Dear Ken:

Bathroom Expansion and Renovation - Administration Building - Boone Campus DMACC,
RDG/BD #90268.00

At 2:00 p.m. on July 2, 1991, bids were opened for the Bathroom Expansion and Renovation Project. We contacted nine potential bidders and at their request forwarded bidding documents to each for their consideration. A pre-bid conference was held on June 26, 1991 to answer any questions bidders may have had. On July 2 we received three proposals for the work. The low bid was submitted by Shriver Construction Company of Jefferson, Iowa in the amount of $74,700.00. It is our opinion that the prices indicate competitive bidding and the low bid represents a fair price for the work described on the contract documents. We recommend accepting alternate bid #1 which will delete structural glazed tile in the remodeled portion of the second floor men and women's bathrooms. The resulting proposed contract amount of $70,725.00 is approximately $8,000.00 over the budget. In reviewing our Statement of Probable Cost, we have concluded that the reason for the overage is due to several factors including relocation of an electrical panel, matching of existing structural glazed tile finishes, relatively small remodeling project and extremely short construction period which may require overtime and scheduling of work so as not to conflict with normal building operations.

I spoke with Sam Harding on July 8, 1991 regarding Shriver Construction. Sam is a project manager with this firm and advises of the following information:

1. Shriver Construction is owned by Meredith Shriver and has been in business since 1966.
2. Current jobs include remodeling work at Jefferson High School, Green County Fair Exhibit Building construction, and an Iowa National Guard Armory. Recent projects include multiple Iowa National Guard facilities, Scranton Elementary School, IDOT maintenance garages and a new plant for the Nichii Company in Jefferson.
3. References:

   Doug McDermott, President, Homestate Bank, Jefferson, (515) 368-2131
   Rick Nelson, Sires Architects, (515) 278-4642
Sam Harding has advised that he has reviewed their proposal and the Contractor is prepared to sign a contract for the proposed amount. Mr. Harding stated that the construction schedule is extremely tight, but feels it can be achieved. Materials delivery will be extremely important to timely completion. We recommend that a contract be awarded to Shriver Construction in the amount of the base bid less alternate proposal #1 for a total contract amount of $70,725.00.

Sincerely,

Arnold E. Fischer, AIA

WITNESSETH:

WHEREAS, the Landlord is interested in leasing certain land on its campus to the Tenant in order to provide for the development of certain facilities on such land; and

WHEREAS, the training of the students at the College is a public purpose consistent with the mission of the College; and

WHEREAS, the development of a bookstore on such land will provide additional space to the College within its existing facilities and enable the College to provide retail and marketing training for its students; and

WHEREAS, the development of a convenience store on such land will enhance the ability of the College to provide retail sales and marketing training for its students; and

WHEREAS, the Tenant is willing to provide or arrange for the development of a bookstore and convenience store on the land to be leased hereunder; and

WHEREAS, the development of a bookstore and a convenience store on such land will enhance the revenues of the Foundation and enable it to provide additional student financial aid and support for student activities;

NOW, THEREFORE, in consideration of the rents, covenants and conditions herein set forth, Landlord and Tenant do hereby covenant, promise and agree as follows:

1. Demised Premises. Landlord does demise unto Tenant and Tenant does take from Landlord for the term hereinafter provided, the property described on "Exhibit A" attached hereto and made a part hereof including any easements and appurtenances as shown on "Exhibit A"; subject to and consistent with the survey land restrictions specified in "Exhibit B". All Exhibits attached hereto are hereby made a part of this lease.
Said lots, and any buildings and site improvements thereon, together with the licenses, rights, privileges and easements appurtenant thereto, shall be hereinafter collectively referred to as the "Demised Premises."

2. Term. The term of this lease shall commence upon the date hereof (the "Commencement Date") and shall terminate fifty (50) years from and after the date hereof; provided, however, that the Tenant shall have the option at any time after twenty (20) years from the date hereof to terminate this lease upon giving one hundred eighty (180) days notice to the Landlord of its intent to terminate.

3. Annual Basic Rent. Unless abated or diminished as hereinafter provided, Tenant shall, during the lease term, pay to Landlord at such place as Landlord shall designate in writing from time to time, the "Annual Basic Rent" payable under this lease, over and above the other additional payments to be made as hereinafter provided. The Annual Basic Rent shall be $100 payable in arrears on the anniversary date of this agreement in each year. Delinquent payments shall draw interest at 12% per annum from the due date, until paid.

4. Possession. Tenant shall be entitled to possession on the first day of the term of this lease, and shall yield possession to the Landlord at the time and date of the close of this lease term, except as herein otherwise expressly provided. Should Landlord be unable to give possession on said date, Tenant's only damages shall be a rebating of the pro rata rental.

5. Taxes. (a) The Tenant shall pay or provide for all of the real estate taxes, sewage charges, and special assessments of every kind and nature which shall during the term of this lease be levied, assessed, or imposed upon the Demised Premises, or any part thereof, or upon any building, structure, or improvements thereon, or any fixtures or equipment which shall hereafter be placed thereon, by whatever authority or for whatever purpose said real estate taxes, sewage charges, or assessments shall be levied, assessed, or imposed, and the Tenant shall pay such real estate taxes, sewage charges and assessments in every instance before the same become delinquent and before any penalties accrue thereon, except installments of special assessments not due and payable until after the termination of this lease. The real estate taxes, if any, for the year prior to the year in which the term of this lease commences, and for all previous years, shall be paid by the Landlord. The real estate taxes for the year in which the term of this lease commences shall be prorated between
the parties in accordance with the number of months of the Tenant's occupancy after the Commencement Date. The real estate taxes for each of the remaining years during the term of this lease shall be paid by Tenant, as aforesaid, except that the real estate taxes for the final year of this lease, which are payable in the subsequent year, shall be prorated between the parties in accordance with the number of months of Tenant's occupancy during such year, based upon the real estate taxes for the previous year unless the actual real estate taxes due and payable for such final year have been determined by the taxing authorities, in which event such proration shall be based upon the latter amount. Upon termination of this lease, the Tenant shall pay to the Landlord a sufficient amount to discharge the Tenant's obligation for real estate taxes for the final year hereof, and Landlord agrees to accept the amount so paid under the terms of the previous sentence in full satisfaction of Tenant's obligation to pay such taxes.

(b) The Tenant may in good faith at any time at the Tenant's expense, in the Landlord's or the Tenant's name, endeavor to contest by any proceedings the validity of any assessment, or to obtain a lowering of the assessed valuation upon the Demised Premises for the purpose of reducing any tax or assessment. In such event, the Landlord will offer no objection, and at the request of the Tenant but without expense to the Landlord will cooperate with the Tenant. If requested by the Tenant, and provided it will not in the reasonable judgment of the Landlord incur any expense or liability thereby, the Landlord will execute any document which may be necessary and proper for any such proceeding. Any refund shall be the property of the Tenant to the extent to which it may be based on payment of a tax or assessment made by the Tenant.

6. Insurance. (a) After the Commencement Date, the Tenant shall, at its sole cost and expense, maintain or cause to be maintained comprehensive general public liability insurance, with limits of at least $1,000,000 primary for bodily injury and property damage combined single limits plus $5,000,000 umbrella coverage. Such policies shall name the Landlord and Tenant as the insureds.

(b) At all times subsequent to the Commencement Date and during its full term, the Tenant shall keep all buildings erected upon the Demised Premises and any building service equipment covered, at its sole cost and expense, by fire and extended coverage and all risk coverage (special form) insurance in an amount equal to 90% of the full insurable value of the buildings to be determined by the company issuing the insurance policy.
(c) All policies of insurance required to be maintained by the Tenant shall name the Tenant and the Landlord as the insureds as their respective interests may appear. All such policies shall, to the extent obtainable, provide that any loss shall be payable to the Landlord notwithstanding any act or negligence of the Tenant which might otherwise result in forfeiture of such insurance. In case of injury or damage to the buildings to be erected upon the Demised Premises or any building service equipment, by fire or other cause covered by the insurance contemplated in this paragraph, the Tenant shall provide immediate notice thereof to the Landlord and the Tenant shall thereupon repair all damage. Tenant shall at Tenant's expense pay the cost of repairs in excess of insurance proceeds.

7. Additional Rent. All taxes, insurance charges, costs, and expenses which the Tenant is required to pay hereunder, and all interest and penalties that may accrue thereon in the event of Tenant's failure to pay such amounts, and all damages, costs and expenses which the Landlord may incur by reason of any default or failure of Tenant to comply with the terms of this lease, shall be deemed to be additional rent, and in the event of nonpayment by the Tenant the Landlord shall have all the rights and remedies with respect thereto as the Landlord has for nonpayment of the Annual Basic Rent.

8. Nonliability of Landlord. Landlord shall not be liable to Tenant or any other person on or about the premises for any loss, damage or injury sustained by reason of Tenant's failure to keep the premises in good repair or on account of Tenant's failure to comply with any and all of the provisions of this lease.

9. Construction. The Tenant agrees to arrange or provide for the construction of a convenience store and gasoline filling station facility on the Demised Premises. In the event construction of such facility is not begun prior to May 1, 1992, this lease shall terminate. Landlord acknowledges and agrees that Tenant intends to provide or arrange for the construction of such facility on the Demised Premises. Landlord shall have no responsibility with respect thereto except as provided in this Agreement. Tenant may also arrange or provide for the construction of a bookstore on the Demised Premises. Any other construction on the Demised Premises shall be subject to the prior written approval of the Landlord.

10. Plans and Specifications. All buildings and site improvements to be constructed by Tenant shall be in accordance with plans and specifications which shall be subject to the approval of the Landlord.
11. **Right of Entry for Inspection.** During the period of construction of all buildings and improvements, Landlord, its officers, agents, employees and contractors may enter upon the premises at all reasonable times for the purpose of inspecting and determining that the work is being completed in accordance with the plans and specifications.

12. **Tenant's Obligations.** Tenant shall:

(a) Keep the premises in a safe, clean, and presentable condition and not allow any refuse or debris to accumulate upon the premises or upon the sidewalks or streets adjoining the same;

(b) Maintain structural parts of the building(s); furnish interior and exterior decorating; make necessary repairs to sewer, plumbing, water pipes, and electrical wiring; maintain adequate heat and air conditioning; and otherwise keep the buildings in a good condition;

(c) Be obligated to make repairs and replacements occasioned by defective materials or workmanship in the construction of the buildings; and

(d) Make all replacement of glass and all nonstructural repairs and replacements to the interior and exterior of the buildings which are necessary to keep the premises in a good state of repair, reasonable wear and tear and damage by fire or other casualty excepted.

13. **Alterations.** Tenant may, at its own expense, from time to time make such alterations, additions or changes, structural or otherwise, in and to the buildings as it may deem necessary or suitable; provided, however, Tenant shall obtain Landlord's prior written consent to plans and specifications for structural alterations, additions or changes; provided further, that such alterations, additions or changes shall not change the general character of the buildings; and provided further that such alterations, additions or changes shall not materially diminish the value of the premises. The term "structural changes" as used herein shall not include moving of stud partitions, minor plumbing and electrical work, modification and rearrangement of fixtures or other minor changes. Tenant shall secure building and other permits or authorizations required from time to time for any work permitted hereunder by Tenant.

14. **Utilities.** Tenant shall promptly pay for all public utilities rendered or furnished to Tenant's buildings during the lease term, including water, gas, sewer and electricity.
15. Governmental Regulations. Tenant shall observe and comply with all rules, orders and regulations of the federal, state and municipal governments or other duly constituted public authority affecting said buildings.

16. Eminent Domain. In the event all of Demised Premises shall be expropriated by any public or quasi-public authority, this lease shall terminate as of the date Tenant shall be deprived of the physical possession thereof.

In the event that access or less than the whole of the Demised Premises shall be expropriated by any public or quasi-public authority, Tenant shall have the option to terminate this lease as of the date Tenant shall be dispossessed from the part so expropriated, by giving notice to Landlord of such election so to terminate within ten (10) days from the date of such dispossession.

In the event of an expropriation of any portion of the Demised Premises, if this lease shall not be terminated as hereinabove provided, it shall continue as to that portion of the Demised Premises which shall not have been expropriated or taken, in which event Tenant shall, at its sole cost and expense, promptly and with due diligence undertaken any necessary restoration of the premises. The annual basic rental and other charges shall abate during the period of demolition and restoration, and thereafter the annual basic rent shall be reduced in the proportion the ground level area of the part of the premises so expropriated shall bear to the total ground level area of said premises prior to such expropriation.

In the event this lease shall be terminated pursuant to this Article, any annual basic rent and other charges paid in advance shall be refunded to Tenant, and Tenant shall have an additional thirty (30) days, rent free, within which to remove its property from the Demised Premises. In the event that at the time of any expropriation, Tenant shall not have fully amortized expenditures which it may have made on account of any improvements, alterations or changes to the premises, Landlord shall assign to Tenant so much of any award payable as a result of such expropriation as shall equal the unamortized portion of Tenant's said expenditures. The unamortized portion of Tenant's expenditures shall be determined by multiplying such expenditures by a fraction, the numerator of which shall be the number of remaining years of the lease term at the time of such expropriation and the denominator of which shall be the number of remaining years of the lease term at the time such expenditures shall have been made.
17. (a) **Assignment and Transfer.** The Demised Premises shall not be used for any unlawful purpose. Tenant may not assign this lease, or sell or otherwise transfer the buildings with the lease attached, except with the express written consent of the Landlord.

(b) **Responsibilities.** Tenant may contract to have other parties perform any or all of its obligations hereunder but no such contract shall relieve Tenant from primary responsibility with respect to such obligations.

18. **Use of Funds.** Tenant agrees that the revenues from the facilities to be constructed on the Demised Premises will be devoted to student financial aid and student activities at the College.

19. **Landlord's Remedies.** If the rent provided for in this lease, or any part thereof, shall not be paid when due, or if Tenant shall be in default under any other provision of this lease and the rents shall not be paid, or such other default shall not be cured with thirty (30) days after notice to Tenant of such nonpayment or other default, then Landlord may, by an instrument in writing delivered to Tenant at any time thereafter during the continuance of such default, either (a) terminate this lease, or (b) re-enter the Demised Premises by summary proceedings or otherwise, expel Tenant and remove all property therefrom, relet such premises at the best possible rent readily obtainable (making reasonable efforts therefor), and receive the rent therefrom; provided however, that in either such case Tenant shall remain liable for the equivalent of the amount of all rent provided herein less the proceeds of reletting, if any, after deducting from such proceeds of reletting the reasonable costs of obtaining possession of said premises and of any repairs necessary to prepare it for reletting. Any and all deficiencies so payable by Tenant shall be paid on the date herein provided for the payment of rent. If any default by Tenant (except nonpayment of rent) cannot be reasonably remedied within thirty (30) days after notice of default, then Tenant shall have such additional time as shall be reasonably necessary to remedy such default before this lease can be terminated or other remedy enforced by Landlord. Except for the legal remedy of damages (provided Landlord shall, in all instances, be required to mitigate damages) and the equitable remedy of an injunction, the remedies of Landlord herein shall be exclusive of any other remedies.

20. **Bankruptcy.** If a petition in bankruptcy shall be filed by Tenant, or if Tenant shall be adjudicated bankrupt, or if Tenant shall make a general assignment for the benefit of creditors, or if in any proceeding based upon the insolvency of Tenant a
receiver of all the property of Tenant shall be appointed and shall not be discharged within thirty (30) days after such appointment, then Landlord may terminate this lease by giving notice to Tenant of its intention so to do; provided, however, neither bankruptcy, insolvency, an assignment for the benefit of creditors nor the appointment of a receiver shall affect this lease or permit its termination so long as the covenants on the part of Tenant to be performed shall be performed by Tenant or someone claiming under it.

21. Covenant of Title. Landlord covenants, represents and warrants that it has full right and power to execute and perform this lease and to grant the estate demised herein and that Tenant, on payment of the rent and performance of the covenants and agreements hereof, shall peaceably and quietly have, hold and enjoy the demised premises and all rights, easements, appurtenances and privileges belonging or in anywise appertaining thereto during the lease term without molestation or hindrance of any person whomsoever, and if at any time during the term hereby demised the title of Landlord shall fail or it be discovered that its title shall not enable Landlord to grant the term hereby demised, Tenant shall have the option at Landlord's expense to correct such defect or to terminate this lease with full reservation of its right to damages, if any.

Landlord further covenants, represents and warrants that it is seized of an indefeasible estate in fee simple in the land demised herein free and clear of any liens, encumbrances, restrictions and violations (or claims or notices thereof) except building restrictions, restrictive covenants, and easements of record on the date hereof, none of which will materially and adversely interfere with the conduct of Tenant's business on the Demised Premises.

Landlord shall, without expense to Tenant, and within thirty (30) days after written request by Tenant, furnish (a) an abstract of title showing that Landlord's title is as herein represented and (b) agreements wherein each holder of any lien against the Demised Premises shall consent to this lease, shall subordinate its interest in the Demised Premises to the Tenant and to any first mortgage upon the Demised Premises entered into by Tenant, and shall warrant that Tenant's possession and right of use under this lease in and to the Demised Premises shall not be disturbed by such holder unless and until Tenant shall breach any of the provisions hereof and this lease or Tenant's right to possession hereunder shall have been terminated in accordance with the provisions of this lease.
22. **Landlord's Obligations.** Landlord shall provide:

(a) Sewer, water, electricity and gas connections to the site of the Demised Premises;

(b) Access to the Demised Premises for Tenant;

(c) Security for the Demised Premises; and

(d) Snow removal and grass cutting for the Demised Premises; provided, however, that Landlord shall be reimbursed by Tenant for the cost of the services referred to in (c) and (d) on the basis of a reasonable allocation of the costs of the personnel involved.

23. **Landlord's Right to Cure Tenant's Defaults.** In the event Tenant shall neglect to pay when due any obligations on any encumbrance affecting title to Demised Premises, or shall fail to perform any obligation specified in this lease, then Landlord may, after the continuance of any such default for ten (10) days after notice thereof by Landlord, pay said obligations or other charges or cure such default, all on behalf of and at the expense of Tenant, and do all necessary work and make all necessary payments in connection therewith, and Tenant shall on demand pay Landlord forthwith the amount so paid by Landlord together with interest thereon at the rate of twelve percent (12%) per annum.

24. **Condition of Premises at Termination.** At the expiration or earlier termination of the lease term, Tenant shall surrender to Landlord the Demised Premises, including buildings constructed by Tenant together with alterations, additions, and improvements then a part thereof, in good order and condition except for the following: ordinary wear and tear, and loss or damage by fire, the elements, and other casualty or occurrence. All furniture and fixtures installed in said buildings at the expense of Tenant or other occupant shall remain the property of Tenant or such other occupant; provided, that upon removal of any such furniture or fixtures Tenant shall reimburse Landlord for any damage to the premises caused by such removal; provided, however, Tenant shall, at any time and from time to time during the lease term, have the option to relinquish its property rights with respect to such fixtures (including, but not limited to, air conditioning machinery and lighting fixtures), which option shall be exercised by notice of such relinquishment to Landlord, and from and after the exercise of said option, the property specified in said notice shall be the property of Landlord.

25. **Holding Over.** In the absence of any written agreement to the contrary, if Tenant should remain in occupancy of the
Demised Premises after the expiration of the lease term, it shall so remain as a tenant from month-to-month, and all provisions of this lease applicable to such tenancy shall remain in full force and effect.

26. Notices. Notices required under this lease shall be in writing and deemed to be properly served on receipt thereof if sent by certified or registered mail to Landlord at the last address set forth above or to Tenant at the address set forth above, or, in either case, to any subsequent address which Tenant or Landlord shall designate in writing as provided herein for such purpose.

27. Mechanic's Liens. Tenant shall indemnify the Landlord against any mechanic's lien or other lien arising out of the construction of, alteration of, repair of, addition to, or improvement of the Demised Premises.

28. No Continuing Waiver. No waiver of the breach of any of the terms or conditions of this lease shall constitute a waiver of any other or succeeding breach of the same or any other term or condition of this lease.

29. Enterprise Committee. The Tenant agrees to appoint a committee which shall be responsible for all actions required by the Tenant in connection with matters covered by this lease.

30. Captions and Definitions. Marginal captions contained in this lease are solely for convenience of reference and shall not in any way limit or amplify the terms and provisions thereof. The necessary grammatical changes which shall be required to make the provisions of this lease apply (a) in the plural sense if there shall be more than one Tenant, and (b) to any Tenant which shall be either a corporation, an association, a partnership, or an individual, male or female, shall in all instances be assumed as though in each case fully expressed. Unless otherwise provided, upon the termination of this lease under any of the Sections hereof, the parties hereto shall be relieved of any further liability hereunder except as to acts, omissions or defaults occurring prior to such termination.

31. Successors and Assigns. The conditions, covenants and agreements contained in this lease shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. All covenants and agreements contained in this lease shall run with the land.

Tenant may not sell or otherwise transfer buildings on the Demised Premises without the Landlord's consent.
32. Counterparts. This lease may be executed in multiple copies, and each executed copy shall be deemed an original without necessity of production of other copies.

33. Attorney's Fees. In the event of a dispute regarding this lease, each party shall be responsible for paying its own attorney's fees.

34. Memorandum Recorded. The parties agree that a memorandum of this lease shall be executed and may be recorded in the office of the County Recorder of Polk County, Iowa, and that this lease itself shall not be recorded.

35. Time is of the Essence. Time is expressly declared to be of the essence in this lease.

IN WITNESS WHEREOF, the parties hereto have executed this lease on the day and year first above written.

The Business Office staff will be preparing fiscal year end closing journals after receiving the preliminary closing computer financial reports for June 30, 91, so that final reports will not be ready until after the July board meeting. Complete FY91 year end reports, to include a consolidated balance sheet, will be prepared for Board distribution at the August meeting.

As noted on the June 30th Cash Position Report, adequate funds are available to repay the FY91 Anticipatory Warrant due on July 31, 1991 (total of principal plus interest of $5,332,494).

Proceeds from the sale of our FY92 Anticipatory Warrant ($5 Million plus $10,750 premium less $50,000 good faith deposit previously received) is scheduled to be received from First Wisconsin National Bank on July 1, 91.

Our funds invested in the Iowa Trust Education account earned an average monthly yield rate for May of 7.907% with the rate for June anticipated to be approximately the same.
