Fall Classes Start August 21

It’s hard to believe but summer semester is over and it is time to start thinking about Fall at DMACC. As usual, the ASK ME crew will be assisting students in the most highly trafficked buildings on the Ankeny Campus. If you have a couple of hours on Thur., Aug. 21, or Fri., Aug. 22, please contact Mike Perry at (515) 283-8379 to volunteer. Lunch is provided. This is a wonderful opportunity for you to share your expertise about where to go to find? Students and staff really appreciate having you in their buildings.

Another opportunity to help out is to take a paid temporary job in the bookstore.

Calling All Pioneers

The DMACC Ankeny Campus bookstore is seeking to hire temporary help to work the upcoming Fall semester rush period. Rush begins Aug. 11 and continues through Aug. 29. As you can see, we still need our Pioneer membership to step up to plan and host meetings. It is not a huge undertaking as many of our meetings are already in place for each year.
PIioneer Connection (Continued)

Many thanks to everyone who stepped up for the Pioneers of DMACC!

We are grateful for your response to the Pioneer request for Scholarship Contributions. By now, you have received a request for student scholarship and assistance from our Pioneer group. This is an extremely important part of what we do to support our students and your continued generosity is deeply appreciated.

By agreement with our Bookstore, we only need to raise $10,000 to receive matching funds from them every year. That is how we are able to gift over $20,000 in scholarships to our students. The Garage Sale has been one of our biggest fund-raising events and we appreciate everyone of you who give of your time to help every time we do this. Unfortunately, our Pioneer group is aging and this type of fund-raising activity may be coming to an end. So, please consider gifting whatever you can manage. It is so important to our students.

Finished my Photoshop class and learned so much. Am considering taking another class this Fall just to upgrade and learn some new skills. Consider taking a class. Tuition is free to Pioneers, Faculty Emeritus, and/or Senior Citizens. What a great way to keep the brain cells active.

Enjoy the State Fair or whatever plans you have for August!
