THIS CONTRACT is entered into by and between Paul J. Lowery, a duly qualified teacher and superintendent, hereinafter called the Superintendent, and the Board of Directors, hereinafter called the Board, of the Des Moines Area Community College, Merged Area XI District, located at Ankeny, County of Polk, State of Iowa.

WITNESSETH, that the said Paul J. Lowery agrees to serve as superintendent of the Des Moines Area Community College for the school years 1974-75, 1975-76 and 1976-77, each consisting of twelve (12) calendar months, commencing July 1, 1974, and will faithfully perform the duties of superintendent of the college according to law and the rules now or hereafter legally established for the governance thereof, including the exercise of due diligence in the preservation of the school buildings, grounds, furniture, apparatus, and other school property.

IN CONSIDERATION of said services, the Des Moines Area Community College agrees to pay said Superintendent at the annual rate of not less than Twenty-Seven Thousand Five Hundred Dollars ($27,500.00), payable each year in twelve (12) equal installments, on or about the last of each calendar month, except as herein otherwise provided.

This contract is tendered and accepted under the following terms and conditions:

1. The Superintendent shall during the term of this contract have in force and effect any certificates required by law or the State Department of Public Instruction authorizing him to serve as superintendent of the college.
2. The Superintendent shall:
   
   (a) Serve as executive officer of the board of directors of the college.
   
   (b) Give full working time to the district and will engage in no other gainful work without prior consent of the board.
   
   (c) Supervise the educational programs of the district.
   
   (d) Prepare and supervise the administration of the budget.
   
   (e) Perform all duties necessary as superintendent.

   (g) Be bound by all rules and regulations now or hereafter adopted by the board, not in conflict with provisions contained herein.
   
   (h) Meet all requirements of the board.

3. The Superintendent shall be entitled to twenty (20) days vacation per year and other "leaves of absence" provided by policy as exists or to be established by the board, including those days designated as legal holidays.

4. For the purpose of determining deductions from salary in case of absence from or discontinuance of service, a school year shall be understood to consist of two hundred sixty (260) days, spread throughout fifty-two (52) weeks. All days designated as holidays by the board are to be regarded as days of service rendered, subject to the rules governing payment for such days as established by the board. The deduction for absence for which pay is not allowed shall be made at the rate of 1/260ths of the annual salary for each day of such absence. If the superintendent for any reason is in the service of the district for less than two hundred sixty (260) days in any

SAICC is an organization to provide students of Community Colleges and Area Schools with representation on a state-wide basis, serving as a forum for opinions and problems of students and with help in solving those problems where ever possible.

SAICC had its beginning last year when Kirkwood and Iowa Lakes Community Colleges met and decided to try to get an organization started among Iowa Community Colleges and Area Schools. There was, at first, little response to the invitations. However, in November of last year nine campuses met and formed the temporary constitution of SAICC.

Since then six area school student governments have approved joining SAICC and another six are in the process of approval. The DMACC (Ankeny Campus) student senate gave approval of SAICC in January. Dues for the organization, (10¢ per full time student) are being paid from the Student Senate budget.

The money collected from dues will be used for SAICC operational expenses, mailings, collecting legislative data and conducting surveys and also in a civil suit against the State of Iowa concerning the Iowa Tuition Grant. The court suit is being handled through the Iowa Civil Liberties Union and was approved by the SAICC general assembly at their last meeting, March 16.

EXTENDED PERIOD JANUARY 1, 1974 - JUNE 30, 1975
In compliance with Chapter 1020, Acts of 64th—2nd General Assembly as amended

NOTICE: The Board of Directors of DES MOINES AREA COMMUNITY COLLEGE (Merged Area XI in the Counties of Boone, Guthrie, Dallas, Jasper, Marion, Shelby, Story, Warren, Polk, Madison, Carroll, Crawford, Audubon, Adair, Clarke, Mahaska, Cass, Poweshiek, Lucas, Marshall, Hardin, Hamilton, & Greene, Iowa, will meet August 12, 1974 at 5:30 p.m. at 2006 Ankeny Blvd., Ankeny, Iowa. Taxpayers will be heard at that time for or against the following Budget Estimate. This is a summary of the Supporting Detail of Budget Receipts and Expenditures on file with the Board Secretary. Copies of the Supplemental Detail (Schedule 633-A) will be furnished any taxpayer upon request. Taxes will be computed in compliance with Chapter 1020 (64-2 G.A.) as amended.

Board Room, Bldg. #4

INSTRUCTIONS

Only Form 633 is to be published. Schedule 633-A Supplemental Detail is to be completed before transferring details to Form 633. Schedule 633-A must be prepared for any interested taxpayer and for attachment to certified budget copies.

Round all figures to the nearest dollar. Data will be keypunched for computer processing. Inclusion of cents could shift decimals two places, thereby distorting computations and analysis.

Columns A-F must be completed for a tax levy. Columns A-E are to be completed if an expenditure is proposed not requiring a tax levy. The amounts published in Column C control expenditures and represent maximum expenditures authorized by law.

INSTRUCTIONS AS TO PUBLICATION OF NOTICE

Publication in Newspaper Necessary: Levies are void unless notice is published in a newspaper. The newspaper publisher will go over each estimate submitted to him with care and it is hoped that he will advise the local board of any errors which he may discover so that they may be corrected prior to printing. The form will be set up two columns wide and will include only the matter beginning with the words "AREA VOCATIONAL SCHOOLS OR AREA COMMUNITY COLLEGE" and ending with the word "INSTRUCTIONS" immediately following the columnar forms.

Newspapers Defined: Section 24.9 of the Code, provides as follows: "Each municipality shall file with the secretary or clerk thereof the estimates required to be made in sections 24.3 to 24.8 inclusive, at least twenty days before the date fixed by law for certifying the same to the levying board and shall forthwith fix a date for a hearing thereof, and shall publish such estimates and any annual levies previously authorized as provided in section 76.2, with a notice of the time when and place where such hearing shall be held at least ten days before the hearing. For multi-counties, such publication shall be in the official newspapers thereof. For any other municipality such publication shall be in a newspaper published therein, if any, if not, then in a newspaper of general circulation therein. An attorney general opinion (7-14-66) provides for merged area districts to publish the budget estimate in a newspaper of general circulation. Levies Void: Unless notice is published: Section 24.10 of the Code provides that "the verified proof the publication of such notice in a newspaper shall be filed in the office of the county auditor and preserved by him. No levy shall be valid unless and until such notice is published and filed."
ENTRY RECORD OF THE HEARING AND DETERMINATION OF THE ESTIMATE

Be it remembered that on this, the 15th day of August, 1924, the board of directors of the Des Moines Area Community College met in session for the purpose of filing and considering the estimate for the local budget of said school district. There was present a quorum as required by law. Thereafter and on said day there was filed the foregoing estimate.

Thereafter said estimate was duly considered by the board. The board being fully advised finds that a date of hearing on said estimate should be fixed and it does fix the 12th day of August, A. D. 1924, at the hour of 5:30 P. M. or said day as the date of hearing, said hearing to be had at the Bldg. #4, Ankeny Blvd. (2006), in Ankeny, Iowa, Polk County, Iowa.

The secretary was directed to publish the estimate and the notice of hearing as required by law, in the Des Moines Register newspapers published at Des Moines, Iowa of said counties. Publication to be for one insertion at least ten days prior to the date set for hearing.

President.

Secretary.
