RE: Financial Report for Sept, 1988 Board Meeting

DMACC
DES MOINES AREA
COMMUNITY
COLLEGE

Our cash flow for August was enhanced by the receipt of fall term registration monies, in addition to our 4th quarter FY88 State General Aid of \$2.9 Million. At month end we had on hand approximately \$1.7 Million in excess of our \$3.7 Million FY89 Anticipatory Warrant (borrowed funds).

Proceeds from the sale of \$2.6 Million of New Jobs Training Projects Certificates were received on September 7th, and initially invested at a rate higher than the interest expense rate on these Certificates.

Interests rates on short term investments climbed to a high of 8.125%, as compared with the previous month's high of 7.5%.

Staff from the state auditor's office are presently on campus conducting our regular annual audit for fiscal year 1987-88. They anticipate completing this audit in several weeks.

Included with the financial reports this year is an an added graph which compares actual revenue and expenses for current year with same time period of previous year for General and Plant Funds (Funds 1, 2 and 7).
