D. Financial aid recipients will be notified by email indicating:
   1. Financial aid Warning status after their first term of not meeting the criteria in Section II, subsection C 1 and/or 2.
   2. Financial aid Suspension occurs when they have two consecutive terms of not maintaining satisfactory academic progress and will not be eligible for further financial aid.
   3. Students who fail to complete any courses within their first term of enrollment (e.g., combination of Ws and/or Fs) will be placed on suspension for the following term. Students may view their financial aid progress, status and award using the DMACC Web Info System.

E. Students can clear their financial aid Warning status by raising their cumulative GPA to 2.00 or higher and their cumulative credit completion rate to 67% or higher.
F. Students may use financial aid to repeat courses that were not successfully completed. Students may also use financial aid to repeat a successfully completed course one time. Audited courses, continuing education, and credit by examination are excluded when determining eligibility for financial aid. All attempted developmental coursework will be included when evaluating SAP. Students may use financial aid for up to 30 credits of developmental coursework.

G. To regain eligibility for financial aid after suspension, the student will be required to regain a cumulative 2.00 GPA and/or raise his/her cumulative completion rate to 67% at his/her own expense or complete a Financial Aid Satisfactory Academic Progress Appeal form and Academic Improvement Plan (AIP).

H. Appeal Process.

1. Circumstances for Appeal. A student may submit a written appeal documenting extenuating circumstances that prevented him/her from meeting minimum standards. Extenuating circumstances that may be considered include: personal illness or accident, serious illness or death within immediate family, or other circumstances beyond the reasonable control of the student.

2. Filing of an Appeal.
   a. The deadline for a written appeal will be indicated on the appeal form.
   b. The student will be directed to meet with an academic advisor/counselor to develop an Academic Improvement Plan.
   c. An appeal form will be available online. In addition, appeal forms are available at the Financial Aid Office, Ankeny Campus; and the Business Offices at the Boone, Carroll, Newton, Urban and West campuses and the Porter, Hunziker and Perry Centers. Financial Aid recipients will be allowed to appeal only once. The Academic Improvement Plan shall accompany the Financial Aid Satisfactory Appeal form.
   d. After review by the SAP Committee, a written response of the Committee’s decision will be communicated to the student both by email and U.S. mail. If approved, the student will have his or her financial aid reinstated.
   e. Students on Financial Aid Probation (Reinstatement) and following an Academic Improvement Plan will be evaluated according to the terms of the Academic Improvement Plans at the end of each term.

3. Appeal of the Financial Aid Committee’s Decision.
   Ineligible students may appeal the decision of the SAP Committee to the Director of Financial Aid. The Director will review with an SAP Committee member and respond to the appeal within 72 hours from the date of receiving the appeal. The re-appeal must have documentation that was not part of the original appeal to the SAP Committee. The Director’s decision of this appeal is the final step of the Financial Aid Appeal Process.

I. Duration of Eligibility

1. Students who have attempted 150% of the number of credits required to graduate in their program will be notified that their eligibility for aid has ended. (Example: The student’s program requires 64 credits for completion. The student has earned 96 credits without completing the program.) He/she may appeal this decision by submitting an Academic Improvement Plan completed with an Academic Advisor/Counselor to the Financial Aid Office for review prior to the disbursement of funds.

2. Students who have earned two (2) Associate Degrees or a combination of two (2) Associate Degrees or Diplomas will be sent a letter indicating they have received the maximum degrees allowed. The student will be asked to prepare a Graduation Plan completed with an Academic Advisor/Counselor and complete an Extending Financial Aid Appeal form. A copy of the appeal must be provided to the Financial Aid Office and will be reviewed prior to any disbursement of funds.

DISTANCE EDUCATION STUDENTS REQUEST AND DETERMINATION FOR FEDERAL DIRECT STUDENT LOANS
EDUCATIONAL SERVICES PROCEDURE, ES 4321

I. INSTITUTIONAL REGULATIONS

A. The Financial Aid Office will develop a procedure for approving the federal direct loan requests for students enrolled in all Distance Education classes from outside the state and distances outside the normal commuting areas.

B. Financial aid applicants enrolled in all distance education classes will first be awarded a Federal Pell Grant, if eligible. Financial aid applicants who wish to request a student loan must submit a loan request.

C. Designated financial aid advisors will review and approve loan requests for all distance education students who complete and submit the online Budget Loan Request form.

D. The evaluators will review the student’s admissions application, the National Student Loan database and the Common and Origination Database to ensure that the loan requester has not misrepresented personal, school or financial data on institutional and federal admission and financial aid documents.

E. The amount of the Federal Direct Loan request will be evaluated on a case-by-case basis and will include an evaluation of the student’s Pace of Completion, grade point average and debt load. Pace of Completion requires that financial aid applicant(s) must complete their program of study within 150 percent of the start of the program.

F. ES 321 does not prevent students from applying for and receiving private loans.

G. The U.S. Department of Education has given the schools the authority to approve, adjust or deny student loans. Therefore, DMACC may refuse to certify a Direct Federal Loan or can certify a loan for an amount less than what the student would otherwise be eligible for if the school documents the reason(s) for its action and explains to the student in writing the reason(s) for the denial or reduction of a Federal Direct Loan. The school’s decision is final and cannot be appealed to the U.S. Department of Education.

II. PROCEDURE

A. DMACC students must complete the Free Application for Federal Student Aid (FAFSA), prior to June 30 of each award year.

B. The applicant must demonstrate financial need for the Federal Student Loan and be making Satisfactory Academic Progress.

C. The applicant must not have financial resources in excess of the Cost of Education to be eligible for the Federal Direct Loan.

D. All required supplemental documentation must be submitted to the DMACC financial aid department before an assessment of the federal loan request can be completed.

E. Applicants who do not qualify for federal grants will be awarded a Federal Direct Loan to cover direct educational related expenses, i.e. tuition and books.
   a. Students seeking funds to cover a computer purchase will be required to provide a receipt within 14 days from the date of purchase or the loan amount that was approved and advanced may be cancelled.

MAXIMUM COURSE RECORDS
EDUCATIONAL SERVICES PROCEDURE, ES 4505

I. INSTITUTIONAL REGULATIONS
Students may not exceed the maximum course load established by Des Moines Area Community College without obtaining special permission.

II. PROCEDURES
A. For the student’s benefit, the maximum course load has been established.
B. Students will not be allowed to register for more than a maximum course load of 19 credit hours during the fall and spring semesters or a maximum of 12 credit hours during the summer term.
1. Students may exceed the maximum course load only by submitting a written Request for Exception to the Director of Student Development, Registrar or Assistant Registrar or Campus Designee.
2. Request for Exception must be submitted at least five days prior to the start of the term where overload would occur.
   a. Students will be notified regarding outcome of Request for Exception via email in one to two business days.
3. Request for Exception must address why the student wishes to take an overload, present evidence of previous successful completion of college courses and demonstrate an understanding of the DMACC Academic Standards Policy (ES 4560).

SENIOR CITIZEN TUITION WAIVER
EDUCATIONAL SERVICES PROCEDURE, ES 4516

I. INSTITUTIONAL REGULATIONS
The College shall outline the procedures for Senior Citizens who wish to enroll in credit courses, who are not seeking a degree.

II. PROCEDURE
A. Under this policy, a Senior Citizen is defined as any person 62 years of age and over, who is an Iowa resident and is not receiving institutional, state, federal financial aid, or utilizing any other DMACC tuition waiver program.
B. Under this policy a senior citizen is limited to one credit course in any one semester.
C. To be eligible to register, the individual must meet all course prerequisites.
D. Credit enrollment—A senior citizen who wishes to use the tuition waiver can register only on the first day of class.

E. No tuition/fees or processing fee will be charged. Students will be responsible for books, materials, supplies, and any technology fees associated with the course.

F. Noncredit enrollment—The tuition waiver is not applicable for noncredit courses, seminars or workshops.

G. Senior Citizens must complete the appropriate registration schedule form.

H. The registration schedule form must be presented in person to the Student Records Office on any campus. The form should be marked “Senior Citizen.”

I. Senior Citizens must present a valid Iowa ID for age verification at the time of registration.
   1. The first-time a person uses the Senior Citizen Tuition Waiver, ID for age verification must be presented. The registration clerk will place a “Senior Citizen” hold on the student’s record. This hold will serve to:
      a. Notify registration staff in the future that the student has been verified as a senior citizen, and
      b. Allow registration staff to restrict registration of students using the Senior Citizen Tuition waiver to the proper dates.
      c. Request for the Senior Citizen Tuition Waiver must be made at the time of registration. Requests made after registration will not be granted.
   2. For a continuing senior citizen, the process of registration will cause the “senior citizen hold” to appear. This should prompt the clerk to ask if the student wishes to again use the waiver. If the student does wish to use the waiver, the clerk (in the case of a credit course) should also ask if the student wants to take the class as audit or for credit.
   3. When an eligible student asks for the Senior Citizen Tuition Waiver to be used, the registration clerk will clearly mark a copy of the registration form “Senior Citizen” and give the copy to the appropriate campus business office staff for tuition waiver processing.

REGISTRATION STATUS PROCEDURE

EDUCATIONAL SERVICES PROCEDURE, ES 4554

I. INSTITUTIONAL REGULATIONS

The Board of Directors of DMACC confers upon the staff the power to establish academic standards as they relate to the educational process.

II. PROCEDURE

A. A student’s registration is not complete until all tuition and fees are paid or acceptable arrangements for payment have been made. Acceptable methods of payment include:
   1. Paid by student
   2. Credit from financial aid
   3. Payment plan
   4. Third-party billing

   Any student who does not pay tuition and fees will be dropped from courses for nonpayment. It is the student’s responsibility to ensure that the College has a correct billing address.

B. A late fee may be imposed for late registration or re-registration after the last day to add a class. A re-registration fee may be imposed when a student registers for courses that have been canceled for nonpayment.

C. When registering for courses, a student may not misuse the College’s computerized systems or use another individual’s identification, account, or personal identification number (PIN). A student’s access to the College’s online registration option will be terminated if the student is found to be misusing the system or making excessive unsuccessful registration attempts. The Registration Office should be contacted if a student needs assistance.

D. After the Add Period for the Semester has passed, a student may not register for classes unless the student is registering for a late start class. If registering for a late start class (e.g., class begins after the first week of the semester), the student must register on or before the first day of the class.

E. The last date for a student to drop, withdraw from the College, or change to audit is designated as the 50th class day for Fall and Spring semesters. A student may complete the Drop/Add procedure through the Registration Office or may drop courses through the College’s online registration system. Courses that do not follow the normal semester schedule will have prorated last dates to drop. These dates can be obtained from the Student Records Office.

F. An instructor may initiate a withdrawal of a student or deny enrollment of a student if the student cannot provide satisfactory evidence that he/she meets the course prerequisites and corequisites. If the presence of a student poses
an identifiable health or safety risk to any individual, a faculty or staff member may enact immediate temporary removal of a student from a class, office, attendance center, clinical site or other DMACC related facility for disciplinary reasons by following the procedures outlined in ES 4630 Student Conduct, Discipline and Appeals Procedure. In other cases, the request to drop a class must be made by the student (see ES 4520 Administrative Withdrawal). In cases where the instructor does not have the authority to drop a student from class, he/she may recommend that the student drop.

G. A student may be administratively withdrawn from a course or courses according to procedures related to financial aid attendance policies (see ES 4305 Financial Aid Attendance Process).

H. Student Services administrative staff may also drop students from courses or deny enrollment for the same reasons as do instructors as listed above in Section F.

I. There may be other circumstances under which the authority to drop is granted based on contractual agreements with Des Moines Area Community College.

I. INSTITUTIONAL REGULATIONS
A. To define the requirements for academic progress and establish the procedures necessary to enforce those requirements. No program of study at Des Moines Area Community College may establish academic progress standards lower than those specified in this procedure.
B. A program of study at Des Moines Area Community College may establish academic progress standards higher than those specified above, but such standards must first be recommended by the respective academic dean or campus executive dean, approved by the Academic Standards Commission, and approved by the Senior Vice President, Academic Affairs.

II. PROCEDURES
A. Academic Progress
1. The following requirements only apply to credit enrollment at Des Moines Area Community College.
2. Students who have attempted 1 or more credits with any of the grades or marks listed in Procedure ES 4552 at Des Moines Area Community College are subject to the following satisfactory academic progress standards:
   a. Earn a cumulative grade point average (G.P.A.) of 2.00 or higher.
   b. Successful completion of 67% of attempted credits. Successful completion is defined as achieving a grade of “D-” or better.
   c. Guidelines for placing a student on “ACADEMIC WARNING”:
      1. A student whose cumulative G.P.A. falls below 2.00 at the end of any term will be placed on ACADEMIC WARNING for the next term of enrollment.
      2. A student whose cumulative credit completion rate falls below 67% at the end of any term will be placed on ACADEMIC WARNING.
      3. A student on ACADEMIC WARNING will return to a status of “good academic standing” when his/her cumulative G.P.A. is raised to 2.00 or higher and his/her cumulative credit completion rate is above 67% or above.
      4. A student on ACADEMIC WARNING will continue on academic warning status if his/her term G.P.A. for the term following his/her placement on academic warning is 2.00 or higher but the cumulative G.P.A. remains below 2.00 and/or their cumulative credit completion rate is 67% or lower. This rule will also apply for subsequent terms of enrollment.
D. Guidelines for placing a student on “ACADEMIC CONDITIONAL ENROLLMENT”:
1. A student on academic warning who earns a term G.P.A. of less than 2.00 and/or has not completed 67% of credits attempted for the term will be placed on ACADEMIC CONDITIONAL ENROLLMENT for the following term of enrollment. Students who receive federal financial aid may be subject to financial aid suspension. See ES 4300 Financial Aid Satisfactory Academic Progress policy.
2. If the student is registered for the following term and is placed on ACADEMIC CONDITIONAL ENROLLMENT for that term, he/she will be required to meet at the campus of their choice with a counselor or advisor no later than the fifth day of the ACADEMIC CONDITIONAL ENROLLMENT term to review his/her course selections and to complete an Academic Improvement Plan (AIP). Failure to comply will result in the student’s being administratively dropped from all courses.
3. If the student placed on ACADEMIC CONDITIONAL ENROLLMENT is not yet registered for the next term, he or she must meet with a counselor/advisor and complete an Academic Improvement Plan (AIP) prior to registering for any credit coursework.
4. A student on ACADEMIC CONDITIONAL ENROLLMENT who earns a term G.P.A. of 2.00 or higher but whose cumulative G.P.A. remains below a 2.00 and/or has not completed 67% of credits attempted for the term will remain on ACADEMIC CONDITIONAL ENROLLMENT.
5. A student on ACADEMIC CONDITIONAL ENROLLMENT who earns a term G.P.A. and a cumulative G.P.A. of 2.00 or higher and has completed 67% of cumulative credits attempted will be placed in good standing.

E. Guidelines for placing a student on “ACADEMIC DISQUALIFICATION”: A student on ACADEMIC CONDITIONAL ENROLLMENT who earns a term G.P.A. of less than 2.0 and/or does not complete 67% of term credits attempted will be placed on ACADEMIC DISQUALIFICATION and will not be allowed to enroll in credit coursework for a period of one semester (or one summer semester plus one fall semester in the case of a suspension at the end of the spring semester).

F. Guidelines for re-enrollment of DISQUALIFIED students:
1. After non-enrollment for a minimum of one semester, as defined above in Guidelines for placing a student on “Academic Disqualification”, a student on ACADEMIC DISQUALIFICATION may re-enroll after completing an updated AIP.
2. In all instances, a re-enrolled student will be placed on ACADEMIC CONDITIONAL ENROLLMENT.
3. Individual programs of study may impose additional re-enrollment requirements.

G. A student placed on ACADEMIC DISQUALIFICATION may appeal that placement before the deadline to the Academic Reinstatement Committee chaired by the Director of Student Development. The appeal must be made in writing and must at a minimum explain the reasons for the past unsatisfactory academic performance and how the student proposes to improve his/her performance. The committee may grant or deny the appeal based on the written statement or the committee chairperson may choose to conduct a personal interview with the student or require the student to undergo counseling or academic assessment before making a decision. If the appeal is granted, the committee chairperson is authorized to impose reasonable restrictions on the student’s subsequent enrollment.

H. Students may appeal an ACADEMIC DISQUALIFICATION status only one time. Subsequent appeals will not be accepted.

GRADUATION/AWARD CONFERRAL
EDUCATIONAL SERVICES PROCEDURE, ES 4592

I. INSTITUTIONAL REGULATIONS

The student must meet the College’s graduation requirements to be awarded a degree, diploma, or certificate.

II. PROCEDURE

A. Candidates for graduation must complete an application for every academic award they plan to receive unless they are conferred an award as described in II.E of this procedure. Application deadlines established by the Registrar are published on the DMACC web site, in the College catalog, and in the student handbook. Conferral dates will be at the end of fall semester, spring semester, or summer term. It is the responsibility of the student to know and to observe the requirements of their curriculum and the rules governing academic work.

B. Students must satisfy all requirements, including program credit totals, in effect at the time of enrollment in their program. The requirements must be completed within five years of the first term of program enrollment.

1. If program requirements are not satisfied within five years of the first term of program enrollment, students must complete the program requirements effective at the time of their program completion.
   a. If a student has completed all program requirements more than 5 years prior to the term for which they have applied for graduation, the program chair and registrar will evaluate the prior course work to determine if the course work will meet current program competencies and requirements.
   b. If an award conferral is approved the conferral date will be reflective to the term for which the application for graduation was submitted.
2. Students may always opt to follow current program requirements. Students who are currently completing program requirements when program curriculum changes may opt to follow the new academic program requirements.
3. Students must earn a minimum program cumulative 2.0 grade point average for all courses applicable to their program.
   a. Certain programs may require minimum grades in specific courses.
   b. Certain programs may require a higher program cumulative grade point average.
4. A minimum of 1/3 of semester credit hours applicable to the award being conferred must be completed at Des Moines Area Community College.
5. Candidates for graduation who earn a cumulative grade point average of at least 3.50 in coursework applicable to their program of study will graduate with program honors. Program honors are listed on a student’s transcript.
6. Adjustments may be made where program curriculum has changed, courses are no longer available, or where a credit shortage exists due to transfer credit. It is the responsibility of the student to know and to observe the requirements of the curriculum and the rules governing academic work.

C. If students have completed all required program courses five years or more prior to submission of an application for graduation for an award other than Liberal Arts Associate in Arts, Liberal Arts Associate in Science or an Associate in General Studies, a meeting is required with the program chair to determine if prior coursework will meet current program competencies and requirements.

1. The “Request for Late Application Award Conferral” form must be completed by the Program Chairperson and submitted to the Provost/Academic Dean and Registrar.
2. If an award conferral is approved, the conferral date will be reflective of the term for which the application for graduation was most recently submitted.
3. If the request is denied, the Program Chairperson will send written notification of the decision to the student and send a copy to the Registrar for inclusion in the student’s record.

D. Diplomas or a notification that program requirements have not been satisfied will be mailed to the student approximately four to six weeks after final grades have been posted.

1. All student academic records, including academic awards, will not be released if the student has an unpaid debt to the College.
2. Students who do not satisfy program requirements must submit a new graduation application indicating the term they will complete the program.

E. Students not currently enrolled may be evaluated by the Registrar’s Office and conferred selective awards without student notification. Students must meet all requirements as outlined in this procedure.
I. INSTITUTIONAL REGULATIONS
The College will comply with the Family Educational Rights and Privacy Act (FERPA) as mandated by the U.S. Congress, as it pertains to student records.

II. PROCEDURE
A. A student has the right to inspect and review his/her educational records. The Student Records Office at DMACC has been designated by the institution to coordinate the inspection and review of such records. A student must submit a written request to the Student Records Offices. Only records covered by the Act will be made available within 45 days of the receipt of the written request. Educational records do not include:
1. Records of instructional, administrative, and educational personnel which are the sole possession of the maker and are not accessible or revealed to any individual except a temporary substitute
2. Records of the Security Office
3. Student health records
4. Employment records
5. Alumni records
Health records, however, may be reviewed by physicians of the student’s choosing.

B. A student has the right to request and receive a response that explains or interprets his/her educational records.

C. Students may not inspect and review the following as outlined by the Act:
1. Financial information submitted by their parents
2. Confidential letters and recommendations associated with admissions, employment or job placement, or honors to which they have waived their rights of inspection and review
3. Education records containing information about more than one student, in which case DMACC will permit access only to that part of the record that pertains to the inquiring student
4. Confidential letters and recommendations placed in students’ files prior to January 1, 1975, provided those letters were collected under established policies of confidentiality and were used only for the purposes for which they were collected.

D. Students who believe that their educational records contain information that is inaccurate, is misleading, or is otherwise in violation of their privacy or other rights may discuss their problems informally with the Registrar. The Registrar may agree to amend appropriate records. If not, the student will be notified within a reasonable period of time that the records will not be amended and will be informed by the Registrar of his/her right to a formal hearing.
1. Requests for a formal hearing must be made in writing to the Executive Dean of Student Services, who, within a reasonable period of time after receiving such written requests, will inform the student of the date, place and time of the hearing. Students may present evidence relevant to the issues raised and may be assisted or represented at the hearing by one or more persons of their choice, including attorneys at the student’s expense. The hearing panels, which will adjudicate such challenges, will contain five members from the staff of DMACC appointed by the Executive Dean of Student Services, who will ensure that the panel members have no vested interest in the outcome of the hearing.
2. Decisions of the hearing panels will be final, will be based solely on the evidence presented at the hearing, will consist of written statements summarizing the evidence and stating the reasons for the decisions, and will be delivered in writing to all parties concerned. If the decision is in favor of the student, the education records will be corrected or amended in accordance with the decision of the hearing panel. If the decision is unsatisfactory to the student, the student may place with the education records statements commenting on the information in the records or statements setting forth any reasons for disagreeing with the decision of the hearing panel. The statements will be placed in the education records and released whenever the records in question are disclosed.
3. A student who believes that the adjudication of his/her challenge was unfair, or not in keeping with the provisions of the Act, may request in writing assistance from the Senior Vice President of Academic Affairs. Further, students who believe their rights have been abridged may file complaints with the Family Policy Compliance Office, U.S. Dept. of Education, 400 Maryland Avenue, SW, Washington, D.C. 20202-5901, concerning the alleged failure of DMACC to comply with the Act.
E. A student who wishes to have information about his/her educational record released or exchanged may 1) sign an Authorization for Release/Exchange of Information Form in the Student Record Office; 2) sign a comparable form, which may be provided in certain circumstances by the appropriate DMACC employee.

F. At its discretion, DMACC may release Directory Information in accordance with provisions of the Act. DMACC considers the following items to be Directory Information:

1. Student name
2. Address
3. Telephone number
4. Date and place of birth
5. Major field of study
6. Dates of attendance
7. Degrees and awards received
8. Previous educational agencies or institutions attended by the student
9. Participation in officially recognized activities and sports
10. Weight and height of members of athletic teams
11. Email address
12. Photograph (DMACC Student ID Card)

Students may withhold Directory Information by notifying the Student Records Office in writing within the first two calendar weeks of any semester. (See Notification of Retention of Directory Information Form ES 4600.) Requests for nondisclosure will be honored by the institution for only one calendar year after the date of the written request; therefore, authorization to withhold Directory Information must be filed annually in the Student Records Office.

G. College officials who have access to student records in the course of performing their professional responsibilities shall not be permitted to release the record to persons outside the College, unless authorized in writing by the student or unless one of the following exceptions applies:

I. A student may request and receive copies of all or part of his/her educational records, with certain exceptions. For example, a student may not receive a copy of academic records for which a financial “hold” exists or a copy of a transcript from another institution. There will be a fee of $.10 per sheet for records that are copied.

c. A specific plan for accommodation(s) cannot be implemented until the student has supplied all information and documentation specified immediately above; the Application for Accommodation(s) should be completed before the beginning of the semester, or as early in the semester as possible, to allow sufficient time to develop and implement an accommodation plan which will be useful to the applicant for admission or student with a disability; the later in the semester the application process begins, the less likely an accommodation plan can be fully implemented to accommodate the student’s needs within that semester; accommodations will not be retroactive within a semester.

B. Decisions On Applications for Accommodation:

1. Upon receipt of a complete application with full documentation, the Disability Services Coordinator, individually or in consultation with appropriate deans, instructors, and medical or other personnel retained by the College, and after consultation with the applicant for admission or student with a disability as well as the Disability Education and Awareness Committee (DEAC) to the extent deemed necessary or appropriate by the Disability Services Coordinator, shall make a determination regarding the requested accommodation. 2. Said determination shall be made within ten (10) working days.

3. The decision will be communicated in writing or some other form appropriate to the applicant for admission or student with a disability.

5. If accommodation(s) are granted, the Disability Services Coordinator, individually or in concert with other affected College personnel, shall develop and maintain in a confidential file a written accommodation plan.

6. The student with a disability shall be obligated to share a copy of this plan with appropriate College personnel who must necessarily be involved in implementation of the plan.

C. Appeals:

1. An applicant for admission or student who objects to the denial of accommodation(s) or who objects to an accommodation plan shall first, within ten (10) working days of notice of the decision, request a meeting with the Disability Services Coordinator to attempt to resolve the objection; upon receiving such a request, the Disability Services Coordinator shall arrange for the presence at the meeting of such deans, instructors, administrators or other College personnel as the Disability Services Coordinator believes may be helpful in resolving the objection, along with the ADA/Section 504 Coordinator.

2. Within two (2) working days of the meeting, the Disability Services Coordinator shall inform the applicant for admission or student with a disability of his or her final decision.

3. Within fifteen (15) working days of notice of the Disability Services Coordinator’s final decision, the applicant for admission or student with a disability may file a written appeal to the College Affirmative Action Officer.

II. PROCEDURE

1. Students at Des Moines Area Community College are guaranteed those rights and freedoms contained in the constitutions and laws of the United States and the State of Iowa, consistent with quasi-judicial decisions pertaining to educational bodies. More particularly, students are guaranteed their constitutional right to due process. Due process is the procedure that grants persons the right to address College actions as outlined below.

2. All DMACC students have the right to be evaluated in the classroom on the basis of satisfactory progress, academic achievement and fulfillment of educational requirements, with freedom of expression protected and respected. All DMACC students have the right to obtain clear statements of their academic obligations and responsibilities. A student will have the right to appeal through the established College procedures any action brought or taken by the College against the student that can reasonably be expected to affect the student’s status within the College. Students may not be discriminated against on the basis of race, color, national origin, creed, religion, gender, sexual orientation, gender identity, age, disability, genetic information, or, to the extent covered by law, veteran status.

3. Individuals who believe they have been discriminated against may file a complaint through the College discrimination complaint procedures. Complaint forms may be obtained from the Human Resources Department, the campus Provost's office, or the Affirmative Action Officer.

MINOR CHILDREN ON CAMPUS
EDUCATIONAL SERVICES PROCEDURE, ES 4616

I. INSTITUTIONAL REGULATIONS
A. The Board of Directors of DMACC confers upon the staff the power to invoke sanctions and promulgate rules to protect the educational processes and the rights of individual students and staff.

B. This is a companion procedure to DMACC Human Resources HR3323, Minor Children of Employees on Campus, adopted August 26, 2010.

II. PROCEDURE
A. As an institution of higher education, DMACC (the College) provides educational and support services primarily to adult learners. The College is a public facility of the State of Iowa, available to the general public who may wish to use its facilities, learn about its services and programs, or attend functions of the College. Through the following procedures, the College seeks to create an environment that is conducive to and supports the effective conduct of the educational process and provide for the safety of children in our communities.

B. Definitions

1. A minor child is defined as anyone not old enough to register for classes or programs, excluding dual enrollment students, without parental consent.

2. Non-student child is defined as anyone under the age of 18 who is not currently enrolled as a DMACC student or enrolled in a DMACC-sponsored program.

3. Campus facilities include but are not limited to: any classroom, computer center, dining facility, laboratory, library, hallway, gathering area, recreation facility, shop, parking lot, grounds outside of buildings or at any facility where DMACC holds classes or clinical/institutional activities.

C. Children with Supervision

1. The College recognizes that children often appropriately accompany adults during campus visits. However, the College does not assume responsibility for the safety of minor children, whether attended or unattended.

2. No employee, student or visitor to the College shall leave a child unattended at the College including: in campus buildings, on campus grounds, or in a vehicle. Nor may such person leave a child with a College employee or other student, unless that child is enrolled in an authorized program or activity of the College.

3. Minor children may visit College offices and facilities, other than classrooms, computer labs, laboratories, studios, or clinical settings, for limited periods of time, at the discretion of the office or facility that is the destination of the student or visitor.
4. Minor children should not be brought to campus unless closely supervised by the person who brings the child to campus (e.g., parent, guardian, babysitter or relative), and this person is solely responsible for the child. Children must be supervised at all times.

5. In order not to disrupt the teaching/learning activities of the College, students, staff and visitors are not permitted to have minor children accompany them into classrooms, computer labs, laboratories, studios, or clinical settings, even if supervised.

6. The children of DMACC employees shall not be on campus (e.g., office, classroom, computer lab, shop, library, gym, etc.) in lieu of child care arrangements during the employee’s working hours. (DMACC Human Resource Policy, HR3323, Minor Children of Employees on Campus)

7. Minor children may visit the College for college- or community-sponsored events such as: graduation, induction ceremonies, festivals, concerts, athletic events and family-promoted events.

D. Children without Supervision

1. For reasons of security and child welfare, the College will not permit unattended children to be left anywhere on the College property or in other locations where the College is offering courses.

2. Unattended children are not to use College facilities, including grounds, roadways, parking areas, playing fields, etc., for riding bicycles, rollerblading, skateboarding, or for other recreational purposes, when such conduct is considered reckless, dangerous or disruptive.

3. Procedure in the event that a child is found unattended:
   a. The child will be reported and turned over to Campus Security (Ankeny and Urban Campuses) or to the Campus Provost (Ames, Boone, Carroll, Newton, West).
   b. If possible, security or the Provost (or Provost’s designee) will take any unattended child to the classroom of the parent/guardian and will get the parent/guardian out of class to take over supervision of the child. The parent will not be permitted to bring the child into the classroom.
   c. If the parent/guardian cannot be located, and if deemed appropriate, the local police department will be notified.
   d. Unattended children who are on campus without a parent or accompanying adult may be asked by security to leave, may be referred to the Department of Children and Family Services, or may be referred to the local police, depending upon the circumstances (e.g., child’s age, address, behavior, etc.).
   e. Repeat instances of a student and/or employee leaving a child unattended may result in student and/or employee disciplinary action.

III. EXCEPTIONS

A. Children accepted into classes or special college programs are allowed on campus as designated in the guidelines of the program.

1. Under certain circumstance (as designated by the College Administration) and under the auspices of special programs, students under the age of 18 may attend classes and/or participate in programs/activities at the College. Examples of such programs:
   a. High school students enrolled in courses through the “Postsecondary Education Options (PSEO) Act”;
   b. Students enrolled in a program related to State “senior year plus” legislation; or
   c. Students enrolled in career advantage courses or career academies.

2. Children may be unattended if they are enrolled in College-sponsored programs designed for children to include:
   a. Upward Bound
   b. Trio program
   c. DMACC summer camp programs
   d. DMACC Child Development Center
   e. Other College activities targeted toward children.

3. The College and/or the program participants provide supervision for children enrolled in these activities designed for children.

B. DMACC Libraries and Computer Labs

1. DMACC libraries and computer labs are open to college students, faculty and staff. Community members may use the facilities if space is available. Any person (adult or child) creating a disruption may be asked to leave.
   a. The purpose of these facilities is to provide resources to support the educational needs of the students. As such, the facilities provide unfiltered Internet access and some resources and materials that are not appropriate for minor children.
b. Parents or guardians of minor children must assume responsibility for their child’s use of the Internet and inform them about information they should not access. Parents or guardians must also assume responsibility for their children’s behavior. If that behavior is disruptive or distracting to others, they will be asked to leave.

2. There are no areas within the College libraries or computer labs specifically designed for children’s use. Unattended children are vulnerable and the College staff cannot ensure their safety and security. Therefore, the libraries and computer labs are not appropriate places for unsupervised or unattended children.
   a. Children 12 years of age and under who are not students at DMACC must be under the direct supervision of a parent/guardian.
   b. Children enrolled in junior high (grades 7-8) or high school (grades 9–12) who are not DMACC students are considered community users and must abide by the library policies for such patrons. They will be asked to show staff a valid school ID card.

3. Parents/guardians are responsible for any act of vandalism committed by their minor child while on campus (e.g., cutting, tearing, defacing, destroying books, periodicals, equipment, furniture, etc.) and will be charged for such damages.

ADVISORS FOR STUDENTS IN ACADEMIC OR DISCIPLINARY HEARING
EDUCATIONAL SERVICES PROCEDURE, ES 4625

I. INSTITUTIONAL REGULATIONS
   The Board of Directors of DMACC confers upon the staff the power to invoke sanctions and promulgate rules to protect the educational processes and the rights of individual students and staff.

II. PROCEDURE
   A. Students who have been charged with violations of the academic or disciplinary policies may have up to two advisors (including legal counsel) present during a hearing. The student must sign an authorization for release of information form giving the advisor(s) permission to hear the testimony and have access to written documentation discussed at the hearing, which is normally a confidential part of the student’s educational record.
   B. DMACC will make this procedure available to advisor(s) of students charged with violations of the academic or disciplinary procedures of the College so that the roles and purposes of these proceedings will be clear to all participants.
   C. The hearings conducted by the College Review Board and College Judicial Hearing Board are not quasi-judicial proceedings. Therefore, advisor(s) may be present (at the student’s expense) to advise the student, but may not actively participate by questioning witnesses, cross-examining witnesses or other participants, or formally addressing the hearing board. The role of the advisor(s) is to advise the student, and assist the student in performing such questioning. The chairperson of the College Review Board or College Judicial Hearing Board will determine whether offered evidence is admissible.
   D. Students who are involved in these hearings are provided with the complete policy and procedure statement of the College and should provide their advisor(s) with this information. A counselor or advisor is available on each campus for additional assistance.

This includes conduct that may occur before classes begin, or after classes end, as well as during the academic year and during periods between semesters of actual enrollment. The Student Conduct Policy shall apply to a student’s conduct even if the student withdraws from school while a disciplinary matter is pending. The Judicial Officer shall decide whether the Student Conduct Policy shall be applied to conduct occurring off-campus, on a case-by-case basis.

2. Following the period of investigation, the Provost/Dean, in consultation with the Judicial Officer, shall determine if evidence exists for formal charges to be brought against a student for a violation of the Student Conduct Code.
   a. If the charges are of a minor nature (suspension is NOT warranted), the case will be heard in a disciplinary conference (Section VIII.A.) before the Provost/Dean or Judicial Officer.
   b. If the charges are of a major nature (suspension is warranted), the case will be heard by the College Judicial Hearing Board (Section VIII.B.). If expulsion is warranted, the case will be referred to the Office of the President (Section X).

If an informal resolution is made, the student signs a letter by the Provost/Dean or Judicial Officer stating the terms of the resolution and indicating his/her consent to these terms.

3. If it is determined that formal charges should be brought, the Provost/Dean or Judicial Officer shall send to the student involved a Notice of Charge (Section VIII.A & B).

A suspended student may be prohibited from appearing on the campus, at attendance centers, at off-campus classes at cooperating agencies, or any activity sponsored by the College.

- **A recommendation for expulsion (Section X below).**

- The board may make recommendations to the student and/or the appropriate Campus Provost or Academic Dean (or designee).

- In situations where the student has been temporarily suspended from class, the matter will be turned over to the appropriate Campus Provost or Academic Dean (or designee). The Campus Provost or Academic Dean (or designee) will consult with the original instructor to determine the student’s previous progress in the course, obtain all course assessments completed, and a list of competencies not yet completed. The Campus Provost or Academic Dean (or designee) will consider options on how the student can complete the course. Options may include, but are not limited to: returning to the class, changing to a new section, if available; completing a directed study; or completing course competencies in another way acceptable to the program chair or alternative faculty member. An alternative to the above list is a withdrawal from the course (with or without refund).

The final grade will be assigned by the instructor overseeing the selected option. The instructor assigning the grade will take into account the assessment information gathered from the previous instructor.

**IX. APPEAL PROCEDURES**

A. The student may appeal the decision of a Provost/Dean, Judicial Officer or College Judicial Hearing Board.

1. Appeals by the student must be made in writing and delivered to the Senior Vice President of Academic Affairs (or designee) (Appellate Officer) within ten (10) business days of receiving the decision. The notice of appeal shall contain the student’s name, the date of the decision or action, and reasons for appeal.

2. The following constitute reasons for an appeal:
   - The student’s due process rights were substantially violated in the hearing process.
   - There was not substantial evidence to support the decisions reached.
   - There is new material evidence that could not have been discovered at the time of the hearing.
   - The sanctions imposed were too severe or not appropriate for the violation.
B. Failure to appeal or comply with appeal procedures will render the original decision final. In the event of extenuating circumstances, an extension in time may be requested by submitting a written request to the Senior Vice President of Academic Affairs (or designee) stating good reasons for the request of additional time.

C. Any sanction imposed as the result of a Disciplinary Conference or College Judicial Board Hearing will remain in effect during the process of appeal. The appellate officer has the authority, under extenuating circumstances, to defer the imposed sanction while the appeal is in process.

D. The Appellate Officer shall review the case file and if available, the tape recording of the hearing. The Appellate Officer may then ask to meet with each party for a short oral summary of the arguments. The Appellate Officer may do one of the following:
   1. Affirm the original decision.
   2. Reverse the decision by finding no violation occurred.
   3. Remand the case for a new hearing.
   4. Remand the case for consideration of new evidence.
   5. Reduce the sanction.

E. The Appellate Officer’s decision and reasons for the decision will be delivered to the student and the Judicial Officer by registered mail to the student’s last known address within five business days of the receipt of the appeal.

F. The Appellate Officer’s decision is the final decision of the College.

X. EXPULSION
The Executive Dean of Student Services or College Judicial Hearing Board may recommend expulsion to the Board of Directors. In that event, the College shall serve the student with Notice of Charges and schedule the matter for hearing before the Board of Directors.

XI. DISCIPLINARY RECORDS
A. If disciplinary action is taken against a student under the procedures outlined above, and a sanction imposed, a record of the action including a copy of the Student Conduct/Discipline Report Form, Notice of Hearing Letter, and Decision will be placed in the student’s disciplinary file maintained by the Judicial Officer.

B. If the student is suspended or expelled from DMACC, a notation will be placed on the student’s transcript for the entire semester of the student’s suspension indicating that the student is suspended due to disciplinary action.

C. Disciplinary actions are part of the education records of the student, and consequently, are not available for public disclosure or discussion. The College will not disclose information outside the College relating to the student’s disciplinary record, except as allowed by law, if prior written permission from the student has not been received.

D. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including security personnel and the campus nurse); a person or company with whom the College has contracted (such as an attorney, auditor or collection agent); a person serving on the Board of Directors; or a student serving on an official committee, such as the Petition for Policy Waiver Committee, College Review Board or College Judicial Hearing Board, or assisting another school official in performing his or her tasks. A school official has legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibilities. College officials include students serving on institutional committees. College officials who have access to student records in the course of performing their professional responsibilities shall not be permitted to release the record to persons outside the College, unless authorized in writing by the student or unless one of the exceptions stated earlier applies.

E. The College will retain discipline files for suspended or expelled students indefinitely. All other disciplinary records may be maintained for a period of seven years and then may be destroyed by the College. Recordings of disciplinary hearings may be destroyed following the exhaustion of the appeal process.

   c. Third and Additional Violations. Student is required to pay a fine.
      i. First fine—$50.
      ii. Subsequent fines—$50

2. Violations of the Tobacco Free College policy may also result in violations of ES 4630 Student Conduct, Discipline and Appeals Procedure. The Judicial Officer will review Student Conduct/Discipline Reports and may choose to file additional charges according to ES 4630.

3. Sanctions may only be imposed after the student has accepted responsibility for the alleged violation of the Tobacco Free Campus Procedure, the student has been found responsible by the College Judicial Hearing Board, or if the student is unavailable to respond to the alleged violations.

IV. APPEAL PROCEDURES
1. If the student believes he or she is not responsible for an alleged violation of tobacco use, he or she may appeal to the Campus Provost or the Executive Dean of Student Services within ten (10) business days of receipt of the Student Conduct/Discipline Report Form. Failure to submit an appeal form within the scheduled time period will result in the sanction being imposed.

2. Students have the right to appeal an alleged violation of the Tobacco Free College policy and/or a sanction they believe is unjust for a tobacco violation. Students wishing to appeal a DMACC Tobacco Free Campus violation must complete and file a General Complaint Appeal Form.

STUDENT COMPLAINTS CONCERNING FACULTY/STAFF ACTIONS
EDUCATIONAL SERVICES PROCEDURE, ES 4640

I. INSTITUTIONAL REGULATIONS
The Board of Directors of DMACC confers upon the staff the power to invoke sanctions and promulgate rules to protect the educational processes and the rights of individual students and staff.

A. Students may file a General Complaint if they feel they have been mistreated by a staff member, if departmental policies and procedures are unclearly written or inconsistently applied, or if a student has extenuating circumstances that may directly affect the educational process. A General Complaint cannot be filed regarding final grades, academic misconduct, discrimination, or sexual harassment (see Appeal of Final Grades Procedure ES 4660 or Academic Misconduct ES 4670).
B. If the complaint about the faculty or other staff member is one of discrimination, including harassment, based on sex, age, race, religion, national origin, sexual orientation, color, creed, or disability, gender identity and genetic information, the student should contact the campus counselor or advisor, the campus Dean/Provost’s Office, or the Judicial Officer, regarding the Discrimination Complaint Procedures for Students ES 4645. Veteran status in educational programs, activities, employment practices, or admission procedures is also included to the extent covered by law.

II. PROCEDURE

A. Student complaints concerning actions of faculty/staff members are pursued first through informal mechanisms.

1. The student should first attempt to resolve the issue with the faculty/staff member involved.
2. If this contact does not result in a satisfactory outcome, the student should follow the established chain of command (e.g., director, dean, or provost) within the appropriate department of the College.
3. Students who have concerns with individual faculty/staff members are required to contact the counselor or advisor on their respective campus for suggestions, support and procedures for dealing with complaints against the faculty/staff person. The counselor’s or Advisor’s signature is required on the General Complaint Form (ES 4640).

B. General Complaint Procedure

1. A General Complaint will be limited to concerns about classroom management, classroom procedures, departmental policies or College policies.
2. To initiate a complaint, the student must complete the General Complaint Form.
3. Students are to work with the counselor or advisor in working through the complaint process. The counselor or advisor has the responsibility of assuring that the students’ rights and complaint procedures are understood by the student. This form must be submitted to the faculty/staff member within twenty-one (21) calendar days of the event.
4. The faculty/staff member to whom the general complaint has been directed has seven (7) calendar days to respond to the complaint. The faculty/staff member must respond in writing at Step One of the General Complaint Form. The original copy of the complaint form will be returned to the student.
5. If the complaint cannot be resolved at Step One, the student must submit the original General Complaint Form that includes the Step One signature within seven (7) calendar days to the next appropriate supervisor. The supervisor, dean or provost will discuss the complaint with the student and faculty/staff member within seven (7) calendar days following receipt of the written complaint, and a written response will be made to the student and faculty/staff member by completing the information on Step Two of the General Complaint Form within seven (7) calendar days of the date of the decision. The original copy of the complaint form will be returned to the student.
6. If the complaint cannot be resolved at Step Two, the student may proceed to Step Three, which is the final step by submitting the complaint to the appropriate Vice President. The Vice President will discuss the complaint with the student and faculty/staff member within seven (7) calendar days following receipt of a written complaint, and a written response will be made to the student and faculty/staff member by completing the information on Step Three of the General Complaint Form within seven (7) calendar days of the date of the decision. The original copy of the complaint form will be returned to the student, and the final form will be sent back to the Step Two decision-maker. This concludes the appeal procedure. This is the final level of the appeal process.
7. Time Limits. If any time limits are not met by the College personnel, the complaint automatically goes to the next higher level. If time limits are not met by the student, the complaint is cancelled.
8. Records of Complaints. All records connected with a student General Complaint will be maintained by College personnel in a separate file at the “step” where resolution of the complaint was accomplished and a complete copy forwarded to the office of the Executive Dean of Student Services. This will not become part of the student’s academic record.

designee, may meet with the complainant or any other parties deemed appropriate. A final written decision shall be issued within 10 working days from receipt of the complaint at Step 4.

C. Harassment Complaints

1. If an individual believes s/he is being harassed on the basis of a protected status (e.g., sex, race, etc.), s/he should make his/her objections known to the alleged harasser. If this fails to stop the objectionable behavior, or if the individual is not comfortable confronting the alleged harasser, s/he should immediately bring the matter to the attention of the employee's current supervisor, a College administrator, counselor or advisor, or the Judicial Officer.

2. Harassment complaints may be filed formally (in writing on the Discrimination Complaint Form for Students) or informally (verbally). If an individual elects not to file a formal complaint, the College shall still be obligated to investigate the individual's allegations.

3. Arrangements shall be made if the complainant wishes to speak specifically to a male or female investigator.

D. All reported complaints shall be investigated.

1. Investigators shall maintain the role of a neutral in the investigation process.

F. Time limits may be extended by written mutual agreement of the parties. If the administration fails to respond within the prescribed time limits, the complainant may proceed to the next step.

G. The College expressly prohibits the intentional filing of a false discrimination claim. An intentional false claim is different from a claim where the conclusion is unfounded or of no eventual determination. Filing of a false discrimination claim may result in sanctions according to Student Conduct, Discipline and Appeals, ES 4630.

**PETITION FOR POLICY WAIVER**

**EDUCATIONAL SERVICES PROCEDURE, ES 4650**

I. INSTITUTIONAL REGULATION

A student who feels extenuating circumstances prevent compliance with the established dates for drop, add or tuition refund may ask for special consideration by completing a PETITION FOR POLICY WAIVER form (Form ES 4650). The petition may be obtained from the DMACC webpage at www.dmacc.edu/student_services/policies_procedures.asp and submitted to the Registrar’s Office (Ankeny) or the Student Services Office (all other campuses). Students are required to work with a counselor or advisor who can explain the petition procedures and ensure the students’ rights are understood by the student. Petitions shall be submitted no later than the end of the semester immediately following the semester for which the student is petitioning.

II. PROCEDURE

A. Issues addressed by Petition for Policy Waiver Committee:

1. A student who wishes to add a course after the last day to add classes for the semester must, in addition to obtaining approval of the course instructor per ES 4554 Registration Status Procedure, also obtain the approval of the Petition for Policy Waiver Committee through submission of a petition.

2. A student who wishes to drop a course after the published drop deadline must obtain approval of the Petition for Policy Waiver Committee through submission of a petition.

3. A student who drops a course and wishes to receive a tuition refund larger than the normally calculated refund must obtain the approval of the committee through submission of a petition.

B. It is the responsibility of the student to provide the Committee with appropriate documentation outlining the details of petition. Supporting documentation specifying relevant details, (e.g., onset, treatment and release dates for medical issues and obituary for family deaths) must accompany the PETITION FOR POLICY WAIVER form (Form ES 4650).

C. A committee comprised of the Registrar, Director of Financial Aid, Supervisor of Student Accounts, student member nominated by the Student Activities Council or the Executive Dean of Student Services and a faculty representative (or their designee) will review all evidence. Each member will exercise one vote in determining the validity of the claim. The committee’s decision will be communicated in writing to the student and the counselor or advisor who assisted the student. Other College personnel may assist with the investigation and may be asked to participate in the
committee as ad hoc, nonvoting participants. A campus counselor or advisor may also attend the Petition for Policy Waiver Committee meetings as a nonvoting participant.

D. If the Committee determines that the petition would be more appropriately dealt with under the ES 4630 Student Conduct, Discipline, and Appeals Procedure, a voting member of the Petition for Policy Waiver Committee will provide the student with a copy of the procedure and refer the student to the appropriate campus counselor or advisor.

E. If the petition involves alleged discrimination, a voting member of the Petition for Policy Waiver Committee shall provide the student with a copy of ES 4645 Discrimination Complaint for Students and refer the student to a counselor or advisor, the campus Dean/Provost’s office, or the Judicial Officer.

F. If the petition alleges disputes between the student and instructor(s), a voting member of the Petition for Policy Waiver Committee will refer the student to a counselor or advisor for assistance in filing an appropriate procedure.

G. If the student seeks an administrative withdrawal due to medical or mental health conditions or if the Committee believes that may be warranted, the petition will be referred to the Executive Dean of Students, and procedures outlined in ES 4520 Administrative Withdrawal will be followed.

H. If the student’s petition has not been approved, the student may request further committee consideration if the student presents new or not previously submitted information or documentation. This information or documentation must be presented in writing within 10 (ten) working days of the initial petition denial. A student may request Committee reconsideration one time. After further consideration, the decision will be communicated to the student in writing. This is the final level of appeal.

APPEAL OF FINAL GRADES PROCEDURE
EDUCATIONAL SERVICES PROCEDURE, ES 4660

I. INSTITUTIONAL REGULATIONS

The Board of Directors of DMACC confers upon the staff the power to invoke sanctions and promulgate rules to protect the educational processes and the rights of individual students and staff.

II. PROCEDURE

A. The Appeal Process for Final Grades

The purpose of the Appeal Process for Final Grades is to provide the student with a safeguard against receiving an incorrect final grade, while respecting the academic authority of the instructor. This procedure recognizes that every student has a right to receive a grade assigned upon a fair and unprejudiced evaluation based on a method that is neither arbitrary nor capricious. Furthermore, instructors have the right to assign a grade based on any method that is professionally acceptable, submitted in writing to all students, and applied equally. This procedure is not intended to deal with faculty misconduct; if misconduct is alleged, refer to procedure ES 4640.

1. Assigning of final grades is the responsibility of the faculty member teaching the course. The faculty member is the person best qualified to judge the academic progress of the student enrolled in that course.

2. When a student believes s/he has received an incorrect final course grade, the student will first collect information about the course requirements to help in making an informed decision. Those sources of information will include 1) the course syllabus, including the course objectives and instructor’s grading system and 2) a preliminary discussion with the instructor, during which grade disputes due to computational errors, computer errors, misunderstandings in completion of assignments, or other issues can be resolved only if the instructor is no longer working at the College or is otherwise unavailable may the student proceed to appeal the final grade without discussing the matter with the instructor.

3. Students are to work with a counselor or advisor (See ES 4620) in working through the appeal process. The counselor or advisor assures that the student’s rights and procedures are understood by the student. The counselor or advisor may also serve as a resource for faculty.

4. Faculty members are entitled to have a support person present at any point(s) during the process. The support person may not be anyone who is otherwise involved in the process, but might be, e.g., DMACC colleague or HEA representative.

5. A student may submit a formal grade appeal when s/he believes that a final grade is incorrect, arbitrary or capricious. However, the student bears the burden of providing verifiable evidence that there are sufficient grounds for changing a grade.

6. To initiate an appeal, a student must complete the Appeal of Final Course Grade Form (Final Course Grade Appeal Form–ES 4660), which will include a detailed description of all relevant information and documentation in support of the appeal and the remedy sought. The counselor’s or advisor’s signature is also required on the form. To initiate Step 1 of the appeal process, the form must be submitted to the instructor within the first three (3) weeks of the
next College semester after the grade was assigned (an equivalent exception will be allowed for non-regularly reported grades). The instructor will discuss the appeal with the student within five (5) full College class days following receipt of the appeal form; response to Step 1 on the appeal form will be made to the student within five (5) full College class days after this discussion. The original copy of the appeal form will be returned to the student, and a photocopy will be retained by the instructor.

7. If resolution of the appeal cannot be made with the instructor, the student may initiate Step 2 of the appeal process by submitting the original copy of the appeal to the chairperson/group leader/director within five (5) full College class days of notification of the instructor’s decision. The chairperson/group leader/director will discuss the appeal with the student and instructor within five (5) full College class days following receipt of the appeal form; the purpose of this discussion is to help find a resolution of the grade dispute. The outcome of the discussion will be noted in Step 2 on the appeal form and the original copy of the appeal form will be returned to the student within five (5) full College days after this discussion.

8. If resolution of the appeal cannot be made during Step 2, the student may initiate Step 3 of the appeal process by submitting the original copy of the appeal to the academic dean/provost within five (5) full college class days of notification of the outcome of step two. The academic dean/provost will discuss the appeal with the student, instructor, and chairperson/group leader/director within five (5) full college class days following receipt of the appeal form; the purpose of this discussion is to help find a resolution of the grade dispute. The outcome of the discussion will be noted in Step 3 on the appeal form and the original copy of the appeal form will be returned to the student within five (5) full college class days of the discussion date.

9. If resolution of the appeal cannot be made during Step 3, the student may initiate Step 4 of the appeal process by submitting the original copy of the appeal to the Chairperson of the College Review Board within five (5) full College class days of notification of the outcome of Step 3. The academic dean/provost will inform the student of this right. The academic dean/provost will also certify to the College Review Board Chairperson that the steps in the grade appeal have been fulfilled and will forward a copy of all actions taken up to this point in the appeals process. The hearing will be scheduled within five (5) full College class days of receipt of the student’s original appeal form, and response to Step 4 on the appeal form will be made to the student within five (5) full College days of the date of this meeting.

10. The College Review Board will reach one of the following decisions:
   a. The College Review Board may reach a resolution that is mutually acceptable to the student and the instructor who issued the grade or sanction. Should the acceptable conciliation involve a grade change, the instructor will submit a change of grade form.
   b. The College Review Board may determine that it would be unjust to allow the original grade or sanction to stand. The new grade may be higher than, the same as, or lower than the original grade. The Chairperson of the College Review Board and three members from the College Review Board will sign and submit the change of grade form to the Registrar.
   c. The College Review Board may determine that the original grade or sanction stands.

11. Decisions reached and implemented by the College Review Board are final and binding on all parties.

12. The instructor and student will be advised in writing of the College Review Board decision.

13. Under no circumstance may persons other than the original faculty member or the College Review Board change a grade.

14. The original copy of the appeal form will be returned to the student.

15. If any timelines are not met by College personnel, the appeal automatically goes to the next higher level. If timelines are not met by the student, the appeal process is cancelled.

**ACADEMIC MISCONDUCT**

**EDUCATIONAL SERVICES PROCEDURE, ES 4670**

**I. INSTITUTIONAL REGULATIONS**

The Board of Directors of DMACC confers upon the staff the power to invoke sanctions and promulgate rules to protect the educational processes and the rights of individual students and staff.

**II. PROCEDURE**

A. The following acts by students are prohibited:

1. Engaging in any form of plagiarism, which is defined as the appropriation of and use of another person’s writing, and passing it off as the product of one’s own efforts or copying any work and submitting it as original work.
2. Falsifying with respect to any examination, paper, project, application, recommendation, transcript, or test, or by any dishonest means whatsoever, or by aiding or abetting another student to do so.

3. Using materials or collaborating with another person (or persons) during a test or other assignments without authorization.

4. Substituting for another student, or permitting another person to substitute for oneself, to take an examination, course, or test, or to provide the work for any assigned project.

5. The acquisition of grades, academic credits, degrees, honors, awards, certification or professional endorsements by means of cheating.

6. Failing to comply with the policies of the student’s program or department stated in College publications.

B. Investigation and Charge Procedure for Alleged Violations of Academic Misconduct

1. An instructor who believes a student has violated the Academic Misconduct Policy should complete an Academic Misconduct Report Form, attach all documentation used to come to this conclusion (course syllabus, assignment, test, quiz, source of plagiarized material, etc.), and send a copy to the Dean/Provost, Judicial Officer, and to the student.

2. The originator must make a good faith effort to communicate with the student to provide him/her an opportunity to respond to the charges. The instructor should communicate to the student the sanction to be imposed. If the student is unavailable, the instructor should indicate the reason in Part 4 and document the sanction on the Academic Misconduct Report Form.

3. If the student admits responsibility for the violation, the student should indicate that by checking option one (1) on Academic Misconduct Report Form in Part 4. If the student does not agree with the proposed sanction or denies responsibility for the alleged violation by checking option two (2) or three (3) on Academic Misconduct Report Form in Part 4, the instructor, Dean/Provost or Judicial Officer should provide the student with Student Instructions for Completion of Appeal of Academic Misconduct Allegations Form and the Appeal of Academic Misconduct Allegation Form to be submitted by the student to the Judicial Officer within 10 (ten) business days of receipt of the Academic Misconduct Report Form. No sanctions can be imposed until responsibility is determined; however, if extenuating circumstances exist, a temporary grade can be issued by the instructor. See appeal procedures (Section D) for additional information.

C. Sanctions

1. The instructor may reduce the student’s grade, including the assignment of a failing grade (F) for all or any portion of the course.

2. Sanctions may only be imposed after the student has accepted responsibility for the alleged violation of Academic Misconduct, the student has been found responsible by the College Judicial Hearing Board, or if the student is unavailable to respond to the alleged violations.

3. Based on information presented in the hearing, the College Judicial Hearing Board may determine that a change of grade is warranted or they may determine that the original grade stands. The new grade may be higher than, the same as, or lower than the original grade. The College Judicial Hearing Board may request that the instructor submit a change of grade form. If the instructor is absent or unwilling to submit the change of grade form, then the Chairperson and three board members will sign and submit the change of grade form to the Registrar.

4. An accused student has the option to stay in the course or drop the course within the approved time period as described in policy ES 4554 Registration Status Procedure. A student who has been found responsible for Academic Misconduct and has received the sanction of a failing grade in the course will not be permitted to withdraw from the course. A student who chooses to withdraw before the outcome of a College Judicial Hearing Board will be permitted to withdraw but will be placed back into the course by the Registrar if he or she is found responsible and the instructor imposes a failing grade for the course.

5. Violations of the Academic Misconduct policy are also in violation of ES 4630 Student Conduct, Discipline and Appeals Procedure. The Judicial Officer will review Academic Misconduct Reports and may choose to file charges according to ES 4630. Such sanctions may include reprimand, restitution, conduct probation, educational sanctions, suspension or termination of the use of College property, resources, or activities, suspension from the College or certain courses for a specified period, or a recommendation for expulsion from the College.

D. Appeal Procedures

1. Students have the right to appeal an alleged violation of Academic Misconduct and/or a sanction they believe is unjust for academic misconduct.
2. If the student believes he or she is not responsible for an alleged violation of academic misconduct, he or she may appeal to the College Judicial Hearing Board by completing an Appeal of Academic Misconduct Allegation Form and submitting it to the Judicial Officer within 10 (ten) business days of receipt of the Academic Misconduct Report Form. Failure to submit an appeal form within the scheduled time period will result in the sanction being imposed. The College Judicial Hearing Board comprised of five members (two faculty, a student and two staff representatives) will hear all evidence in the case including witness testimony and documentation and will make a decision about whether the student is responsible or not responsible for a violation of academic misconduct.

3. If the student is found responsible, the instructor’s sanction will be imposed and the board has discretion to impose additional sanctions outlined in ES 4630 Student Conduct, Discipline and Appeals Procedure. Details about the College Judicial Hearing Board’s procedures are found in ES 4630. The student may appeal the College Judicial Hearing Board’s decision to the Senior Vice President of Academic Affairs using the procedures in ES 4630. A copy of the hearing board’s decision will be mailed to the student by registered mail at the last known address provided to the College by the student.

4. If the student is not satisfied with the College Judicial Hearing Board’s decision, the student may appeal to the Vice President of Academic Affairs (or designee) within 10 (ten) business days of receiving the decision. The student must complete the Appeal of Academic Misconduct Allegation Form and submit it to the Judicial Officer within 10 (ten) business days of the date the sanction was imposed. The appeal procedures are outlined in ES 4630 Student Conduct, Discipline and Appeals Procedure.

5. The Judicial Officer will meet with the student to discuss the hearing process and review the student’s rights at the hearing listed in ES 4630 Student Conduct, Discipline and Appeals Procedure.

E. Disciplinary Records

1. The Judicial Officer shall maintain a record of academic misconduct and shall notify other areas of the College, as are concerned, with action taken.

2. Disciplinary actions are part of the education records of the student and consequently are not available for public disclosure or discussion. The College will not disclose information outside the College relating to the student’s disciplinary record, except as allowed by law, if prior written permission from the student has not been received.

3. If a student is suspended from the College, a notation will appear on the student’s transcript indicating that he or she is suspended and the period of suspension.

4. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including security personnel and the campus nurse); a person or company with whom the College has contracted (such as an attorney, auditor or collection agent); a person serving on the Board of Directors; or a student serving on an official committee, such as the Petition for Policy Waiver Committee, College Review Board or College Judicial Hearing Board, or assisting another school official in performing his or her tasks. A school official has legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibilities. “College officials” include students serving on institutional committees. College officials who have access to student records in the course of performing their professional responsibilities shall not be permitted to release the record to persons outside the College, unless authorized in writing by the student or unless one of the exceptions stated earlier applies.

**EDUCATIONAL SERVICES PROCEDURE, ES 4790**

**I. SCOPE**

A. Use of technology, including peer-to-peer file-sharing, for the unauthorized acquisition or distribution of copyrighted materials may subject users to College disciplinary actions and civil or criminal liabilities.

B. Peer-to-peer (P2P) file-sharing applications allow users to download and share electronic files. These applications allow the user to use any computer as a server for file-sharing requests. Installing such applications can result in the intentional and unintentional sharing of files. Illegal file-sharing, intentional or otherwise, leaves the user open to costly liabilities.

C. Users should be cautious in using these applications. It is possible that such applications share files without the user's knowledge and consent. In addition, file-sharing activities can create a disproportionate consumption of College network resources (e.g., bandwidth), which may compromise educational activities. Peer-to-peer file-sharing may also undermine the integrity of the College network via viruses, spyware and identity theft.

**II. INSTITUTIONAL REGULATIONS**

A. There are legitimate uses of peer-to-peer file-sharing and therefore the College will not ban the use of such applications. The College acknowledges some peer-to-peer activity may involve the illegal acquisition and distribution of copyrighted music and video in particular and will take the following steps to comply with Higher Education Opportunity Act (HEOA) of 2010:

1. Provide an annual disclosure to students describing copyright law and campus policies related to violating copyright law. The disclosure will include the following:
   a. A statement explicitly informing students about civil and criminal liabilities related to the unauthorized acquisition and distribution of copyrighted materials;
b. A summary of the penalties for violation of Federal copyright laws; and

c. A description of the institution’s policies with respect to unauthorized peer-to-peer file-sharing, including disciplinary actions that are taken against students who engage in illegal downloading or unauthorized distribution of copyrighted materials using the College's technology system.

2. Implement a written plan to effectively combat the unauthorized distribution of copyrighted materials by users of the College network, including the use of one or more technology-based deterrents listed below. Such a plan will be reviewed periodically using relevant assessment criteria as determined by the College.

   a. Bandwidth shaping
   b. Traffic monitoring to identify the largest bandwidth users
   c. A vigorous program of accepting and responding to Digital Millennium Copyright Act of 1998 (DMCA) notices
   d. A variety of commercial products designed to reduce or block illegal file-sharing

B. The College will provide to its users a list of legitimate download services. In addition, the College will seek to comply with the DMCA by:

   1. Registering with the U.S. Copyright office designating the agent for notification of claims of infringement;  
   2. Posting such information on the College website in a location accessible to the public; and
   3. Accepting and responding to DMCA notices.

III. SUMMARY OF COLLEGE DISCIPLINARY ACTIONS

A. In accordance with the College Technology Use Policy (IT6100), Information Technology personnel may temporarily or permanently disable an account or service to an individual when there is reason to believe an alleged violation of the policy has occurred. This may happen when users:

   1. Violate Federal, State or Local law:
   2. Could result in damage or interfere with official College business, and/or could result in liability for the College.

B. A student who is believed to have violated the DMACC Technology Use Policy (IT6100) may be charged with a violation of the Student Conduct Code according to the Student Conduct, Discipline and Appeals Procedure, ES 4630.

IV. SUMMARY OF CIVIL AND CRIMINAL PENALTIES FOR VIOLATION OF FEDERAL COPYRIGHT LAWS

A. Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under Section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

B. Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than $750 and not more than $30,000 per work infringed. For “willful” infringement, a court may award up to $150 per work infringed. A court can, in its discretion, also assess costs and attorney’s fees. For details, see Title 17, United States Code, Sections 504, 505.

C. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to $250,000 per offense.

D. For more information, please see the website of the U.S. Copyright Office at www.copyright.gov, especially their FAQs at www.copyright.gov/help/faq.

MISSING STUDENT
EDUCATIONAL SERVICES PROCEDURE, ES 5010

I. INSTITUTIONAL REGULATION

The purpose of this policy is to establish procedures for DMACC’s response to reports of missing students, as required by the Higher Education Opportunity Act (HEOA) of 2008.

II. SCOPE

A. This policy applies to students who reside in DMACC-operated campus housing or student housing physically located on DMACC property operated by an outside contractor.
III. DEFINITIONS
A. For purposes of this policy, a student may be considered to be a “missing student” if the student’s absence is contrary to his/her usual pattern of behavior and unusual circumstances may have caused the absence. Such circumstances could include, but not be limited to, a report or suspicion that the missing person may be the victim of foul play, has expressed suicidal thoughts, is drug dependent, is in a life-threatening situation, or has been with persons who may endanger the student’s welfare.

IV. PROCEDURES
A. Designation of Confidential Emergency Contact Information
Students will be given the opportunity annually to designate an individual or individuals to be contacted by the College in accordance with the procedures set forth below.
1. Boone Campus—per housing contract.
2. Other student housing located on DMACC property—per housing contract.
   a. A designation will remain in effect until changed or revoked by the student.
   b. This information will be maintained confidentially and will be made available only to the DMACC Boone Campus Provost’s Office and Executive Dean of Student Services.
   c. Students who do not designate a contact person should be aware that local law enforcement will be immediately notified in the case that they are believed to be a ‘missing student.’
B. Official notification procedures for missing students
1. Any individual on campus who has information that a residential student may be a missing student must notify the appropriate campus office (Boone Campus—Provost Office; Ankeny Campus—Executive Dean of Student Services) as soon as possible and in no event, later than 24 hours after making this determination.
2. The contacted DMACC official will gather all essential information about the residential student from the reporting person and from the student’s acquaintances (description, clothes last worn, where student might be, who student might be with, vehicle description, information about the physical and mental well-being of the student, an up-to-date photograph, class schedule, etc.). Appropriate campus staff will be notified to aid in the search for the student and the confidential contact person listed on the DMACC Housing Application will be notified.
   If the above actions are unsuccessful in locating the student or it is apparent immediately that the student is a missing person (e.g., witnessed abduction), no later than 24 hours after the Provost’s Office (Boone Campus)/Executive Dean of Student Services determines that a residential student is missing:
3. The Provost’s Office/Executive Dean of Student Services will contact the appropriate local law enforcement agency to report the student as a missing person and the local law enforcement agency will take charge of the investigation;
4. The Provost or Executive Dean of Student Services will notify the emergency contact that the student is believed to be missing.
C. Campus communications about missing students
1. In cases involving missing students, law enforcement personnel are best situated to provide information to the media that is designed to elicit public assistance in the search for a missing student. Therefore, all communications regarding missing students will be handled by outside law enforcement authorities, who may consult with the Provost/Executive Dean of Student Services. All inquiries to the College regarding missing students, or information provided to any individual at the College about a missing student, shall be referred to the Provost/Executive Dean of Student Services, who shall refer such inquiries and information to law enforcement authorities.
2. Prior to providing the DMACC community with any information about a missing student, the Provost/Executive Dean of Student Services shall consult with the President’s Office and with local law enforcement authorities to ensure that communications do not hinder the investigation.

WEAPONS ON CAMPUS
EDUCATIONAL SERVICES PROCEDURE, ES 5040
I. INSTITUTIONAL REGULATIONS
The Board of Directors of DMACC supports the State of Iowa and Federal efforts to provide a safe educational environment for its students, faculty, staff and visitors. To that end, the Board of Directors of DMACC, through Board Policy 2015—Firearms and Weapons on College Property, prohibits the possession of a firearm or other weapon on any DMACC property, unless it falls within an exception set out in Section IV below, and confers upon its staff the power to promulgate rules and invoke sanctions to support this concept.
II. DEFINITIONS
A. A “weapon” is any instrument or device designed primarily for use in inflicting death or injury upon a human being or animal, and which is capable of inflicting death upon a human being when used in the manner for which it was designed. Weapons may include, but are not limited to: any offensive weapon; firearms of any kind such as pistols, revolvers, or other guns, BB or pellet guns; knives such as daggers, razors, stilettos, switchblade knives or knives with a blade exceeding five inches in length; tazers, stun guns, or other portable devices directing an electric current that are designed to immobilize a person; explosives or incendiaries such as bombs, grenades, or fireworks; poison gas; or simulations of any such items (devices that appear to be real such as a realistic toy, replica, paint-ball gun, etc.). A weapon may also include an object of any sort whatsoever that is used in such a manner as to indicate that the person using the object intends to inflict death or serious injury upon another person, or that is threatened to be used in such a manner, and which, when so used, is capable of inflicting death upon a human being. A weapon may also include any part or combination of parts either designed or intended to be used to convert any item into a weapon or to assemble into a weapon.

B. “Possession” means that the person has actual physical control of the weapon because it is on or in the person’s body, or in an item of personal property belonging to the person (including, but not limited to, a bookbag, backpack, briefcase or purse), or in a locker or other space individually assigned to the person. “Possession” also means that the person knows, or should know, of the presence of a weapon within a vehicle that the person owns or operates and that the person has the ability or right, either alone or with any other person, to maintain control of the weapon.

III. PROCEDURE
A. The following acts by students, faculty, staff or campus visitors are prohibited:

1. To have possession of a weapon of any type while on DMACC property. This prohibition includes, but is not limited to, those weapons that may be carried pursuant to a valid permit issued in accordance with the Iowa weapons law.

2. This policy applies to:
   a. All DMACC campuses, attendance centers, dining facilities and office buildings, whether owned, leased or rented by DMACC.
   b. All housing owned by DMACC or that lies within the boundaries of a DMACC campus (provided, however, that residents of such housing may possess knives having a blade exceeding five inches for cooking purposes).
   c. No DMACC location is exempt from this policy. This includes personal vehicles located on DMACC property, DMACC vehicles, DMACC walking trails, and DMACC outdoor athletic complexes.

B. Investigation and Charge Procedure for Alleged Violations of Weapons on Campus Policy
1. Any person who observes a student, faculty, staff or visitor violating the Weapons on Campus Policy shall immediately inform DMACC Security (Ankeny and Urban campuses) or Campus Provosts (all other campuses/attendance centers). In addition, the person shall promptly complete a Campus Incident Report and send a copy to the Campus Provost, the DMACC Judicial Officer and DMACC Security. This form can be found at: www.dmacc.edu/mylogin.asp. (Click on the QuickLinks Button and select Incident Report Form.) Alleged violations of the Weapons on Campus Policy will be promptly investigated.

2. Violations of the Weapons on Campus Policy will result in appropriate disciplinary action and may result in referral to law enforcement. Violations of the Weapons on Campus Policy by students will result in violations of ES 4630 Student Conduct, Discipline and Appeals Procedure. The Judicial Officer will review Student Conduct/Discipline Reports and may choose to file additional charges according to ES 4630.

IV. EXCEPTIONS
A. This policy does not apply to any certified law enforcement officer with a valid permit to carry weapons that has been issued to the officer in accordance with the Iowa weapons law and the weapons possession is within the limits of that permit, or the officer’s duties require the officer to carry such weapons. This exception does not apply to military personnel (unless otherwise required by law).

B. This policy does not apply to other persons specifically authorized by the College in advance to possess a weapon on College property for a limited purpose, such as DMACC security or individuals hired specifically for security for a special event.

V. APPEAL PROCEDURES
If an individual believes he/she is not responsible for an alleged violation of the Weapons on Campus Policy, he/she may appeal to the Campus Provost or the Executive Dean of Student Services within ten (10) business days of receipt of the DMACC Incident Report or other notification from the College. Failure to submit an appeal form within the scheduled time period will result in the sanction being imposed.
TECHNOLOGY USAGE
EDUCATIONAL SERVICES PROCEDURE, IT 6100

I. INSTITUTIONAL REGULATIONS:
   A. The Board of Directors of DMACC confers upon the staff the power to invoke sanctions and promulgate rules to
      protect the educational processes and the rights of individual students, faculty and staff.
   B. College technology resources represent a substantial and ongoing investment of public funds that the College has an
      obligation to utilize for purposes that serve the public interest consistent with the College's educational mission.
   C. The use of technology resources will be consistent with institutional policies: Student Conduct Discipline and Appeals
      Procedure, ES 4630; Restricted Use of College Resources, BP 3023; Academic Freedom BP 4003; and Personal Use of
      College Property by Employees, HR 3335.

II. SCOPE
Technology resources and usage may be described as all College-owned print and electronic media and services
including, but is not limited to: computers, printers, modems, email communications, DMACC web content, wireless
connections and fax transmissions. Personal equipment connected to the DMACC network is also subject to this
procedure. As a public learning institution financed and supported by public funds, it is incumbent upon the College to
ensure that its technology resources are responsibly and effectively maintained and used by all persons affiliated with
DMACC. Such persons include credit and noncredit DMACC students, faculty, staff, student employees, alumni, DMACC
pioneers, and guests at the institution who will be referred to throughout this procedure as DMACC technology users—or
simply “Users.”

III. STATEMENT OF GENERAL EXPECTATIONS
All DMACC technology users must abide by applicable Federal and State laws and regulations regarding technology
usage, as well as existing College policies and procedures. Paramount to DMACC’s mission as an institution of higher
learning, DMACC values academic freedom and academic achievement. DMACC promotes openness to new ideas,
sensitivity to multicultural issues, and unlimited access to a wide range of information and ideological perspectives. The
College values the free flow of information and does not condone censorship.

Students are provided 2 GB of network storage space on a designated P Drive. Students’ efforts to comply with this limit
will benefit all network users. Accounts that exceed this limit will be contacted by the network administrator and will be
asked to take steps to return to the 2 GB limit. Accounts that are not returned to 2 GB by the stated date are subject to
possible removal of data at the discretion of the network administrator.

IV. INDIVIDUAL RESPONSIBILITIES
Technology resources users are expected to:
   A. Use technology in a manner consistent with Federal, State and Local laws.
   B. Support an educational environment free from harassment and discrimination as described in institutional Harassment
      and Discrimination procedures (HR 3005 and 3010; ES 4645).
   C. Use technology resources appropriately so as to not interfere with the educational mission of the institution or the
daily business of the College.
   D. Be aware of and employ security practices to prevent unauthorized access to their computers, accounts, and/or
      personal identification numbers (PIN). This would include logging off from the computer following usage, avoiding
      sharing PIN and other passwords, and using insecure methods for sharing, storing or transferring information.
   E. Use technology resources consistent with other institutional policies. (Section VIII)
   F. Assist in maintaining and enhancing the integrity of DMACC technology resources by taking measures to support the
      security and privacy of computer networks.

CELLULAR PHONE USE
Cellular phone users should be respectful of others by following the guidelines outlined below.
- Turn cellular phone ringer off or set to “silent” upon entering any classroom, computer lab, library, office or auditorium.
- Short, quiet cellular phone conversations may take place in corridors, away from doorways. Please move extended conversations outside of the building.
- Move immediately to a hallway when placing or receiving calls.
- Be courteous to others by keeping a low-volume voice.
- Cell phones with picture-taking capabilities are not allowed in changing rooms or locker rooms. Individuals wishing to take photos in any recreation facility must first have DMACC permission.
- Faculty members have the right to limit the use of cell phones in their classrooms.

CLERY ACT ANNUAL SECURITY REPORT
In 1991, the U.S. Congress passed the Student Right-to-Know and the Campus Security Act, which requires colleges to report the three previous years of statistics on murder, robbery, sex offenses, aggravated assault, burglary, motor vehicle theft and arson, and statistics on arrests for drug and alcohol violations and weapons violations. In 1998, Congress passed an amendment renaming the act the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act and required that all crimes motivated by hate or bias be included in the statistics. DMACC recognizes the importance of maintaining a safe and secure learning environment. Visit www.dmacc.edu/departments/physicalplant/security.asp and click on DMACC Clery Act Annual Security Report for the Clery Act Annual Security Report.

DISCIPLINARY PROCEEDINGS INFORMATION FOR VICTIMS OF CRIME
According to federal law, upon written request, institutions must disclose to alleged victims of certain crimes the results of disciplinary proceedings conducted by the institution. For more information, visit www.dmacc.edu/studentconduct.

DMACC EMERGENCY NOTIFICATION POLICY STATEMENT
DMACC has a multilayered emergency notification system in place called DMACC Alert for immediately notifying the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the campus. Some or all of these layers of communication may be activated in the event of an immediate threat to the DMACC Campus Community, depending on the location and type of emergency. Layers include emails, emergency text messages, voice mails and an indoor voice notification system. DMACC will post updates during a critical incident on the DMACC website at www.dmacc.edu. Individuals can call the DMACC Recorded Emergency Information telephone line at 515-965-6020 for updates. Members of the larger community (parents, students and employee family members, etc.) who are interested in receiving information about emergencies on campus should sign up for the DMACC Alert Emergency Notification System (call 515-964-6816 for assistance) and should use the DMACC website and emergency phone line for obtaining updates in the event of an emergency on campus.

All members of the DMACC campus community are notified on an annual basis that they are required to notify DMACC Ankeny Security at 515-964-6500 of any situation or incident on campus that involves a significant emergency or dangerous situation that may involve an immediate or ongoing threat to the health and safety of students and/or employees on campus. The DMACC Crisis Management Team (CMT) has the responsibility of responding to, and summoning the necessary resources, to mitigate, investigate and document any situation that may cause a significant emergency or dangerous situation. In addition, the CMT has a responsibility to respond to such incidents to determine if the situation does in fact pose a threat to the community. If that is the case, federal law requires that the institution immediately notify the campus community or the appropriate segments of the community that may be affected by the situation.

The DMACC Crisis Management Team may receive information from other sources as well. If the CMT confirms that there is an emergency or dangerous situation that poses an immediate threat to the health or safety of some or all members of the campus community, CMT will collaborate to determine the content of the message and will use some or all of the systems described above to communicate the threat to the DMACC campus community or to the appropriate segment of the community, if the threat is limited to a particular building or segment of the population. The DMACC CMT will, without delay and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the judgment of the first responders (including, but not limited to: The City Police Department, Fire and Emergency Medical Services) compromise the efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency.
DRUG-FREE SCHOOLS & CAMPUSES ACT

DMACC strives to provide an educational environment that promotes the health and safety of students, faculty and staff. Accordingly, DMACC complies with the Drug-Free Schools and Campuses Act (EDGAR Part 86).

STANDARDS OF CONDUCT—DRUG-FREE WORKPLACE

The College shall take appropriate action, to the extent possible, to provide a work environment free of drugs and other illegal substances. The manufacture, possession, use and/or distribution of illegal substances is forbidden on any College property or at any College-sponsored activity. No employee or student may appear on College property if, as a result of the use of drugs or other illegal substances, he/she cannot adequately perform normal functions or if he/she impedes the normal operation of the College. (Board Policy 2016, Drug-Free Workplace)

Compliance with this policy shall be a condition of employment. Any workplace-related violation leading to conviction shall be reported to Human Resources. Prior to reinstatement of any employee so convicted, or as a condition of continuing employment, completion of a drug abuse assistance or rehabilitation program shall be required. Educational information on drug abuse shall be made available to employees and students. (Board Policy 2016, Drug-Free Workplace)

DMACC’s Student Conduct, Discipline and Appeals Procedure, ES 4630, and Tobacco-Free Campus, ES 4635, state that the following behaviors are prohibited:

- Using, possessing, misusing or being under the influence of any alcoholic beverage or other intoxicating beverage on College property or at College-sponsored functions except as authorized by College regulations or College authority.
- Manufacturing, processing, selling, delivering, providing, using, purchasing, misusing or possessing any narcotic drug, marijuana or other addictive, dangerous or controlled substance on College property or at College-sponsored functions. Drug paraphernalia is also prohibited.
- The use of tobacco products, which include smokeless or smoking tobacco, is prohibited on all campuses and all attendance facilities in compliance with state law.

Disciplinary Sanctions

The unlawful possession, use, distribution or misuse of illicit drugs or alcohol by students may result in sanctions including suspension from DMACC. More information about the DMACC Student Conduct Code and possible sanctions can be found at www.dmacc.edu/studentconduct.

DMACC Drug-Free Schools and Campuses information is also available on the DMACC Safety website at www.dmacc.edu/safety.
PARKING & TRAFFIC REGULATIONS

Parking regulations apply at all DMACC campuses. Registered holders of parking permits, regardless of who drives the vehicle, are responsible for their motor vehicle complying with all regulations. Violating parking regulations results in individuals receiving a ticket and a fine.

Four or more outstanding unpaid tickets result in a letter of denial, which prohibits the vehicle from being parked on campus. Registered holders of parking permits have three (3) days to respond to the letter of denial and make payment on the previous tickets. No response from the owners of the vehicles results in their cars being towed at their expense. Parking tickets may be appealed in writing within ten (10) student contact days from the date of issuance. Appeal forms are available at the Physical Plant Office, Building 12, on the Ankeny Campus, in the Business Offices at all other campuses or on the Web at www.dmacc.edu/departments/physicalplant/parking.asp.

Ankeny and Boone campuses: Parking permits are required for all vehicles driven by daytime students. Stickers and Parking Regulations are available at no charge from the Information Desk in Building 1, or the Security Office in Building 12 on the Ankeny Campus, and at the Business Office on the Boone Campus. Evening and Saturday students are not required to register their vehicles unless parked on the campuses during daytime hours, Monday–Friday.

Urban Campus: Parking permits are required for all vehicles driven on the Urban Campus, including evening and Saturday students and staff. Stickers are available at the Registration Desk at the Urban Campus at no charge.

Skateboarding, rollerblading, roller skating, bicycle stunt riding or similar activities are prohibited on all DMACC buildings and grounds, including roads, drives, parking lots and sidewalks. Bikes and rollerblades are permitted on recreational trails at the Ankeny Campus. Exceptions may be allowed for official DMACC-sponsored programs.

All reports of criminal and/or suspicious activity will be investigated. The local police department will be immediately notified of all incidents of murder, rape, robbery, assault, burglary, motor vehicle theft and any theft greater than $150 in value. Timely warnings about crimes considered a threat to students and employees will be disseminated to the College community by methods that may include the DMACC Alert, email, student newspaper, DMACC Daily, DMACC Student Daily, press releases for local newspapers, radio, TV and/or posted notices.
