DMACC EMPLOYEE AWARDS

Congratulations to DMACC employee Jim VonBehren, who recently received a DMACC Employee Award.

Jim VonBehren –

Adjunct Instructor, Perry Academy. A welding adjunct, he reorganized the welding lab, utilizing the space to its fullest. The reorganization has made a more efficient arrangement, and a safer, less hazardous environment for everyone. He did it all on his own time, expecting nothing in return.

PIONEER CONNECTION

FINAL GARAGE SALE ANOTHER SUCCESS:

For one last time, the PIONEERS GARAGE SALE was a huge success. We held final sales on Aug. 14 and Sat., Aug 15 to raise money for student assistance. We brought in a total of \$2,738.17. That is a lot of items that sold for \$1 or less.

MANY THANKS to of all of the Pioneers who helped organize, price, assist customers and clean up after the sale--and, of course, to those of you who donated items for the sale. We could not have done this without all of you. St. Vincent DePaul picked up any leftover items that they could sell and Plant Services disposed of the remaining treasures.
