The DMACC Diversity Commission will be hosting a Central Iowa Circle of First Nations Pow Wow on Sat., June 2 from 1 to 5 p.m. in the Ankeny DMACC Bldg. #5 Gymnasium. The event is free.

Artist Ron Dinsdale (center) of Huxley installs his sculpture, “Path of Peace,” at the DMACC Urban Campus. The 17-foot-tall, ten-ton “Path of Peace” sculpture was set up at the DMACC Urban Campus because the location is near I-235 and Seventh St. and also because DMACC’s Urban Campus has a tremendous diversity of ethnicities, religions, nationalities and ages.

Dinsdale, helping direct the crane operator to the exact placement of the structure, says “Path of Peace” represents three doves that are forever turning to symbolize freedom and rights. The sculpture is a gift to all people of Iowa. In addition, there will be a fundraiser to win a classic car and raise proceeds to help pay for the sculpture. The money raised will also be put toward continuing the effort of creating a mini-park along I-235. If interested in helping raise money for the project, please contact Karla Hansen at 515-710-0123 or Chet Guinn at 515-556-8054.

DMACC CHAMBER ENSEMBLE

The DMACC Chamber Ensemble performs during the Spring 2012 concert under the direction of DMACC Choral Conductor Aaron Powell.
MAY MEETING
Thirty-five curious and enthusiastic Pioneer members ventured to Ames for the May 10 meeting. We had a wonderful lunch catered by Hickory Park and toured the Hunziker Center where we were able to view the Building Trades, Auto Collision, Automotive Technology, Culinary Arts and Health Information Technology labs and visit with the students and instructors and see their projects. After the tour, we enjoyed the Lego creations, flowers and butterflies at Reiman gardens. It was a wonderful day and an all around fun and educational experience. Many thanks to the Career Academy for rolling out the red carpet for our Pioneer group.

ASK ME
Mike Perry again deserves a big THANK YOU for organizing the Ankeny campus "ASK ME" program again this semester. It is a few hours for the many volunteers to come back to help students get answers to their many questions during the first days of each semester. Our brightly colored shirts invite students to ask questions of our Pioneers who have all been part of this campus for many decades. THANKS to those Pioneers who came out to help again this semester.

JUNE MEETING
On Thursday, June 14, we will meet in the usual conference center, building 7, Walnut Room at 11:30 a.m. We will have our annual election of officers. We're still waiting for anyone who might be interested in serving as Vice President for a one-year term and three members at large to volunteer.

Our featured guests will be representatives from the AARP to fill us in on the many benefits that our memberships provide. This will be the last meeting hosted by our wonderful Carolyn Hildreth who has served us loyally and provided all of the wonderful meals for our group. We cannot thank her enough for her dedication to our group.

Call in your reservations to 515-964-6868 by Monday, June 11 at 4 p.m. IT IS IMPORTANT FOR YOU TO CALL AS WE HAVE TO KNOW HOW MANY TO ORDER FOOD FOR.

JULY MEETING
Did you know that they are building another Miracle League field in Ankeny? Jan Burch and Bob Mitchell have requested some time at our July meeting to give us information on the new location near Hawkeye Park. We have reserved a room in the FFA Center for that day and will have a catered lunchbox by Palmers.
